Resolved:

An Application had been received from the West Midlands Police on 26 March 2019 for an expedited review of the Premises Licence in respect of Society, Townwell Fold, Wolverhampton WV1 4LB.

The Chief of Police had given a certificate under Section 53A (1) (b) of the Licensing Act 2003 (the Act), stating that in their opinion the premises were associated with serious crime and disorder and had requested that interim steps be applied to the premises licence pending a full review hearing.

The Licensing Sub-Committee have considered all information presented both written and oral.

The Licensing Sub-Committee have heard from the applicant (West Midlands Police) that:

1. The PLH of Society had contacted WMP in January 2019 to inform them of the event to be hosted on Saturday 23 March 2019 between 22:00 and 04:00. WMP advised the PLH that additional security measures would need to be implemented to ensure all licensing objectives were upheld. WMP requested that:
  - That at least 6 door staff would be required for up to 100 guests, if over that then to liaise with WMP.
  - All plastic cups, no bottles.
  - Strict search policy, wands and knife arch – if available, but minimum of wands, thorough person search and bag search.
  - Further search as detailed above if patrons exit and re-enter
  - As the party was an invite only event, to provide a list of invited persons
  - To ensure CCTV is working in all areas covering the party just before the event.
2. The PLH had confirmed with WMP that there would be 8 door staff as there would be 150-200 guests attending, that each guest would be searched and wands in place. All drinks would be sold in plastic cups except for VIP guests. They also confirmed that the smoking area was not accessible by anyone as it was fenced and gated off.
3. At 02:59hrs on Sunday 24 March 2019 the WMP were called via link radio to a large disorder at the premises involving 50 plus people, and a possible stabbing. During the disorder one individual was stabbed in the torso in the smoking area of the premises.
4. When WMP arrived at the premises there were only 5 door staff. A search of the smoking area was conducted once everyone had vacated the premises whereby 2 knives were found.
5. The PLH and management were present on the day and did nothing to follow up the WMP additional security measures knowing that it was a high-risk event.
6. These failings could have led to a fatality.
7. WMP recommend suspension of the premises licence pending the outcome of the final review hearing.

The Licensing Sub-Committee have heard from Amrisha Parathalingam, Barrister, representing the Premises Licence Holder that:

1. The security from Eagle Security were at fault for failing to act as they were briefed to do.
2. The PLH accept their failings and proposes the following conditions:
  - A knife arch to be implemented within 7 days.
  - Suspend future events until proposed conditions are applied.
  - Employ a council recommended security firm.
  - ID scanners to be in place within 7 days.

- A security ratio of one SIA to 50 guests. Six SIA minimum per event.
  - Secure the smoking area with a mesh gate within 7 days.
  - An hourly door staff count by the premises.
  - A four-step security procedure at all events: initial pat down, pockets emptied into trays, no liquids over 100ml, knife arch and then final pat down.
  - One female SIA present.
3. The premises have always co-operated with the police.
  4. The premises have operated for two and a half years without incident.
  5. Six security were paid for not eight as WMP had requested due to management oversight.
  6. WMP attended the premises prior to the incident and saw no problems.
  7. The Sub-Committee should consider the premises good history of the premises.

The Act and Home office Guidance state that the tests to determine the kinds of conduct that amount to serious crime are set out in section 81(2) and (3) (a) and (b) of the Regulation of Investigatory Powers Act 2000. These tests include conduct which constitutes an offence for which a person who is 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 years or more; and which involves the use of violence.

The LSC have received the Certificate from the West Midlands Police and they have received confirmation at the hearing today that serious crime and or disorder have occurred on the premises.

The Sub-Committee are satisfied that a serious crime has occurred at the premises.

They are further satisfied that serious disorder has occurred on the premises. Serious disorder is to be given its plain ordinary meaning.

Based upon the evidence presented, consideration has been given as to whether it is necessary to take interim steps pending determination of the review (s53C LA 2003). The LSC are satisfied that interim steps are necessary. In accordance with Section 53B (3) (d) of the Licensing Act 2003, the decision of the Licensing Sub-Committee is to suspend the premises licence pending the full review hearing.
