Member of Staff at Green Park School

Q2 Do you agree with the proposal to permanently increase the capacity of Green Park School?

No,

Please add any comments in the box below::

The work load capacity is too high for the current number of pupils. My worry is an increase in numbers equates to a higher work load. I currently cant meet the work load within school hours and offer approx. 20 hours plus per week good will and unpaid in order to meet deadlines. I fear that the focus will be more on paperwork rather that pupils and their learning.
