## 14 **Motion on Notice**

Councillor Phil Bateman moved the following motion:

“The City of Wolverhampton Council was concerned about the ability of the West Midlands Police as it was currently funded to continue to deliver the sort of proper Community and Neighbourhood Policing that keeps our City safe.

We note the Chief Constable's recent comments that the force was very stretched, and that he may not be able to deliver 'neighbourhood policing'.

We therefore request that the Police and Crime Commissioner urgently demand increased funding from Government to meet the needs and requirements of West Midlands Police and the Chief Constable and return confidence in Policing to our City.

We call on the Government to provide the resources that tackles the changing face of crime, protects our residents and their property, delivers better and safer policing, in an age when large Metropolitan conurbations also had to protect themselves from terrorism.”

Councillor Phil Bateman outlined the rationale for the motion. Councillor Daniel Warren seconded the motion.

Resolved:

1. That the motion on neighbourhood policing be agreed.

## 15 **Question to Cabinet Member**

Councillor Udey Singh asked the Cabinet Member for City Environment the following question:

“Can the Cabinet Member inform Council the revenue in fines for bus lane infringements in Wolverhampton for the last three completed financial years?”

Councillor Steve Evans confirmed that for 2014 - 15 no revenue was generated; for 2015 - 16 the income generated was £1,307,432 and in 2016 -17 the income generated was £1,870,629.

Councillor Udey Singh thanked Councillor Steve Evans for his response and asked the following supplementary question:

“Can the Cabinet Member for City Environment advice whether an urgent review would be carried out on the infringement for bus lanes”.

Councillor Steve Evans responded that the Council had been given the discharge responsibility by the police as they were unable to discharge the function. The Council’s responsibility was to enforce the law and that the income generated from bus lane fines was ringfenced to be spent on highways and transportation schemes. He added that several schemes had been part funded from the revenue generated and that the Council made additional contributions towards the schemes.
