**Subject:** OBJECTION TO APPLICATION FOR PREMISES VARIATION

Dear Anita,

I would like to register my objection to the extension of hours for sale/supply of alcohol, opening hours and addition of late night refreshment at Superstop, 25 Market Street, City Centre, WV1 3AE. I object on the grounds that I feel it would impact on my lifestyle as a long-standing local resident in Princess Alley, which is off the adjoining pedestrianized area on Princess Street.

The provision of alcohol during these extended hours could lead to further intolerable anti-social behaviour in said pedestrianized area where the seating already encourages certain undesirable elements within the city. Although we fought for and have gates on our alley, the daytime nuisance risks being extended with further opening hours at Superstop.

When hearing this application, please consider my concerns,

Kindest regards,
