That it be noted that the Housing Revenue Account (HRA) Capital programme includes approved budgetary provision to fund the proposed redevelopment scheme.</li> </ol>
<p><b>Options Considered</b></p>	<p><b>Option One: Do nothing</b> - without some investment in improving the estate the central area of maisonettes will deteriorate further, become increasingly difficult to let, which will lead to higher void costs and a loss of rental income to the Housing Revenue Account.</p> <p><b>Option two: Refurbishment of the maisonettes</b> - refurbishment of the estate has been considered and will require significant investment but will only address some of the issues identified, still leaving higher void costs and loss of rental income to the Housing Revenue Account.</p> <p><b>Option three: Demolish the maisonette blocks and build new homes</b> - the blocks together are made up of 182 units of accommodation with some 12 leaseholders. By demolishing the maisonettes, along with some associated low rise housing and commercial buildings, it would enable the Council to increase the amount of social housing and improve the overall environment of the estate.</p>

**City of Wolverhampton Council – Decisions taken by the Cabinet (Resources) Panel on Tuesday, 23 July 2019**

<b>Reasons for Decision</b>	<p>The maisonette blocks at Ellerton Walk are in poor condition and will required substantial investment to maintain them in the long run. The condition surveys carried out by Jacobs in 2004 and 2013 identified a number of defects with the maisonettes, in particular with the inter-linking walkways where concrete is failing, and cracking of construction joints. Recent structural surveys have confirmed that these defects have deteriorated further.</p> <p>In recent years numerous structural repairs have been carried out to mitigate the health and safety risks. But the long-term maintenance of the blocks is anticipated to be very expensive, with an estimate of £29 million to fully refurbish the blocks, which would still not eliminate all of the issues and would not create the modern quality of accommodation that the city wants to provide for its tenants.</p> <p>Given the scale of investment required just to maintain and improve the blocks, it is evident that greater benefits can be achieved through wholesale redevelopment of the estate, with a potential increase in unit numbers and better quality of homes and environment at the end. Dependent on unit numbers, a further £10 million is estimated to deliver a scheme of demolition and newbuild, subject to detailed surveys and design.</p>

<b>Item 7</b>	
<b>Title</b>	Appointeeship Charging
<b>Status</b>	Recommendations Approved
<b>Record of Decision</b>	<ol style="list-style-type: none"> <li>1. That the implementation of a charge to individuals for whom Adult Social Care is the Corporate Appointee for Department for Work and Pensions (DWP) benefits claiming be approved.</li> <li>2. That the following Appointeeship charge for individuals who have a balance of more than £1,000 in their account following the deduction of their usual monthly expenditure be approved: <ul style="list-style-type: none"> <li>• £5.00 per week for individuals living in the community</li> <li>• £3.00 per week for individuals residing in a care home</li> </ul> </li> <li>3. That a review be undertaken of the charge in 12 months after implementation to assess its impact on the level of demand.</li> <li>4. That the comments of the Adult and Safer City Scrutiny Panel on the proposed changes be noted.</li> </ol>
<b>Options Considered</b>	Information about the charges for Appointeeship services in other local authorities collected by the National Association of Financial Assessment Officers (NAFAO) is contained within the body of the report.
<b>Reasons for Decision</b>	<p>The provision of Appointeeship Services are not statutory duties for local authorities, but the Care Act 2014 does state that Local Authorities should provide 'information and advice on the Court of Protection, Power of Attorney and becoming a Deputy'.</p> <p>The Care and Support Statutory guidance makes reference to the Local Authority's ability and power to apply to be appointed Deputy for a person who is unable to manage their property and affairs and who has no family involved in their care.</p>
