Recommendations for decision:

Cabinet is recommended to:

1. Endorse the content of the Wolverhampton Safeguarding Adult (WSAB) Annual Report.
2. Endorse the content of the Wolverhampton Safeguarding Children Board (WSCB) Annual Report.

1.0 Purpose

- 1.1 The Independent Chair of the Local Adult and Children Safeguarding Boards is required to publish an annual report, which should provide a rigorous and transparent assessment of the performance and effectiveness of local services in safeguarding children and adults (with care and support needs); and promoting the welfare of children and wellbeing of adults.
- 1.2 Working Together 2015 outlines a number of forums to which the Local Safeguarding Children Board must present their annual report; one of which is the Health and Wellbeing Board. Although there is no statutory responsibility for the Safeguarding Adults Board to present to the Health and Wellbeing Board Wolverhampton has recognised that best practice is to share the Annual report to ensure clarity regarding safeguarding activity, outcomes and responsibilities across the piste.

2.0 Background

- 2.1 The Wolverhampton Safeguarding Children Board (WSCB) and Wolverhampton Safeguarding Adults Board (WSAB) are statutory bodies set up in accordance with the Children Act 2004, and Care Act 2015, respectively. The Boards are a partnership of enthusiastic members, dedicated to the improvement of practice and services that safeguard children and adults in Wolverhampton.
- 2.2 They work closely with other strategic boards including the Health and Wellbeing Board, and the Safer Wolverhampton Partnership.
- 2.3 The Annual Reports are a summary of WSCB work during 2016-17.

In line with statutory guidance in Working Together 2015, it will be submitted to the Managing Director of the Council, the Leader of the Council, the local Police and Crime Commissioner and the Chair of the Health and Wellbeing Board.
- 2.5 Overall, the WSCB believes that arrangements for safeguarding children in Wolverhampton during this period were effective; that there is a strong commitment to safeguarding children across the Wolverhampton partnership; and that frontline practice continues to improve.

In reaching this conclusion, we have:

- Acknowledged the findings of the Ofsted Inspection of services for children in need of help and protection, children looked after and care leavers and the Review of the
