**Subject:** African Village, 179 Stafford Street NOT PROTECTIVELY MARKED

On behalf of Environmental Health Commercial, I would like to make representations on this application on the grounds that insufficient information has been provided on the application to address the licensing objective of the Prevention of Public Nuisance, based on the location of the premises within the Cumulative Impact Zone.

During a meeting at Bilston Street Police Station between the applicant, WPC Lisa Davies and myself on 02 June 2014, the applicant accepted, agreed and signed an amended set of conditions within his operating schedule to promote the licensing objectives.

My current intention would therefore be to withdraw my representations at the meeting of the Licensing Sub-Committee.

Regards,
