Recommendation for decision:

To submit for consideration by the Sub-Committee an application for a new premises licence.

1.0 Purpose

1.1 To submit for consideration by the Sub-Committee an application for a new premises licence.

2.0 Background

2.1 The application was received on 30 August 2018 from Supernewz Limited for a premises licence in respect of Supernewz, 5 Market Way, Wolverhampton, West Midlands, WV14 0DR for an off licence and convenience store. A copy of the application is attached at Appendix 1.

2.2 The premises are in Bilston East ward and a location plan and premises plan are attached at Appendix 2

2.3 The application is in respect of the sale alcohol, off the premises.

2.4 It is the understanding of the licensing authority that the application for this premises licence has been properly made. The statutory requirement to give notice of the application has also been complied with.

2.5 Supernewz is situated within a Cumulative Impact Zone. A copy of the policy and area which it covers is attached at Appendix 3.

2.6 The following responsible authorities have been consulted on this application:

- Licensing Authority
- Environmental Health
- Planning
- Trading Standards
- Social Services
- Director of Public Health
- West Midlands Police
- West Midlands Fire Service
- Home Office

2.7 Relevant representations have been received from:

- West Midlands Police
- Public Health
- Licensing Authority

Copies of the representations can be found at Appendices 4, 5 and 6

2.8 The applicant and all those who have submitted representations have been invited to attend the hearing.

3.0 Financial implications

- 3.1 There are no direct financial implications associated with the recommendations in this report.
The fee for the application of this licence is £190.00 and is non-refundable. The fees and charges in relation to the Licensing Act 2003 are set by the Secretary of State. This was noted by the Licensing Committee on 24 January 2018. [MK/16102018/W]

4.0 Legal implications

- 4.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely:-
- (a) The prevention of crime and disorder;
 - (b) Public safety;
 - (c) The prevention of public nuisance;
 - (d) The protection of children from harm.

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the Act it must grant the licence, subject to any relevant conditions.

However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

- 1. to grant the licence subject to conditions
 - 2. to exclude from the scope of the licence any of the licensable activities to which the application relates
 - 3. to refuse to specify a person as a premises supervisor
 - 4. to reject the application
- 4.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.
- 4.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 and City of Wolverhampton Council's Licensing Policy statement.
- 4.4 In order for the Cumulative Impact Policy to be relevant to this application the Sub-Committee
- I. Should be satisfied it applies due to:

- (a) Premises being located within the Cumulative Impact Zone;
- (b) Licensable activity applied for at the premises is to include sale of alcohol or late night refreshment and is;
- (c) The likelihood that the activity will have an impact on the crime and disorder or prevention of public nuisance licensing objectives.

II. Should refuse an application based upon the Cumulative Impact Policy unless sufficient evidence is produced, by the applicant, to rebut the presumption that a licence will not be granted or varied.

4.5 If the Sub-Committee are satisfied sufficient evidence has been produced to show the premises will not add to the Cumulative Impact already being experienced, the application should not be refused based upon Cumulative Impact Policy. [SH/12102018/H]

5.0 Equalities implications

5.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.

5.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

6.0 Environmental implications

6.1 This report has environmental implications in that there is a potential for disturbance caused by patrons using the premises and nuisance caused by litter and waste originating from the premises.

CUMULATIVE IMPACT POLICY

It is not proposed to set quotas for particular types of licences. Applications will be considered on their individual merit thus ensuring that the characteristics of the many different types of licensed activity are fully considered. If crime and disorder or general disturbance/nuisance does prove to be linked to the concentration of customers of licensed premises or activities in these or any other particular areas, then it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

It would first be necessary to establish that, because of the number and density of licensed premises in a particular area, there are exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. Where particular premises are identifiable as being responsible for the problems, action will be taken against them.

Before deciding whether to adopt a Cumulative Impact Policy, the Council must be sure that the imposition of individual conditions to particular premises would not solve the problem. The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder.

In the Guidance issued under the Act there are four steps specified to be followed in considering whether to adopt a Cumulative Impact Policy:

- Identification of serious and chronic concern from a responsible Authority or representatives of residents about nuisance or disorder.
- Assessment of causes.
- Where it can be demonstrated that disorder and nuisance is arising as a result of customers of licensed premises, identifying the area from which problems are arising and the boundaries of that area.
- Adopting a policy about future licence applications from that area.

The Licensing Committee will keep any Cumulative Impact Policy under review and modify or remove it, as considered appropriate.

As detailed above the Council recognises that because of the number of and density of licensed premises selling alcohol and/or Late Night Refreshment in particular areas there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. In these cases it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

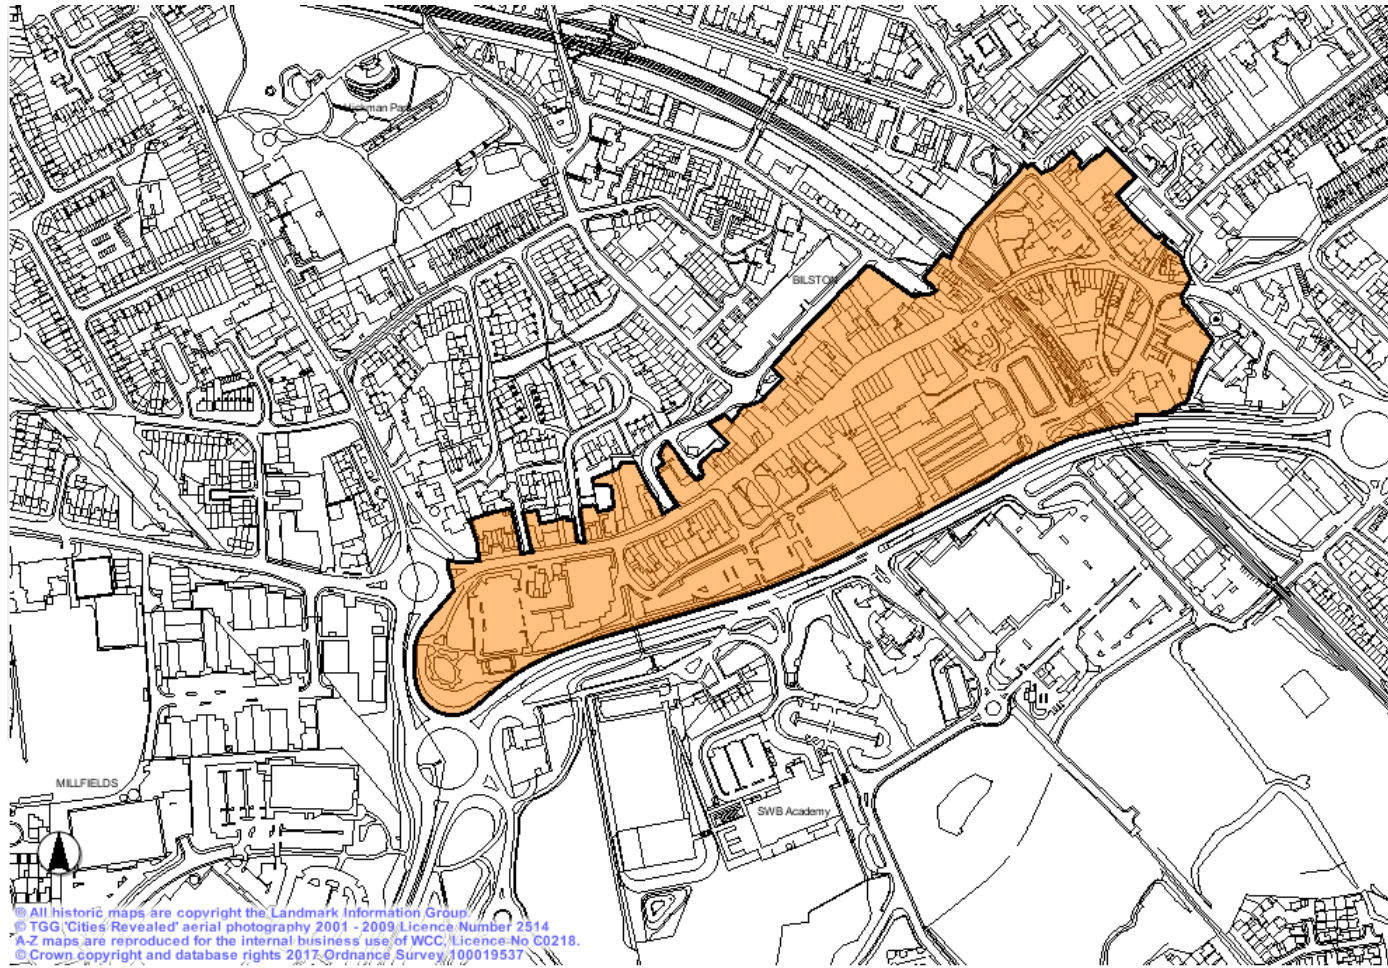

The Licensing Authority is now of the view that in these areas this is causing cumulative impact and designates these areas as Cumulative Impact Zones. The details of the policy specific to each area are described below.

The effect of the Cumulative Impact Policy is to create a **rebuttable** presumption that applications in respect the licensable activities detailed below for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity) where the premises are situated in one of the Cumulative Impact Zones will be refused.

To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones.

The Cumulative Impact Policy will not be used to revoke an existing licence or certificate and will not be applicable to the review of existing licences.

Subject: RE: PRE1368 - Supernewz, 5 Market Way, Wolverhampton, West Midlands, WV14 0DR - NEW PREMISES APPLICATION

Good Morning Jonathon,

There are already a number of licensed supermarkets and public houses within a close proximity to the proposed venue.

This application falls within the CIZ.

By agreeing to this application it will potentially increase demand in terms of ASB and drink related offences in the town.

Therefore I am OBJECTING to this application based on the fact it falls within the CIZ and that I believe the licensing objectives will be hindered given the fact that there are already so many licensed premises within the area.
