Recommendation for noting:

The Cabinet recommends that Council notes:

1. That the national pay award for 2024-2025 has not been agreed, at the time of writing the Pay Policy Statement.

1.0 Purpose

- 1.1 To refer to Council for approval the new Pay Policy and the publication of the Pay Policy.
- 1.2 This report has been compiled to comply with the requirements of section 38 (1) of the Localism Act 2011.
- 1.3 To seek approval for the additional Deputy Director posts as detailed within this report.

2.0 Background

- 2.1 Under section 112 of the Local Government Act 1972, the Council has the “power to appoint officers on such reasonable terms and conditions as the authority thinks fit”.
- 2.2 Section 38 of The Localism Act 2011 requires that each Council prepares an annual pay policy statement setting out the following:
 - a. The remuneration of its chief officers. In this context a ‘chief officer’ is defined as:
 - The head of its paid service designated under section 4(1) of the Local Government and Housing Act 1989;
 - Its Monitoring Officer designated under section 5(1) of the act;
 - A statutory chief officer mentioned in section 2(6) of that Act;
 - A non-statutory chief officer mentioned in section 2(6) of that Act;
 - A deputy chief officer mentioned in section 2(8) of that Act.
 - b. The remuneration of its lowest-paid employees, and
 - c. The relationship between:
 - The remuneration of its chief officers, and
 - The remuneration of its employees who are not chief officers.
- 2.3 It should be noted that provisions of the Act do not apply to the staff based in local authority schools.
- 2.4 Additionally the Act requires that the pay policy statement must set out the Council’s policies relating to:

- a. The level and elements of remuneration for each chief officer covered by the Act
 - b. The remuneration of chief officers on recruitment
 - c. Increases and additions to remuneration for each chief officer
 - d. The use of performance related pay for chief officers
 - e. The use of bonuses for chief officers
 - f. The publication of, and access to, information relating to remuneration of chief officers.
- 2.5 The Localism Act requires that a local authority publish the pay policy statement “in such manner as they see fit. Section 38 (4) requires authorities to set out in their pay policy statements their approach to the publication of and access to information relating to the remuneration of chief officers. The requirements to publish a pay policy statement and details of senior pay have also been underpinned by the mandatory requirements in the Local Government Transparency Code 2015. Following approval the Pay Policy will be published on the City Council’s website.
- 2.6 The Act requires the Pay Policy statement to include the data confirming the relationship between the remuneration of its chief officers, and employees who are not chief officers. The City of Wolverhampton Council’s pay ratio has reduced over a number of years from 9.35:1 in 2018-19 to 8:1 in 2024-25.
- 2.7 Comparative data for this financial year is not yet available, however figures for last year show, Sandwell at 8:1 and Dudley at 9:1. Walsall Council report on the pay ratio between the highest pay and the median pay so would not be comparative. Birmingham City Council have not published data for 2023-2024.
- 2.8 As a proactive employer we manage and mitigate the local and national recruitment and retention challenges via our strategic risk register, one of the actions taken is to ensure we continue to be an ‘employer of choice’ and have a competitive offer – we have therefore commissioned an independent review of pay, the outcome of this review will be presented to Cabinet for consideration.
- 2.9 The senior pay scale (appendix 2) sets out the grades that will be applied to senior managers in 2024-2025. The senior pay data (appendix 3) covers senior posts in line within the definitions in the guidance. Decisions on individual increments will not at this point have been taken, as these are subject to performance management criteria and will not take effect, if approved, until after 1 April 2024.
- 2.10 Senior Management posts are evaluated using the Local Government Employer (LGE) Senior Job Evaluation scheme, this is carried out by West Midlands Employers. The LGE scheme evaluates roles based on four criteria; knowledge requirement, creative thinking/policy direction, impact on people/organisation and responsibility for resources.
- 2.11 The Council’s senior leadership team, are required to work effectively to deliver the priorities of Council as well as dealing with the unprecedented ongoing challenges, whilst not losing our sense of ambition, or vision, for our City or our external reputation to reap benefits for our City.

2.12 Following a review of strategic capacity, the below posts have now been included within the Pay policy statement for approval, please note these posts are subject to Job Evaluation by West Midlands Employers and recruitment and selection activities as per our Constitution, policies and procedures.

- Deputy Director of Environment and Regulation
- Deputy Director of Transport
- Deputy Director of City Development
- Deputy Director of Public Health

2.13 The posts detailed above are anticipated to be grade 13 (subject to job evaluation) and will be funded within existing budgets.

2.14 Data on all senior salaries in 2023-2024 will be published on the City Council's web site, following approval. Data relating to posts with salaries over £100,000 are available in appendix 4.

2.15 Data required by the Local Government Transparency Code 2015, will also be available by 31 March 2024. This includes employees whose remuneration in the year 2023 – 2024 was at least £50,000 in brackets of £5,000. This information is recorded by job title. For senior managers whose salaries are £150,000 or more a name must also be given. At City of Wolverhampton Council this applies to the Chief Executive, and as a result of the recent JNC pay award this now includes Deputy Chief Executive and Executive Director of Pensions.

3.0 Evaluation of alternative options

3.1 The authority is required to prepare and publish a Pay Policy in accordance with the Localism Act 2011.

4.0 Reasons for decision

4.1 To ensure that the authority complies with the relevant legislation and best practice guidance.

5.0 Financial implications

5.1 At the time of writing this report pay negotiations in respect of the pay award for 2024-2025 have not commenced. The Medium Term Financial Strategy approved by Council on 28 February 2024 currently assumes a 3% pay award for the 2024-2025 financial year.

5.2 The Deputy Directors outlined in this report will be funded from existing budgets held with the relevant directorates. The Deputy Director of Public Health will be funded from Public Health Grant. This report also seeks approval for a virement from non-pay budgets to pay budgets totalling £127,000 to fund this post in 2024-2025.

[AS/13032024/D]

6.0 Legal implications

- 6.1 The preparation and approval of a senior pay policy statement is a requirement of section 38 of the Localism Act 2011. The Act prescribes information to be included in the statement, its manner of publication and the requirement for the Council to act in accordance with its approved Policy Statement.
- 6.2 In determining pay the Council will comply with all relevant employment legislation. The Council is also bound by collective agreements and contractual arrangements which cannot be unilaterally altered. Relevant legislation includes the Employment Rights Act 1996, Equality Act 2010, Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, the Transfer of Undertakings (Protection of Employment) Regulations 2006 (as amended), Agency Workers Regulations 2010, and the Children & Families Act 2014.
- 6.3 The Council has taken steps to ensure there is no discrimination within its pay structures and that all pay differentials can be objectively justified. Where relevant, legislative obligation will supersede the approach and principles outlined in this statement, for example where terms and conditions are preserved as a result of contracts of employment transferring under TUPE.
[TC/23022024/C]

7.0 Equality implications

- 7.1 This report sets out the policies used to manage senior pay across the Council and the current relationship between the highest and the lowest salary levels. All posts are subject to Job Evaluation, as agreed by the Trade Unions in the signing of our collective agreement.
- 7.2 Data on pay and grading, gender and race pay gaps are reported in annual reports.

8.0 All other implications

- 8.1 Appointments into the senior pay structure are made in line with the Council's Constitution and relevant policies and procedures.
- 8.2 Senior Management posts are evaluated using the Local Government Employer (LGE) Senior Job Evaluation scheme, this is carried out by West Midlands Employers.

Senior Pay Policy Statement – 2024-2025

General Principles

This Policy Statement has been compiled to comply with the requirements of section 38 (1) of the Localism Act 2011, which requires local authorities to state their policy on the level and elements of remuneration for each Chief Officer (as defined by the Act).

1. Appointment and increments

- 1.1 The Appointment of Senior Managers is governed by the Employee Employment Procedure Rules detailed in the Constitution of the City of Wolverhampton Council. A Special Appointment Committee will be established to appoint the Head of Paid Service, Section 151 Officer, Monitoring Officer and roles graded 14 and above, on a politically balanced basis and will usually comprise of the Leader and Deputy Leader of the Council, any appropriate Cabinet Member, the Cabinet Member with lead responsibility for People Services and their opposition counterparts or their substitutes and a nominated employee from an equality forum group in an observer capacity.
- 1.2 To comply with the guidance from the Secretary of State, Full Council approval is required, to agree appointment packages including salary, bonus, fees allowances and benefits in kind, to posts exceeding a pay range of £100,000. For existing posts where the salary range exceeds £100,000 (Directors and above currently), the Council is reaffirming its approval to the current and any future appointment to these already established roles. These posts are detailed in appendix 4. Where the creation of a comparable post (salary range exceeding £100,000) is required, this will need the approval of Full Council. To appoint to any already established role, a Special Appointments Committee will be established on a politically balanced basis and will usually comprise the Leader of the Council, Deputy Leader of the Council, Leader of the opposition, appropriate Cabinet Member and appropriate Scrutiny Panel chairs or their substitutes.
- 1.3 All other Senior Manager roles are subject to appropriate People Services recruitment policy and process.
- 1.4 The salary scale upon appointment will usually be at the “minimum point of advantage”, in certain circumstances it may be appropriate to appoint at a higher pay point within the grade. This must be agreed by the Chief Executive and the Deputy Director of People & Change.
- 1.5 Senior Management roles who meet the eligible criteria, receive the appropriate pay increment on 1 April each year, to the maximum of the grade (see 4.1).
- 1.6 The Senior Management pays scales for 2023 - 2024 are detailed in appendix 2. The pay award for 2024-2025 has not been agreed at the time of writing the report.

2. Annual Pay Award

- 2.1 All annual pay awards are set in line with nationally negotiated rates. The last agreement for officers within scope of the JNC for Chief Officers and Chief Executives of Local Authorities (Grade 12 to Grade 17) increased salaries by 3.5% with effect from 1 April 2023.
- 2.2 Employees at Grade 11 and below receive the pay award agreed through collective bargaining with the National Employers and the relevant Trade Unions (NJC). The last nationally agreed pay award for NJC Local Government Employers increased all pay points by £1,925 up to pay point 31 and 3.88% for pay point 32 and above with effect from 1 April 2023.
- 2.3 Pay agreements for April 2024 have not been agreed for NJC or JNC local government employees and national negotiations are yet to commence.

3. Market forces supplements

- 3.1 The City of Wolverhampton Council has a policy to offer market forces supplements in instances where the substantive grade of the post is insufficient to attract or retain post holders in skill shortage areas. Market forces supplements are awarded for a defined period and subject to regular review. Currently there is only one West Midlands Pension Fund senior manager receiving a Market Force Supplement.

4. 'Earn Back,' bonus and performance related pay

- 4.1 None of the posts featured in this report are eligible for bonus or performance related pay. However, incremental progression within senior management grades is dependent on performance. Progression for Senior Managers who do not sit on the Strategic Executive Board (SEB), is agreed by SEB. For SEB Members progression is agreed by the Chief Executive in consultation with the Leader of the Council and any incremental progression for the Chief Executive is agreed by the Leader of the Council. Senior Managers who meet the performance criteria are expected to receive an increment in April 2024.

5. Cessation of Employment

- 5.1 If made redundant, post holders covered by this policy will be compensated in the same way as other Council employees and within the confines of the Council's approved redundancy scheme. The extent of any payment will depend on the individual's age, length of service and whether the redundancy is voluntary or compulsory.
- 5.2 The Council retains provision to make additional payments, or payments for some reason other than redundancy (Special Severance Payments). On 12 May 2022 the Department for Levelling Up, Housing & Communities (DLUHC) issued [statutory guidance](#), which applies to "best value authorities", when making Special Severance Payments (SSPs) from that date.

- 5.3 Approval for payments under £20,000 must be approved in accordance with the local authorities scheme of delegations to the Chief Executive, Deputy Chief Executive or Director in consultation with the Deputy Director of People & Change and Section 151 Officer, Monitoring Officer or their nominees.
- 5.4 Approval for payment over £20,000 but under £100,000, is delegated to the Leader of the Council, in consultation with the Head of Paid Service. This is approved through an Independent Executive Decision Notice (IEDN) and reported to Cabinet.
- 5.5 Section 40, a supplement to the original Localism 2011 Act, stated that we should have regard for any guidance issued or approved by the Secretary of State. Guidance issued recommends that Full Council should be given the opportunity to vote on salary packages and severance payment of £100,000 and over. Appointment processes are detailed in 1.1 of the Pay Policy and have been agreed by Full Council. Any severance packages in excess of £100,000, (not inclusive of pension capital costs), will be agreed by Full Council.
- 6. Re-engagement of senior employees in receipt of a local government pension**
- 6.1 The City of Wolverhampton Council recognises that the re-employment of retired local government officers is likely to be perceived negatively and bring into question the use of retirement packages in the public sector. The Council's Voluntary Redundancy Scheme makes clear that employees, regardless of salary level, should not seek re-employment into council roles for 12 months after accepting early retirement/voluntary redundancy. Appointment of former employees as either agency staff or consultants is also prohibited if the arrangement could have been foreseen at the time of retirement. The Council is, however, not averse to appointing senior staff who have retired from other public sector employers. This is because the City of Wolverhampton Council has no control over the decision-making of other employers and could potentially benefit from the skills and experience of the individual concerned.
- 7. Payments made in recognition of election responsibilities**
- 7.1 In accordance with the regulations, at times of General or Mayoral Elections the Council appoints an Acting Returning Officer, by convention, the Head of Paid Service, whose fee for overseeing the election process, is paid by central government. The fee is set nationally. However, at times of a Local Election it forms part of the Head of Paid Services' contract of employment to be Returning Officer and no additional payment is made by Central Government for his role. Other Senior Managers may act as Returning Officer at times of a Local Election and will receive payment from Central Government.
- 8. Pension Contributions and other elements of remuneration**
- 8.1 Employer pension contributions have been included in the pay data included in this policy; this is in line with the definitions of remuneration in the Local Government Transparency Code 2015. The employer contribution rate for LGPS in 2023/24 was 23.30.% and for Teachers Pension was 23.68%.

9. Interim Senior Managers

9.1 There is a requirement from time to time to appoint senior managers on an interim basis in response to short term vacancies or skill shortages, the engagement of all interim senior managers is subject to the necessary approvals and council processes.

10. Pay comparison between the highest and the lowest paid

10.1 In setting the requirement that the policy statement includes a comparison between the highest and the lowest paid, the Act gives no definition of 'lowest paid' and specifies that authorities should set their own and explain why it has been chosen.

10.2 For the purposes of this policy statement, to comply with the Localism Act, the identification of the lowest paid role has been identified as a full-time job, performed all year round, with the exclusion of posts that include an on-going training requirement, such as an apprenticeship.

10.3 The lowest pay point is pay point 2 currently £22,366. This point is part of City of Wolverhampton Council's Grade 2. Grade 2 is from pay point 2; £22,366 to pay point 3; £22,737 per annum.

10.4 The type of roles that fall within Grade 2 are Catering and Cleaning roles, School Crossing Patrol and Passenger Assistant. There were 530 employees on Grade 2 as of 1st April 2023.

10.5 The City of Wolverhampton Councils pay ratio of 8:1.

City of Wolverhampton Council's Pay Multiple	Highest and Lowest paid salaries	Highest and Lowest paid roles
8:1	£178,152 £22,366	Chief Executive Cleaner

10.6 Comparative data for this financial year is not yet available, however figures for last year show, Sandwell at 8:1 and Dudley at 9:1. Walsall council report on the pay ratio between the highest pay and the median pay so would not be comparative. Birmingham City Council have not published data for 2023-24.

10.7 In addition to reporting the above as part of the Localism Act, there is a requirement under the Transparency Code 2015, to report the pay multiple, defined in this case, as the ratio between the highest taxable earnings for a given year (2023/2024) and the

median figure for the whole authority's workforce. The median figure should be calculated using all employees on a fixed date each year. The date of 1 April 2023, has been used to provide the most current data. The highest salary is the Chief Executive on Grade 17 £178,152 and the lowest full time pay including level 2 apprentices is £20,103. The median earning figure used as the denominator is £31,364, giving a pay ratio of 5.7:1.

10.8 The ratio has increased from the previous year (5.23:1) to 5.7:1 due to the inclusion of full- time equivalent salaries of part time employees. To increase transparency and enhance representation of the whole workforce the ratio data now includes part time employees and their full time equivalent salary. Using the previous utilised data set the median earning figure pay ratio would have reduced to 4.86:1.

10.9 The median earning figure is reported as £31,364. Comparative data for this financial year is not yet available, however data from last year show, Sandwell at 1:5, Dudley at 1:8 and Walsall at 1:7.

11. Publication

11.1 The Pay Policy Statement 2024-2025 will be published on the City of Wolverhampton Council's website, alongside the data published under the Local Government Transparency code, at <http://www.wolverhampton.gov.uk/article/1889/Corporate>

11.2 As good practice the actual remuneration of Chief Officers (as defined by the Localism Act) will also be published on the City of Wolverhampton Council's website.
