Recommendation for decision:

To submit for consideration by the Sub-Committee an application for a variation of a premises licence.

1.0 Purpose

1.1 To submit for consideration by the Sub-Committee an application for a variation of a premises licence.

2.0 Background

- 2.1 An application has been received from Atkins Leisure Limited, the premises licence holder, in respect of Slater's Bar, 41 Queen Square, Wolverhampton, West Midlands, WV1 1TX. A copy of the application is attached at Appendix 1.
- 2.2 It is the understanding of the Licensing Authority, that the application to vary this premises licence has been properly made. The statutory requirement to give notice of the application has also been complied with. The premises are located in the St Peter's ward and a location plan is attached at Appendix 2
- 2.3 The application was received on 27 July 2018. The changes applied for are to change the name of the premises from "Slater's Bar" to "The Parisian", to remove and add conditions and to extend the opening hours and licensable hours of the premises.
- 2.4 A copy of the current licence is attached at Appendix 3.
- 2.5 Slater's Bar is situated within a Cumulative Impact Zone. A copy of the policy and area which it covers is attached at Appendix 4.
- 2.6 The following Responsible Authorities have been consulted on this application:
- Licensing Authority
 - West Midlands Fire Service
 - Planning
 - Trading Standards
 - Social Services
 - Local Health Board
 - Environmental Health (Commercial)
 - West Midlands Police
 - Home Office
- 2.7 Relevant representations have been received from
- Other persons
- Copies of the representations can be found at Appendices 5-6.
- 2.8 The applicant, and all of those who have made representations, have been invited to attend the hearing.

3.0 Policy Implications

- 3.1 On 3 April 2015 the Statement of Licensing Policy was revised to give effect to the Cumulative Impact Policy (CIP) in four new areas of the City. This decision supported the view that the number, type and density of premises selling alcohol for consumption and/or Late Night Refreshment in areas within Wolverhampton City was causing problems of nuisance and disorder and therefore causing an adverse impact on the licensing objectives of prevention of crime and disorder and prevention of public nuisance.
- 3.2 The effect of this CIP is to create a **rebuttable** presumption that applications in respect of the sale or supply of alcohol and/or Late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates where the premises are situated in the City Centre Cumulative Impact Zone will be refused.
- 3.3 Essentially this means that applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives. (This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones).
- 3.4 To rebut the presumption, explained in 3.3 above, the applicant is expected to demonstrate through their operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced and not therefore have an adverse impact in the Licensing Objectives.

4.0 Financial implications

- 4.1 The fee for the application of a variation is £190.00 and is non-refundable. The fees and charges in relation to the Licensing Act 2003 are set by the Secretary of State. This was noted by the Licensing Committee on 24 January 2018. [SR/30082018/O]

5.0 Legal implications

- 5.1 Section 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the licensing objectives namely:
- (a) The prevention of crime and disorder;
 - (b) Public safety;
 - (c) The prevention of public nuisance;
 - (d) The protection of children from harm.

- 5.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the licensing objectives when determining a premises licence variation application.

Section 35 of the Licensing Act 2003 provides the Licensing Authority with the power to vary a licence, subject to conditions, where appropriate.

- 5.3 In addition, regard shall be had to guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003 and Wolverhampton City Council's Licensing Policy Statement. [JB/29082018/T]

6.0 Equalities implications

- 6.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.

- 6.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

7.0 Environmental implications

- 7.1 This report has environmental implications in that there is a potential for disturbance caused by patrons using the premises and nuisance caused by litter and waste originating from the premises.

Plans

As submitted with application dated 08.07.2015 and retained by Wolverhampton City Council.

CUMULATIVE IMPACT POLICY

It is not proposed to set quotas for particular types of licences. Applications will be considered on their individual merit thus ensuring that the characteristics of the many different types of licensed activity are fully considered. If crime and disorder or general disturbance/nuisance does prove to be linked to the concentration of customers of licensed premises or activities in these or any other particular areas, then it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

It would first be necessary to establish that, because of the number and density of licensed premises in a particular area, there are exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. Where particular premises are identifiable as being responsible for the problems, action will be taken against them.

Before deciding whether to adopt a Cumulative Impact Policy, the Council must be sure that the imposition of individual conditions to particular premises would not solve the problem. The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder.

In the Guidance issued under the Act there are four steps specified to be followed in considering whether to adopt a Cumulative Impact Policy:

- Identification of serious and chronic concern from a responsible Authority or representatives of residents about nuisance or disorder.
- Assessment of causes.
- Where it can be demonstrated that disorder and nuisance is arising as a result of customers of licensed premises, identifying the area from which problems are arising and the boundaries of that area.
- Adopting a policy about future licence applications from that area.

The Licensing Committee will keep any Cumulative Impact Policy under review and modify or remove it, as considered appropriate.

As detailed above the Council recognises that because of the number of and density of licensed premises selling alcohol and/or Late Night Refreshment in particular areas there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. In these cases it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

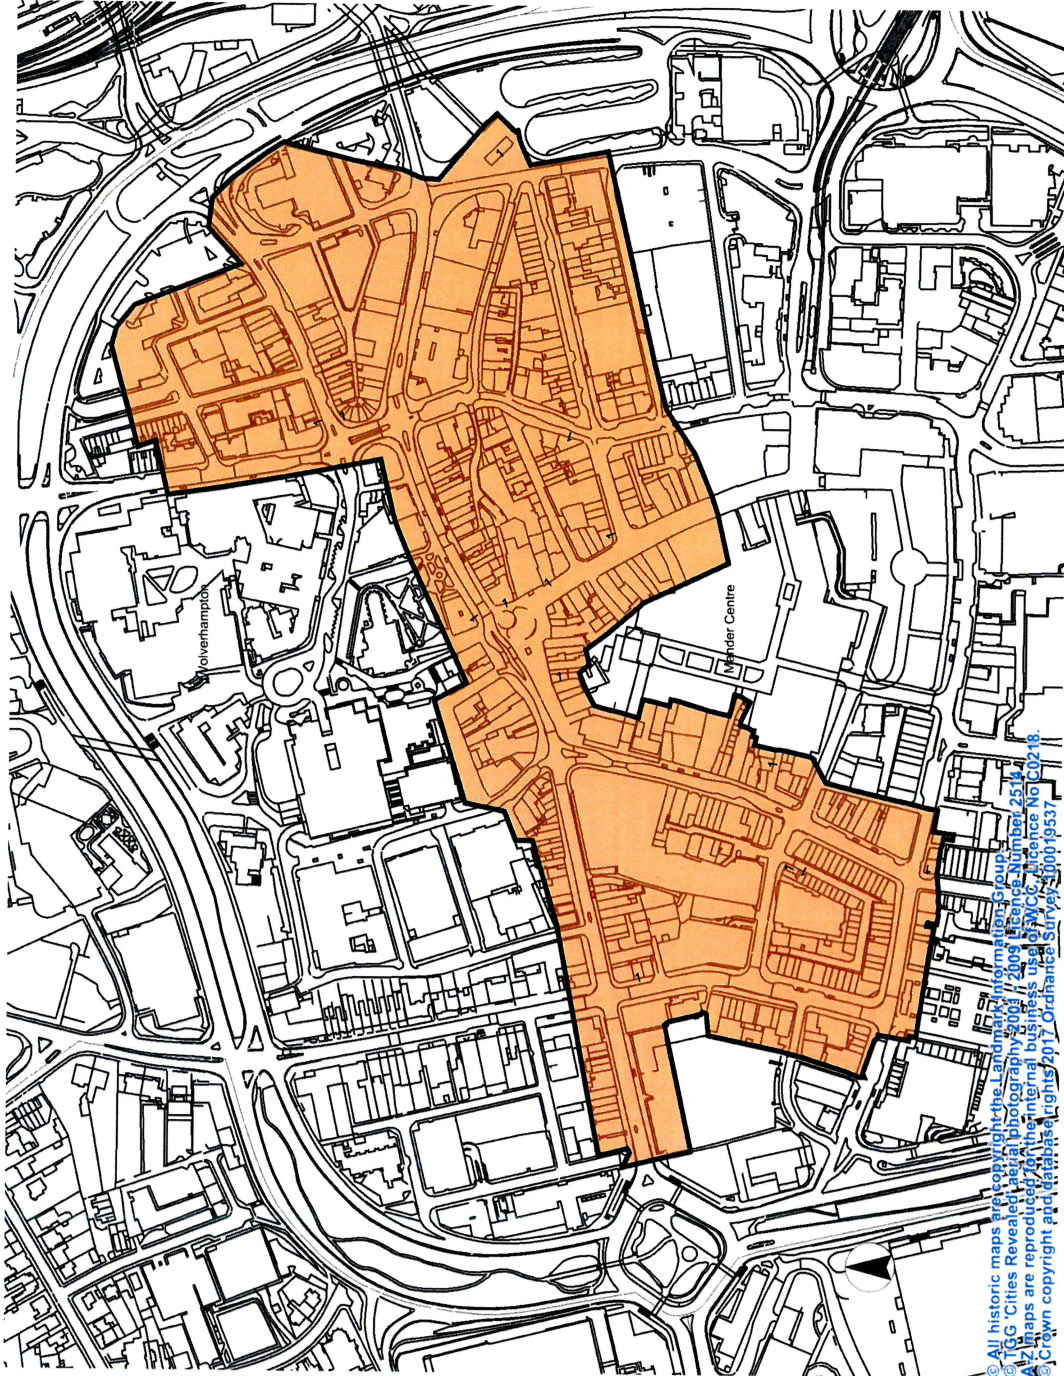

The Licensing Authority is now of the view that in these areas this is causing cumulative impact and designates these areas as Cumulative Impact Zones. The details of the policy specific to each area are described below.

The effect of the Cumulative Impact Policy is to create a **rebuttable** presumption that applications in respect the licensable activities detailed below for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity) where the premises are situated in one of the Cumulative Impact Zones will be refused.

To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones.

The Cumulative Impact Policy will not be used to revoke an existing licence or certificate and will not be applicable to the review of existing licences.

Subject: Slaters Bars {The Parisian} 41 Queens Square Wolverhampton
Importance: High

Dear Sir/Madam

We wish to make representations regarding the application for a variation to Slater's Bar {The Parisian} 41 Queen Square, WV1 1TX by Atkins Leisure Ltd, a premises which is within the City Centre Cumulative Impact Zone.

We have instructed an agent to act on our behalf, he is now carrying out mediation with the applicant, in order to attempt to negate the need for a subcommittee hearing. Our agents details are:

Mr R V Edge
Licence Leader Ltd
Licence-leader@hotmail.com
07982917819

We have given serious consideration to the hours requested and ask that those hours be amended as follows;

Proposed hours for all licensable actives should be amended to read:

Mon – Thurs	1100-0000
Fri & Sat	1100-0100
Sun	1100-2300

As the live-in management couple of The Lych Gate Tavern we implore you to decline permission for the extension of hours to 03:00 Monday-Saturday, especially for the provision of music – live and recorded.

The Premises is adjacent to our living quarters and is in fact linked by just 'a shared fire exit', please see images attached;

1. Our living quarters are above The Lych Gate Tavern on the third floor, overlooking our courtyard area, St Peter's House to our right and the Premises to our left
2. The rear service door to the Premises on the first floor is overlooked by our bedroom window

The Lych Gate's trading hours are Mon-Thurs & Sun 11:00-23:00hrs, Fri-Sat 11:00-00:00hrs. After trading/drinking time there is clean up and financials to do. Making the time we retire for the night gone midnight during the week and shortly after 01:00hrs on Fri/Sat. We are then up at 07:00/07:30 cleaning and preparing the pub for opening.

As traditional publicans our job is 16+hrs a day, 7 days a week, so rest and sleep is critical to having any sort of quality of life.

Due to the nature and the proximity of the buildings (i.e. old, listed, built up area) we have found that noise is unbelievably amplified. Therefore, there are three issues here:

1. Firstly, the application's proposed opening hours and entertainment (03:00) would decimate any possibility of quality sleep, reducing nights to a maximum of 4.5hrs. We just could not function on that. Our work is physically demanding and requires us to be in the best health possible. In fact, we would go as far as stating that the application would contravene our rights to respect of private and family life under Article 8 of the Human Rights Act.
2. Secondly, the proximity of the building to our living quarters and the restrictions due to listed status of 44 Queen Square (i.e. Lych Gate Tavern) to the alterations of the property that would be required to reduce noise pollution would mean that the live music / recorded music would be as if it was in our own property without the use of volume limiters.
3. Lastly, from our own business perspective, we have a well-established customer base that enjoy the courtyard on summer evenings and/or use our function room on our first floor that will be affected directly by these license changes and the resulting increase in noise without the use of volume limiters.

Again, we implore you to reject the extension of hours to 03:00hrs.

We look forward to receiving acknowledgment of this correspondence and await further information on the progress of the application.

Kind Regards

Subject: Amended Planning Application - The Parisian, Exchange Street

Dear Sir/Madam.

I write this in my capacity as Rector of St. Peter's Collegiate Church, Wolverhampton. As well as the church being in close proximity to The Parisian, we also own the property known as St. Peter's House, 4 Exchange Street, Wolverhampton. The upper floor of this latter mentioned property is a three bedroomed residential flat, which is currently let to a tenant. I would wish to register my strong objection to the current amended application (having objected on similar grounds to the previously drafted application) to allow The Parisian to be able to remain open, selling alcohol and playing both live and recorded music to 0300 on the following grounds.

1. Such late opening and the attendant noise seven days a week would be excessively disruptive to the current tenant of the flat in St. Peter's House and would, as and when that tenant leaves, render the flat potentially unlettable to future tenants. St. Peter's Collegiate Church is a registered charity and depends upon the rental income from the flat as part of its overall income;
2. St. Peter's House is frequently used in the evenings for meetings by both church and outside groups. Excessive noise and disturbance from The Parisian would disrupt this use;
3. There are, at various points in the year and on significant occasions in the Christian calendar (such as Christmas Eve), important services in St. Peter's Collegiate Church in the late evening and spanning midnight. These services, and the right of church members freely to worship, would be excessively disturbed by the noise and attendant activity associated with The Parisian being allowed to operate until 0300;
4. There are other residents in neighbouring properties whose lives would be made a misery by the noise and attendant activity associated with The Parisian being allowed to operate until 0300.

Whilst I readily appreciate that there is an important night time economy in the city centre, I would suggest that a business in the location of The Parisian might reasonably be allowed to remain open, selling alcohol and playing music (whether live or recorded) until midnight at the latest. That would offer a means by which we could all make the most of our shared presence in the city centre and, together, make our respective contributions to the life of Wolverhampton.

I would want to register my concern that I have been unable to find full details of the planning application on the Council's website.

Yours faithfully,
