Provider:					MULTIPLE	HOICE	SCORING			
Care H	omes Annual Quality Assurance Self-Assessment		TEXT / DATA			MATRIX		ANALYSIS OF EVIDENCE PROVIDED (if requested)	SCORING MECHANISM	SCORING GUIDANCE
		Good	Adequate	Poor	Fully	Partially	Not	*Calculations are based on initial aswer to QA query.	Columns E to J list scoring according to query type and Provider answer.	
		Response or Fully	Response or Partially	Response or Not	or Good		or Poor	This can be changed if evidence sought has not provided the current evidence.	Populate the number outlined in row 4, correlating to the answer from the Provider in each relevant cell. Text answers will be score allocated	Officers may be require specific evidence and data from Provider to
		Compliant (0 Points)	Compliant (1 Point)	Compliant (2 Points)					based on the Providers answer and the Officers perception of the answer to the question. This could change based on evidence gathered from the	score accurately (i.e., total data for scoring averages and percentages, comparison over previous quarters/years, comparison on 'good' rated
		(U Points)	(1 Point)	(2 Points)	Points)	(1 Point)	(2 Points)		to the question. I his could change based on evidence gathered from the Provider.	Provider data against assessed Provider data).
	Quality Question									
	Business Information Name of Care Home									
2	Name of Parent Company. If not applicable, state N/A. Care First ID (as found on Community Care Order Schedule). If you are not a commissioned provider, please state N/A.								-	
3	Care First ID (as found on Community Care Order Schedule). If you are not a commissioned provider, please state N/A.									
	CQC Registration Service Number (if applicable).									
6	Name of nominated individual. Name of Registered Manager.									
7	Number of registered beds.				-				D = 059' hode filled: 1 = 75 069' filled: 2 top short 749' filled	Increase in bed voids leads to decrease in business viability.
9	Number of beds occupied on date of self-assessment. Number of Council funded placements. If you do not have funded Council beds, please state N/A.				-				0 = 95% beds filled; 1 = 75-94% filled; 2 = less than 74% filled 0 = 0-20% beds occupied: 1 = 21-50% occupied: 2 = 51% or more occupied	Increase in bed voids leads to decrease in business viability. Increase in Council beds leads to increase in liability if there is a provider
	Number of Continuing Healthcare funded beds. If you do not have CHC funded beds, please state N/A.				-				u – u-zu/a ueus uccupiea; 1 = 21-30% accupiea; 2 = 31% or more occupiea	failure.
11	Current CQC rating.									
12	Date of last CQC inspection.				_				0 = Yes; 2 = No	Encouraging transparancy
14	Is the CQC rating displayed within the home for visitors to view. List actions that have come from the last CQC inspection. If not applicable, please state N/A.								0 = no current actions; 2 = actions ongoing	Encouraging transparency. Current actions and rectifications are a risk.
	Are there any improvement actions in place from your quality assurance or management team. If there are no actions required, please state N/A.		1 7						0 = no current actions; 2 = actions ongoing	Current actions and rectifications are a risk.
16	Is your service/business registered with the ICO - Information Commissioner's Officer.									Those not registered are at risk of a fine. This is now a legal business
	Yes No								0 = Yes; 2 = No	requirement.
17	Does your business have Public Liability insurance up to £10m.									
	Yes								D = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Recommended liability amount via Procurement.
	NO Partial									
18	Does your business have Employers Liability insurance up to £5m									
	No Tes								D = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Recommended liability amount via Procurement.
	Partial Does the home display the insurance policies for visitors to view.

Nursin	g or Dual Care Homes Quarterly Quality Assurance Self-Assessment		TEXT / DATA		MULTIPLE CHOICE MATR	SCORING IX	ANALYSIS OF EVIDENCE PROVIDED (if requested)	SCORING MECHANISM	SCORING GUIDANCE
		Good Response or Fully Compliant (0 Points)	Adequate Response or Partially Compliant (1 Point)	Poor Response or Not Compliant (2 Points)	Fully Partia Compliant Complion or Good or Response (0 Adeque Points) Response (1 Points)	ant Compliant or Poor ate Response use (2 Points)	the current evidence.	Columb to 1 list scoring according to query type and Provider answer. Populate the number outlined in row 4, correlating to the answer from the Provider in each relevant cell. Test answers will be sore allocated based on the Providers answer and the Officers perception of the answer to the question. This could change based on evidence gathered from the Provider.	Officers may be require specific evidence and data from Provider to score
No.	Quality Question				,	.,			
1	Business Information Name of Care Home.								
3	Name of Parent Company. If not applicable, state N/A. Care First ID (as found on Community Care Order Schedule). If you are not a commissioned provider, please state N/A.								
- 4 - 5	CQC Registration Service Number. Name of nominated individual.								
6	Name of Registered Manager.								
7	Number of registered beds.		T		1				
9	Number of beds currently occupied. Number of Council funded placements. If you do not have funded Council beds, please state N/A.							0 = 95% beds filled; 1 = 75-94% filled; 2 = less than 74% filled 0 = 0-20% beds occupied; 1 = 21-50% occupied; 2 = 51% or more occupied	Increase in bed voids leads to decrease in business viability. Increase in Council beds leads to increase in funding liability if there is a provider failure.
10	Number of Continuing Healthcare beds.								
11	Number of Self-funder beds. Safeguarding							0 = 49% or more; 1 = 21-50%; 2 = 0-20% funded	Decrease in Council funding liability.
12	Singuization: Does your service analyse safeguarding issues, trends and themes and take steps to prevent further instances through "lessons learned" and "in-house action plans" (separate from any "mutually-agreed" or imposed suspension with CWC).							0 = Good; 1 = Adequate; 2 = Poor	Analysis of trends and recitifications ensures likelihood of quality assurance compliance.
	How are lessons learnt from safeguarding investigations shared with staff.							0 = Good; 1 = Adequate; 2 = Poor	It is pertinent to ensure lessons learnt are shared with staff to improve quality.
14 15	How is the process of 'duty of candour' followed in the home and can this be evidenced if asked. Are staff able to articulate or demonstrate know how to report safeguarding concerns to the Local Authority.							0 = Good; 1 = Adequate; 2 = Poor	Proves transparency with service users and lessons learnt. All staff should be aware of what a safeguarding issue is and how to report to the
15	Are starrante to anuculate or demonstrate know now to report safeguarding concerns to the Local Authority. Health & Safety							0 = Good; 1 = Adequate; 2 = Poor	An start should be aware or what a saleguarding issue is and now to report to the Council.
16	Is there an appropriate Personal Emergency Evacuation Plan (PEEP) for current residents. Yes No Partial							0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	PEEP plans should be updated when new residents are admitted, during hospital admissions and changes to accommodation structure and teams.
17	Do you perform fire evacuation drills and training to reflect changes in circumstances. Yes No Partial							D = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Fill evacution drills and training are required to reflect any changes within the home structure, team or service users as and when required as a safety component.
18	How often does the drills and training occur.							0 = Good; 1 = Adequate; 2 = Poor	Regular drills and training are required. Recommend at least quarterly.
19	Is there an arrangement in place to ensure fixed and moveable equipment is adequately maintained. Yes No							0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All equipment must be maintaned and fixed according to maintenance schedule and recorded.
20	Partial Is there an equipment maintenance schedule with checks completed on premises (i.e. PAT, LOLER, etc). Yes No Partial							0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	There should be a maintenance schedule and checks on premises. If held within the business HQ, the Managers must have immediate access to this and are able to provide to commissioners when requested.
21	Leadership & Staffing Leadership & Staffing Is there a permanent CQC Registered Manager in place. Yes No							0 = Yes (Fully); 2 = No (Not Compliant)	Providers are required to have a permanent CQC registered manager in place or in the process of recruitment.
22	If "yet 'Now long. Choose 'Not applicable' if you answer 'No' to question 21. fromths of less nomths 13 to 24 months 2 plus years Not applicable							0 = Not applicable, 2 years plus (Fully); 1 = 13 to 24 months (Partially); 2 = 6 months or less (Not Compliant)	The premise is that the longer a registered manager is in their role, the better led the service in regards to quality, delivery and maintenance.
23	If 'No' to question 21, how long have you been recruiting for this post. If 'Yes' to question 21, choose 'Not applicable'. 3 months or less 4 to 6 months 7 to 12 months More than a year Not applicable							0 = Not applicable (Fully); 1 = 0 to 6 months (Partially) 2 = 7 months to more than a year (Non Compliant);	The longer it takes to recruit for a registered manager, the likelihood of reputational issues, low salary, staffing instability and business viability.
24	Does you Registered Manager have management qualifications (i.e., Level 5, management diploma, degree or work superionice equivalent, etc). Yes No Partial							0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	It is encouraged that a registered manager has a management qualification or health and social care qualification or relevant work experience in a similar service for a significant period of time (3 years plus is encouraged).
25	Does your Deputy Manager have management qualifications (i.e., Level 5, management diploma, degree or work experience equivalent, etc). Yes No Partial							0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	This is not essential but encouraged that the deputy also has a management or health and social care qualification or several years work experience in a similar service.
26	What is the care staffing ratio per residents. Please list per service type (i.e. complex, dementia, etc). List for day, afternoon and night shift.							0 = Good; 1 = Adequate; 2 = Poor	Providers must deploy sufficient numbers of suitably qualified, competent, skilled and experienced staff for make sure that they can meet people's care and treatment needs and therefore meet the requirements of Section 2 of these regulations (the fundamental standards). There is no set matrix for this, so providers and commissioners must discuss what is adequate per service are and needs of the SU. https://www.oc.gr.oru/kipidarder-providers/regulation/18-14ffing
27	Does the home utilise a dependency tool for staffing, which tool and how frequently is this reviewed.							0 = Good; 1 = Adequate; 2 = Poor	It is recommended that homes each have a tool to ascertian staffing level or a
20	List all current vacancies and roles.							0 = Good; 1 = Adequate; 2 = Poor 0 = Good: 1 = Adequate: 2 = Poor	matrix. The higher the vacancies and the need for agency staff, the more risk.
29	What is your agency staffing percentage in relation to overall roles across the service on average, for the last 12- months. 70% agency staff 1 to 10% agency staff 1 to 10% agency staff			I				0 = 0.000; 1 = Acequate; 2 = 7001 0 = 1 to 10% (Fully); 1 = 11 to 30% (Partially); 2 = 31 to 50%, 51% plus agency staff (Not Complant)	The higher the vacancies and the need for agency staff, the more risk. The higher the vacancies and the need for agency staff, the more risk.
30	31 to 50% agency staff 53% bigs agency staff 53% bigs agency staff 14we all cares staff completed a 'Care Certificate' as part of their induction training. Skills for Care. Care certificate. Available at: https://www.skillsforcare.org.uk/Developing-your-workforce/Care-Certificate/Care-Certificate.aspx Yes No Partial							0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compilant)	It is recommended that homes have at least the 5 day Skills for Care certificate as part of their induction training or an in-house training programme that is similar.

		-			
31	Is management and care staff having monthly supervisions. Yes No Partial			D = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Supervisions whether individually or by groups is pertinent for staff continual professional development.
32	Do supervisions provide the opportunity for care staff to have one-to-one conversations with their line manager. Yes No			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	One-to-one supervisions are recommended, however, this may not be possible with larger and busy teams.
33	Partial Are supervision records signed off by both the supervisor and supervisee. Yes No			0 = Yes (Fully); 2 = No (Not Compliant)	This is required to ensure transparency and for future appraisals.
34	Does actions take place when identified in supervisions. Yes No			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Any actions from supervisions, should be followed through, monitored and recorded.
	Partial				
	What is your currently agency ratio against permanent staff. 1-10% 1-10% 21-35% 36-50%			0 = 1 - 10% (Fully); 1 = 11 - 20% (Partially); 2 = 21 - 35%, 36 - 50%, 50% plus (Not Compliant)	The higher the ratio of agency staff, the more risk to teams in capturing quality issues, recording and understanding processes.
36	50% plus How many permanent staff left in the last quarter. List the roles. If not applicable, please state N/A.			0 = Good; 1 = Adequate; 2 = Poor	Where there is high levels of staff leaving, could be a symptom of service issues and quality risks.
27	Recruitment Are your nurses registered with a membership of any professional body in their file, i.e., NMC.			0 = Good: 2 = Poor	Registered nurses are recommend to be affiliated to a professional body.
	Is there evidence on file of staff qualifications.		5	0 - 0000, 2 - 1 001	
	Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All staff qualifications should be provided and kept on file, particularly management and registered nurses.
39	Has those staff with foreign passports been checked with confirmed evidence on file for 'right to work' in the UK. Yes No			D = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Staff who are not British, must prove eligibility to work in the UK and must be kept on file.
40	Partial How many International recruits do you currently employ - numerical response required - this should be a "people"				+
	count" rather than whole time equivalent. Differentiate between the 3 main role types - "care worker", "non-care worker" and "Registered Nurse". Medication				
41	Are risk assessments put in place where people self-administer their medication.				All service users that self-administer their medication, should be risk assessed and
	Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All service users that self-administer their medication, should be risk assessed and monitored that they are taking them during each shift.
42	Is medication stored securely. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All medications must be stored securely in a medications room or refrigerator (if required).
43	Is there person identifiable information on the MAR sheet.				
	Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All service users information should be clear and concise on each MAR sheet.
44	Does the MAR sheet give adequate explanation if or when medication has not been given. This should include appropriate use of the key or coding. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All information regarding medication administration or not, should be provided clearly and concisely on each MAR sheet.
45	Are MAR sheet clear to read. Yes No Partial			D = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	MAR sheet information should be easily able to read for each staff member and shift change.
46	Are handwritten additions on the MAR sheets checked and counter signed. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Any changes and additions for MAR sheets should be audited regularly during a shift or auditing schedule. If it's a controlled drug, this will need to be signed off by a registered nurse or Dr.
47	Does the MAR sheet adequately provide instruction on how prescriptions should be administered. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Medication instructions must follow GP or Nurse Practitioner guidance and must be listed on the service user's MAR sheet.
	Where applicable, are PRN (when required) protocols in place, sufficiently detailed and the reason for each PRN administration clearly documented. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Pro re nata' indicates authorising nurses to administer medications according to Patient's requests and nurses discretion. This is unscheduled medication administration bether alone or in addition to routine/grealur prescriptions. A protocol and process should be available in each home and for commissioners to review.
49	If medication dosage is variable, is the dosage recorded. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All medication guidance and administering should be recorded on a MAR sheet as well as the service users medication summary.
50	Are regular medication fridge temperature checks carried out and are they within guidelines. Is there a clear checklist schedule for the fridge/s. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Each home should have a refrigeration checklist schedule, monitored by staff and recorded to ensure accuracy depending on medications that are kept in cooler settings.
51	Are regular medication room temperature checks carried out and are they within guidelines. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Each medication room temperature should be checked and follow guidelines stipulated for the medication kept in cooler settings.
52	is there a protocol in place should the medication room or fridge temperature not be within acceptable ranges. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	A protocol and process must be available to staff when there is an issue with temperature ranges that could effect the medications efficacy.
53	is there a process to ensure prescriptions are up to date and reviewed as needs/conditions change. Yes No			0 = Yes (Fully); 2 = No (Not Compliant)	There should be a process and schedule to ensure medications are stocked adequately or when there are changes of need/condition there is adequate time to inform the GP Surgery to update prescription and access from pharmacy.
54	Is excess medication stock disposed of correctly. Yes No			0 = Yes (Fully); 2 = No (Not Compliant)	All excess medication stock must be disposed of correctly as per the home's medication policy.
	Is there a system or process in place to manage medication stock control. Yes No			0 = Yes (Fully); 2 = No (Not Compliant)	Each home should have a medication stock control matrix or schedule and this should be monitored regularly, with a pill count after each shift and allocated audit schedule.
56	If covert medication is being given, is there relevant medical professional input in the decision-making process and consideration to DoLS.			0 = Yec (Fully): 2 = No (Not Compliant)	Each home should have a covert medication policy or it should be included in their medication nolicy. This should be suided by the affiliated surgery to the home and

1	Yes			U = 105 (runy), 2 = 100 (NOC COMPRISIN)	included in their MCA/DoLS assessment.
57	is there adequate provision for the prescribing, dispensing or administration of medication. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	There should be an affiliated GP surgery for each home or service users with easy access to a pharmacy to collect or deliver medications and staff on duty to administer during each shift.
58	Is the date of opening recorded on medication where appropriate. Yes No			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Medications stored and administered must be in-date and recorded on a medication schedule.
59	Partial Number of medication errors in the last quarter.			0 = Good; 1 = Adequate; 2 = Poor	Medication errors should be kept at a minimum and listed for lessons learnt. See NICE guidelines for managing medicines in care homes - https://nice.org.uk/guidance/sc1
60	Number of medication errors leading to a serious incident in the last quarter.			D = Good; 1 = Adequate; 2 = Poor	Serious incidences from medication errors must be recorded and should be considered whether this is a safeguarding event.
61	Accidents & Incidences Are accidents/incidents documented appropriately. Yes No Partal			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All accidents and incidents must be documented for staff to review and learn lessons from.
	Do records clearly state actions taken and preventative action to be taken to avoid further occurrences. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Actions and lessons learned is a preventative measure.
63	Have incidences been referred/reported as necessary - i.e., relative. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Any accidents and incidences must be notified to the service users next of kin or representative and a recording of doing this.
64	Is the duty of candour process followed. Yes No			0 = Yes (Fully); 2 = No (Not Compliant)	The should be a 'duty of candour' process that is followed by staff.
65	Does the Provider assess any trends and do they develop action plans where required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Action plans and trends should be carried out and recorded when things go wrong to ensure credibility and accountability.
66	Training Does the service offer continuous staff development and mentoring.				
00	Does are service oner commissions scan development and mentioning. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Continued professional development and mentoring should be carried out by senior staff to junior staff or new starters to enable good quality practice.
67	Partial Is manual handling training offered to all new care staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Every home must provide manual handling training as part of their induction training and refresher training every year or when new equipment is mobilised inhouse or an external provider.
68	Does the manual handling training include single care equipment. Yes			D = Yes (Fully); 2 = No (Not Compliant)	Though single care equipment is not manditory, it is recommended when there is capacity issues. Single care equipment is being implemented across various LA's across the country.
69	NO Is medication training offered to all new care staff and refreshers offered when required. Yes No			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered a mediation training course during induction, access to the medication policy and covert medication policy and provide at least an annual refresher course.
70	Partial safeguarding training offered to all new staff and refreshers offered when required. Yes No			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered a safeguarding training course during induction, access to the council's safeguarding policy and provide at least an annual refresher course.
71	Partial is there regular mental capacity act and DoLS training for all staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered an MCA/DoLS course during induction, access to the council's MCA/DoLS policy and provide at least an annual refresher course.
72	Separation training offered (appropriate to the service) to all new care staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered specialist training during induction and provide at least an annual refresher course.
73	is behaviours that challenge training offered to all new care staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered 'behaviours that are challenging' during induction and provide at least an annual refresher course.
74	Is nutritional screening training offered to all new care staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered nutritional screening training during induction and provide at least an annual refresher course.
75	is pressure care training offered to all new care staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered pressure care training during induction and provide at least an annual refresher course.
76	is infection prevention and control offered to all new care staff and refreshers offered when required. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	All new care staff must be offered infection prevention and control training during induction and provide at least an annual refresher course.
77	Food & Nutrition Is a choice of menu available to individuals.				
"	is a tribute or menu available to individuals. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Service users should be offered a choice of food at meal time and take into consideration, service users preferred choices, meat and vegetarian options.
78	Partial if there is a menu, is it available in different formats - i.e., pictural, written. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	A pictural menu and a written menu should be offered for those with a learning disability, aquired brain injury, dementia, etc.
79	Are individual's special dietary needs catered for: Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Special dietary needs should be catered for according to their nutrition screening, any medical condition, religious requirement, etc.
80	is the information regarding specialist diet or IDDSI requirements available for staff. Yes No Partial			0 = Yes (Fully); 1 = Partial (Partially); 2 = No (Not Compliant)	Specialist dietary or IDDSI (food textures and drink thickness for those with dysphagia) requirements must be available to all care staff and kitchen staff based on assessed need.
81	Where are thickeners stored in the home.			0 = Good; 1 = Adequate; 2 = Poor	Best practice is to store resident's labelled container of thickener safely and securely, in a similar manner to medicines.
	Where monitoring is required, are individuals at risk of choking regularly assessed during meal times. Yes			0 = Yes (Fully): 1 = Partial (Partially): 2 = No (Not Compliant)	Individualised risk assessment and care planning is required to ensure that vulnerable people are identified and protected and should be clearly documented
