Dear All,

West Midlands Police received an new application for 'The Cute Coffee Lounge' Tettenhall, Wolverhampton on 8th May 2014.

Having considered the application, it was noted that the measures the applicant set out in his operating schedule did not fully promote the licensing objective for the prevention of crime and disorder.

As such, we have instigated mediation with the applicant Mr Richard Leo. Following the mediation we have prepared conditions which we would wish to be added to the premise licence we believe these conditions will contribute to the venue operating in a positive manner and assist in the, prevention of crime and disorder, and the protection of children from harm.

If these conditions had not been agreed to by the applicant, Police would have made formal representations under the prevention of crime and disorder licensing objective, however these would be withdrawn.

If the above has not been completed in the correct order police wish to raise representations under the following licensing objectives, The prevention of Crime and Disorder, the prevention of public nuisance and protection of Children from Harm. Given the agreed conditions Police will then remove these objections.

I have attached the signed conditions above for you reference.

We would request these conditions be added to the premise licence, should the Licensing Committee be minded to grant the premise licence.

Kind Regards
