Dear Anita

Application for a premises licence: Shell Triton, 95 Tettenhall Road, Wolverhampton, WV3 9NQ

Thankyou for your email dated 03/04/2017 in reference to the above premises' application to sell and supply alcohol.

On behalf of Public Health I would like to make representation under the licensing objectives of:

- The prevention of crime and disorder
- The prevention of public nuisance

I understand West Midlands Police are in liaison with the applicant. I have viewed the conditions put forward by West Midlands Police, which if met would alleviate some of my concerns.

However, I would like to point out the proposed premises is located very near to Solace, which provides specialist supported housing for individuals who have experienced homelessness and in most cases are tackling alcoholism. The availability of alcohol at such close proximity and for the hours proposed is cause for concern.

I will endeavour to liaise with Solace to elicit their views ahead of committee hearing.

Thankyou
