3.0 Legal implications

3.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely:-

- (a) The prevention of crime and disorder;
- (b) Public safety;
- (c) The prevention of public nuisance;
- (d) The protection of children from harm.

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the Act it must grant the licence, subject to any relevant conditions.

However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

- 1. to grant the licence subject to conditions
- 2. to exclude from the scope of the licence any of the licensable activities to which the application relates
- 3. to refuse to specify a person as a premises supervisor
- 4. to reject the application

3.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.

3.3 Regard shall be had to guidance issued by the secretary of state under Section 182 and City of Wolverhampton Council's Licensing Policy Statement [LW/18102018/B].

4.0 Human Rights and Equalities Implications

4.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.

4.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his

possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

5.0 Financial Implications

5.1 There are no direct financial implications associated with the recommendations in this report. The fee for this application is £190.00 and is non-refundable. The fees and charges in relation to the Licensing Act 2003 are set by the Secretary of State. This was noted by the Licensing Committee on 24 January 2018. [HM/31102018/V]

6.0 Environmental Implications

6.1 This report has environmental implications in that there is a potential for disturbance caused by patrons using the premises and nuisance caused by litter and waste originating from the premises.

7.0 Equalities implications

7.1 There are no equalities implications contained within this report.

8.0 Human resources implications

8.1 There are no human resources implications contained within this report.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premises will be well supervised by the DPS at all times.

There will be policies and procedures in place to ensure we are fully compliant with all four licensing objectives.

Staff training will be both comprehensive and reviewed on a regular basis.

b) The prevention of crime and disorder

1. The premises will maintain door staff profiles for all door staff working at the premises.

Door supervisors stationed outside the front of the premises will wear hi-visibility jackets/coats and will have their SIA badge held in a clear arm sleeve.

2. A refusals log will be kept at the premises and completed on any occasion a sale is refused; this will be made available to all Responsible Authorities on request.

3. The Premises licence holder will ensure that they request a SAG, if it is deemed necessary for a specific event.

4. The Premises License Holder shall ensure that a CCTV system is to be installed at the premises to the specification agreed with the Licensing Department. CCTV is to be operational whilst the premises are open and be recording continually. If a hard drive system is used the recordings are to be kept for minimum of 31 days. All CCTV images are to be made available to Responsible Authorities immediately on request. Entrance and queuing area to be covered by CCTV.

c) Public safety

1. A Challenge 25 proof of age scheme will be in operation at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS hologram.

2. All staff involved in the sale of alcohol will be trained in the main aspects of the Licensing Act 2003, records will be kept of all training and retraining will take place every six months; training will be delivered by Licence Leader Limited or a similar company.

3. Till prompts will be used when all alcohol sales are made.

4. In accordance with the Licensing Act 2003, any person who appears to be drunk or heavily under the influence of alcohol will not be served.

5. The Premises License holder is to maintain door staff profiles for all door staff working at the premises, and for any door staff that have worked on the premises during the last three months. The door staff profile will consist of identification for the member of staff. A copy of his/her SIA badge, Passport or driving License.

If the proof of identification is anything other than the photo driving licence, then the member of staff will need proof of address, which must be a copy of a utility bill and be dated within the last six months. The Premises License Holder shall ensure that Door supervisors stationed outside the front of the premises will wear hi-visibility jackets/coats, and will have their SIA badge held in a clear arm sleeve. Door supervisors inside the premises will wear hi-visibility waistcoats, again with their SIA badge held in a clear arm sleeve.

6. The Premises License Holder will operate an incident book and record all incidents that occur inside and immediately outside premises. The book will be made available at all times to be inspected by any Responsible Authority. All records for all staff training, concerning drunkenness, and the protection of children from harm be maintained and to be available upon request.

d) The prevention of public nuisance

1. Clear signage will prominently be displayed requesting customers to leave the premises quietly and not drop litter around the premises.
2. Doors and windows will remain closed whilst regulated entertainment takes place.
3. Regular checks are made to ensure litter is cleared away from the frontage of the premises.
4. Nominated Taxi companies are instructed to ensure their drivers do not sound horns when waiting for customers.

e) The protection of children from harm

1. A "challenge 25" policy will be used for age verification, meaning any person who appears to be under 25 will be asked for proof of age when attempting to purchase alcohol.
2. Staff will be diligent in observing those attempting to make proxy purchases on behalf of underage persons and alert the DPS when this occurs.

Dear Sirs,

I write on behalf of the licensing authority as a responsible authority to submit formal representations to the above application for a premises licence under all 4 licensing objectives, as there is insufficient information within the operating schedule to promote these objectives.

As the application submitted covers all types of regulated entertainment the provision of which is not specifically addressed within the current operating schedule and therefore requires clarity.

Regards,

Elaine Moreton

Subject: RE: WMP Representations for The Hangar, Pountney Street, WV2 4HZ - PRE1370

Regarding the application for a premises licence for the above premises.

Currently the application has insufficient information to demonstrate that the licensing objectives of Prevention of Crime and Disorder, Public Nuisance and Public Safety are adequately promoted.

The proposed PLH is unsuitable, due to previously having a licence revoked.

The roller shutter doors are proposed to be closed to prevent public nuisance, however are currently required to be open due to being used as fire exits.

There are mention of policies and procedures which are not attached to the licence application.

Some of these matters have been addressed verbally with the applicant, however not all.

Due to these reasons West Mids Police make representation to the application

The representation will not be withdrawn until the Police are satisfied that all the objectives will be adequately promoted in respect of the application.

Regards,

Steph Reynolds

Subject: Fire Authority representation The Hangar Pountney Street Wolverhampton

I refer to the application for a premises licence for the above premises.

Currently there is insufficient information within the application to demonstrate that the public safety objective will be adequately promoted.

Plans should identify locations of fire safety equipment, systems and components , relevant dimensions, and suitable provision of means of escape from the premises.

The current means of escape from the premises appears to rely on the use of roller shutter doors which the Fire Authority does not consider to be a suitable or safe provision for members of the public.

There is mention of disabled refuges which are not shown on the plan. A Disabled refuge requires particular provisions such as fire protection and should be designed in accordance with the building regulations or BS9999.

The premises will also require a building regulations application to ensure that it is safely designed.

Due to the reasons set out above, The Fire Authority hereby makes representation to the application.

I have attached some additional guidance to assist the applicant with submission of a suitable application and will be consulting with the applicant to assist them further.

The representation will not be withdrawn until the Fire Authority is satisfied that the Public Safety Objective will be adequately promoted in respect of the application.

Should you require any further information or clarification of my decision, please do not hesitate to contact me.

Regards

Neil Aston-Baugh

Subject: RE: The Hangar, Pountney Street, WV2 4HX

Dear Elizabeth

Name Of Applicant : The Hangar

Address : Pountney Street ,Wolverhampton ,WV2 4HX

I am writing to register my objection to the application for a premises license by Steven Simpson.

Public safety & Public Nuisance

The number of people in the road is a danger to them & other road users (see photo 1 28 09 18)

Prevention of Public Nuisance

Littering (from people attending the events held at the Hanger Friday 28th & Saturday 29th sept)

Urinating in our fire exit

Parking on our property

Parking over dropped curbs

Parking over fire hydrant

(see videos)

Enabling the premises a license would bring even more parking problems to the area.

The Problems Encountered are the illegal parking of cars Both sides of Pountney street & both sides of Stevens Gate & on My Property (see photo SG220918)

This is Mainly When The Royale Banqueting Suite hold an event I have spoken to them but to no avail

The Sheer number of people if both The hanger & the Banqueting Suite hold events on the same day would be a major problem

There is no off street parking for this Premise.

This is supposed to be an industrial area. We need the roads clear for lorry access to & from our business.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully

Mark Merrick
