- 4 **Matters arising**
There were no matters arising from the minutes of the previous meeting.
- 5 **Revenue Budget Monitoring**
Councillor Louise Miles presented the report on the Council's revenue budget outturn position for quarter one of 2019-2020 compared with approved budget and targets. She informed the Panel that the recommendations in the report included plans to use specific reserves to address areas where the Council faced cost pressures, such as Adult Social Care and Children's Services. Requests for write-offs, virements and

use of reserves were all considered to be prudent in the opinion of the Director of Finance. Councillor Louise Miles also drew to the Panel's attention that a surplus of £21.1 million was being projected on the outturn of Housing Revenue Account (HRA) compared with a budgeted surplus of £16.9 million.

Resolved:

1. That the use of £735,000 from the Regeneration Reserve to fund various development works and schemes as detailed at paragraph 5.4 of the report be approved.

18. That it be noted that this position is not untypical at this point in the financial year. The forecast overspend is largely attributable to demand led services. It is important to note that it is early in the financial year, and all services would be asked to deliver further in year savings in order to address the projected overspend.
19. That it be noted that at this stage in the financial year it is difficult to forecast redundancy costs. However, based on recent years it is anticipated that the cost of redundancies can be met from reserves.
20. That it be noted that a £21.1 million surplus on the Housing Revenue Account (HRA) is projected compared with a budgeted surplus of £16.9 million as shown at Table 20 and in detail at Appendix 3 to the report. Councillor Louise Miles presented the report on a proposal to implement a charge for the Corporate Appointeeship Service delivered by the Customer Finance Team to vulnerable Adult Social Care customers in receipt of Social Security benefits who lacked capacity to manage their financial affairs. The provision of an Appointeeship Service was not a statutory duty for local authorities, but the Care Act 2014 does state that Local Authorities should provide 'information and advice on the Court of Protection, Power of Attorney and becoming a Deputy'. The proposal aimed to ensure the delivery of support for individuals in need at a reasonable cost and enabling a sustainable Appointeeship Service which was working towards self-funding.
