PROTECT

Hi Donna

For your records, I have liaised with the applicant and they have agreed to the following conditions, should a licence be granted:

1. Sale of alcohol to commence no earlier than 10am
2. Prohibition on selling single cans
3. Prohibition on selling beer and cider over the strength of 6.5% abv
4. CCTV coverage, with a minimum storage of 21 days
5. Adoption of think 25 policy
6. Refusal log for any attempted under sale purchases

Please see attached email with their confirmation of the above. Should a licence be granted I would be grateful if the conditions are reflected within their licence paperwork. Please let me know if you require anything further from me. Thanks

Thankyou
