Dear Miss Till

**Application for a Review of a Premises Licence under Licensing Act 2003
Pegasus Public House, Jackson Street, Whitmore Reans, Wolverhampton WV6 0QQ**

I write on behalf of the Licensing Authority as a responsible authority. I write in support of the above review application made by Chief Constable of West Midlands Police. Representations are made against the crime and disorder and public safety licensing objectives and the failure of the current management of the premises to promote these licensing objectives.

The premises licence holder, Balbinder Singh Gill who is also the designated premises supervisor and the management of the premises have not demonstrated they are operating in accordance with their premises licence and therefore are not promoting the licensing objectives of crime and disorder and public safety.

The issues raised by the Police relate to a shooting incident that took place on 27 May 2016 on the car park of the premises when public safety was compromised. The designated premises supervisor Balbinder Singh Gill, was present on the evening and has stated he has no knowledge of the incident. This raises great concerns over his competence to uphold the licensing objective of the prevention of crime and disorder and to ensure public safety at his venue.

If Councillors are satisfied that illegal activities have taken place at the premises and are in breach of promoting the licensing objectives, the Licensing Authority would request the Licensing Sub-Committee ensure these issues are addressed by considering modification of the current premises licence in accordance with Section 52 of The Licensing Act 2003 and guidance issued by the Secretary of State under 182 of the Act together with City of Wolverhampton Council's Statement of Licensing Policy.

Councillors may conclude from the evidence given within the review application and at the hearing in order to promote the licensing objectives it is necessary to modify the premises licence or remove the designated premises supervisor due to the serious nature of the incident that occurred at the premises.

The Licensing Authority fully supports the review application brought by the West Midlands Police and concludes the above issues should be resolved in order to promote the licensing objectives of crime and disorder and public safety.

I shall be in attendance at the hearing should Councillors have any questions or require any further assistance.

Yours sincerely
