Appendix C

Updated June Savings Proposals

Description of Saving	Directorate	Comments
Adult Services		
Promoting Independence - Mental Health (Resettlement from Long Term Care into Independent Living)	Community	The panel agreed with the proposal and made no comments.
Promoting Independence - Mental Health (Transition)	Community	The panel agreed with the proposal and made no comments.
Promoting Independence - Mental Health (High Cost Residential Placements)	Community	The panel agreed with the proposal and made no comments.
Health and Wellbeing		
Improving health outcomes across the wider determinants of health	Community	It was clarified that this was not a reduction in service delivery. The Council would make a saving because the individual projects would be funded through the ring-fenced public health budget. The panel agreed this proposal in full.
