

Forward Plan of Key Decisions

Published: 24 January 2016

The Forward Plan

What is the forward plan?

- This document sets out known 'key decisions' that will be taken by the Cabinet or one of the Cabinet Panels (the Executive) over the coming months.
- Forthcoming decisions are published online once they are known but a forward plan document is published monthly.
- The document also demonstrates the Council's commitment to openness and participation in decision making. It assists the Council's Scrutiny Panels in planning their input to policy formulation and development, and in reviewing the work of the Executive.
- A key decision cannot normally be made unless certain details about it are published at least 28 days in advance. The forward plan, together with the information published online, enables the Council to meet this requirement.
- The document must be made available for inspection by the public at the Council offices and/or on the local authority's website. Appropriate notice must also be given, in accordance with legislative requirements, of any meeting at which a key decision is to be taken.
- Where it has not been possible to meet the 28 day rule for publication of notice of a key decision or an intention to meet in private, the relevant notices will be published as required by legislation as soon as possible.

What is a key decision?

- A key decision is an executive decision which is likely:
 - to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates (in Wolverhampton, this is defined as expenditure or savings **in excess of £200,000**), and/or
 - to be significant in terms of its effects on communities living or working in an area comprising **two or more wards** in the area of the local authority.

The forward plan also provides notice of when the Cabinet may decide to exclude the press and public during consideration of a particular matter due to the potential for disclosure of confidential or exempt information. The grounds upon which local authorities can exclude the press and public are specified by law, but these tend to be matters about an individual, commercially sensitive information, consultations or negotiations relating to labour relations, or information in connection with or preventing and detecting crime. The full list of exempt categories is set out below:

1. Information relating to any individual.
2. Information which is likely to reveal the identity of an individual.
3. Information related to the financial or business affairs of a particular person (including the authority holding that information).

4. Information relating to any consultations or negotiations, in connection with any Labour relations matters arising between the authority or a Minister of the Crown and employees of all officeholders under the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Councillors or members of the public may make representations about why a matter should be considered in public. The Leader and Cabinet will publish a response to any such representations and, where applicable, further notice of an intention to discuss the matter in private at least five clear days before the meeting date.

The report relating to a decision, together with any other documents being considered, will be available five clear days before the decision is to be taken (unless the documentation contains exempt information). Copies are available on the Council's website or can be requested from Democratic Support (see below).

Councillors or members of the public wishing to:

- make a representation about why a matter should be heard in public, or
- submit information to the decision-making body about an item in the forward plan, or
- request details of relevant documents, or
- seek advice about the Council's decision-making arrangements,

should contact the Democratic Support team:

Title of key decision:	Libraries Transformation - Decision to Consult on a Ten Year Library Strategy	
Summary:	<p>In order to improve libraries in the City of Wolverhampton and meet our current and future challenges, Cabinet will be asked to consult on a draft ten year strategy.</p> <p>There are three main reasons why we think the library service in the City of Wolverhampton needs to transform:</p> <ol style="list-style-type: none"> 1. Demand for the library service is in decline and we need to promote use while demonstrating value for money. 2. We need to explore new ways of working as our resources are stretched and we struggle to maintain a quality service. 3. We need to meet the future needs of citizens in order to create a vibrant and modern library service for the city, including maximising opportunities in relation to digital technologies. <p>Should Cabinet agree to consult on the draft strategy, this is planned for a 12 week window in February – May 2017.</p> <p>Following consultation, a final library strategy is planned to go to Cabinet for consideration on 19 July 2017.</p>
