Recommendation(s) for action or decision:

The Special Advisory Group and Standards Committee are recommended to:

Approve the draft corporate roles and responsibilities for safeguarding adults at risk **[Appendix 1]** and its inclusion in the Council's Constitution, subject to the approval of Council.

1.0 Purpose

- 1.1 To seek the endorsement of the inclusion of the corporate roles and responsibilities for safeguarding adults at risk within the Council's Constitution.

2.0 Background

- 2.1 The Safeguarding Adults at Risk summary of corporate roles and responsibilities **[Appendix.1]** is a by-product of the Adult Safeguarding Peer Review Action Plan, developed directly in response to the recommendations of the Adult Safeguarding Peer Review conducted by the Local Government Association (LGA) in September 2013.
- 2.2 One of the eight thematic areas of the Peer Review focused specifically on 'Leadership'. Detailed below are the key headline findings, which have governed the development of this document:

LEADERSHIP

Strengths

- *Cabinet Member is seen as a credible leader and valued for his active direct engagement with service users and carers*
- *There is visible leadership from the Director of Adult Social Services on Adult Safeguarding*
- *The Chair of the Wolverhampton Safeguarding Adults Board and Local Safeguarding Children's Board has provided strong leadership for partnership working*
- *Clinical Commissioning Group are exemplary in getting General Practitioners engagement in adult safeguarding*

Areas for Consideration

- *There is a need for development in members awareness, understanding and ownership of adult safeguarding*
- *Review the political governance and scrutiny arrangements for adult safeguarding*
- *Ensure adult safeguarding is owned corporately*
- *Ensure all adult safeguarding leads in the health community are known to each other*

- 2.3 The attached document sets out to provide a wider definition to the roles and responsibilities of individual Councillors and strategic employees within the Council, in terms of their specific duty to safeguarding adults. It is proposed that this document should sit within the Council's Constitution and underpin the Council's commitment to the safeguarding of its adults.

3.0 Progress, options, discussion, etc.

- 3.1 The summary roles and responsibilities were considered by the Leader of the Council, Lead Member, Chief Executive and Community Director at their first quarterly adult

safeguarding challenge meeting in March 2014 and subsequently by the Strategic Executive Board (SEB).

4.2 Both of the above groups agreed that the draft roles and responsibilities be adopted for inclusion within the Council's Constitution and that these proposals be progressed through the following Groups before being presented to Full Council for adoption on the 16 July 2014:

- Constitution Review Group
- Special Advisory Group
- Standards Committee
