The local weights and measures authority has "responsible authority" status under the Licensing Act 2003 by virtue of the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.

On the 5<sup>th</sup> October 2017, City of Wolverhampton Council Trading Standards received information that illicit cigarettes and tobacco were being sold from the premises on the corner of Lime Street and Ashland Street, Penn Fields, Wolverhampton. It was claimed that a chute (a sloping channel or slide for conveying things to a lower level), or hatch, had been made from the flat above the shop to underneath the counter within the shop. If a customer wished to purchase illegal cigarettes or tobacco, the order was radioed to someone in the flat above. This person then either came down to the shop or the tobacco product was lowered down this chute landing on a shelf underneath the counter. This premises was later identified as Lime Street Continental, previously known as Zinars Off Licence and Convenience Store or Zina's Supermarket, 130 Lime Street, Penn Fields, Wolverhampton WV3 0EX. rmarket.

On the 6<sup>th</sup> October 2017, officers from Trading Standards visited the premises with a tobacco search dog. One packet of 20 foreign labelled Benson & Hedges cigarettes were found on the counter in the shop. The exit opening of the chute was discovered under the counter. Officers and the police went to the back of the premises and a man later identified as Barakat KHALID was seen trying to jump out of an upstairs window with a bag. he then went back into the flat. Officers knocked on the side door that led to the flat. There was no answer. Upon looking through the letter box, boxes of shop stock could be seen in the hallway behind the door. Eventually this door was opened by an occupant of the flat. The tobacco search dog subsequently discovered

a bag of 1020 illegal cigarettes (sticks) of various brands and 650 g hand rolling tobacco in the living room. The products had a mixture of English and foreign health warnings in old style packaging that had been prohibited since May 2017.

English Mayfair and Marlboro Gold cigarettes marked as duty free only, were discovered. The tobacco products were suspected of being counterfeit, in breach of the Consumer Protection Act 1987 or non duty paid and were subsequently seized.

A traders notice was left with the owner and premises licence holder of the store Mr Alan SURCHE who turned up at the premises during the inspection. The sales assistant in the shop was eventually identified as Barakat Sirwan KHALID. Mr SURCHE said Mr KHALID was training to do the job only. Mr KHALID lived above the shop with other tenants. Mr SURCHE and Mr KHALID were advised during the inspection that it was a criminal offence to possess, supply or sell counterfeit products or illicit tobacco products where those goods are marked as duty free or where UK duty has not been paid on those goods.

The seized goods included a number of cigarette brands known as 'foreign cheap whites', e.g. NZ Gold and Minsk which are foreign brands brought into the UK illegally, specifically to be sold on the black market.

To knowingly keep or allow to be kept on relevant premises, goods such as cigarettes, which have been imported without payment of duty or which had otherwise been unlawfully imported is a criminal offence as per section 144 (1) and (3) of the Licensing Act 2003.

Trading Standards has "responsible authority" status under the Licensing Act 2003. Lime Street Continental, 130 Lime Street, Wolverhampton has engaged in activities which have breached a licensing objective namely the prevention of crime and disorder. The Home Office publishes guidance under section 182 of the 2003 Act and at 11.27 that guidance advises that the sale of contraband or counterfeit tobacco is activity that should be considered "particularly seriously." The guidance goes on to state that:

"Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that suspension or revocation of the licence – even in the first instance should be seriously considered."

Additionally the sale of illicit tobacco:

- contributes to the shadow economy
- undermines the City's public health activity which aims to deter residents from smoking especially young people
- drives down the cost of tobacco thereby counteracting Central Government's attempts to use price as a disincentive.

The local weights and measures authority has "responsible authority" status under the Licensing Act 2003 by virtue of the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005.

On the 12 February 2016, City of Wolverhampton Council Trading Standards received information that illicit cigarettes and tobacco were being sold from the premises on the corner of Lime Street and Ashland Street, Penn Fields, Wolverhampton. This premises was later identified as Zinars Off Licence and Convenience Store, 130 Lime Street, Penn Fields, Wolverhampton WV3 0EX. The Premises Licence refers to the premises as Zina's Supermarket.

On the 25 February 2016, officers from Trading Standards visited the premises with a Tobacco search dog and a trade mark representative from Imperial Tobacco. On this occasion 8193 cigarette sticks, 1.65 kilogrammes of hand rolling tobacco and 132 packets of foreign labeled blunts (a cigarette/cigar paper made of tobacco and intended to be filled with loose tobacco) were discovered behind the counter and in the hallway leading to upstairs accommodation above the shop. The tobacco products were suspected of being counterfeit or non duty paid and were subsequently seized.

A traders notice was left with the owner and premises licence holder of the store Mr Naji Sadeq who was present during the inspection. He was accompanied by another man who identified himself as Akram Barkat, both men lived above the shop. Mr Sadeq and Mr Barkat were advised during the inspection that it was a criminal offence to possess, supply or sell counterfeit products or illicit tobacco products where those goods are marked as duty free or where UK duty has not been paid on those goods.

The seized goods included a number of cigarettes known as 'foreign cheap whites', e.g. Minsk, NZ and Jin Ling which are foreign brands brought into the UK illegally specifically to be sold on the black market. English branded tobacco products that bore foreign warnings and labelling were also seized as well as known English brands.

It was subsequently confirmed that amongst the seized products from Zinars, cigarettes branded as Richmond, Regal and Mayfair and pouch tobacco labelled Amber Leaf were counterfeit. Their possession, custody or control give rise to criminal offences under section 92 of the Trade Marks Act 1994.

It was also confirmed cigarettes bearing the brands Benson & Hedges Silver and Benson & Hedges Silver Slide were only intended for the Slovakian Domestic Market not the United Kingdom. The value of the goods if legitimate and purchased in the UK would have a value of approximately £4,555.81p.

To knowingly keep or allow to be kept on relevant premises, goods such as cigarettes, which have been imported without payment of duty or which had otherwise been unlawfully imported is a criminal offence as per section 144 (1) and (3) of the Licensing Act 2003.

On 12 September 2016, a follow up visit was made to Zinars Off- Licence and Convenience Store by officers from Trading Standards, a trade mark representative and a tobacco search dog. The loan sales assistant present gave his name as Ali Ismail but he was recognised as Akram Barkat from the visit on the 25 February 2016. The tobacco dog discovered tobacco and cigarettes hidden in a concealed area in the wall behind the counter. More cigarettes and handrolling tobacco were discovered hidden inside a light fitting in the ceiling of the toilet.

3164 cigarette sticks; 0.750 grammes of handrolling tobacco and 33 packets of tobacco blunts were seized. A traders notice was given to Mr Ismail to pass to Mr Sadeq.

Upon examination the products were identified as a mixture of English known brands and "foreign cheap whites". The trade mark representative indicated that seized Richmond and Mayfair cigarettes were counterfeit.

Seized Marlboro Gold cigarettes were confirmed by Codentify as a mixture of genuine products intended for the Polish market and counterfeit products. Codentify is a coding system which the tobacco industry has developed as a way to verify the authenticity of a packet of cigarettes and whether they are genuine product or counterfeit. The value of the tobacco products if legitimately purchased in the UK would be valued at £1781.40.

CITY OF  
WOLVERHAMPTON  
COUNCIL

LICENSING SUB-COMMITTEE

21 FEBRUARY 2017

**DECISION NOTICE – APPLICATION FOR A REVIEW OF A PREMISES LICENCE**

Date: 21 February 2017

An application was made by the City of Wolverhampton Council Trading Standards on 1 December 2016 for a review of the Premises Licence in respect of Zina Supermarket, 130 Lime Street, Pennfields, Wolverhampton WV3 0EX on the grounds of the prevention of the crime and disorder licensing objective. Representations were also received from the Licensing Authority.

The Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) at the time of the application was Mr Naji Sadeq, who had been in position since 7 August 2014. Both the PLH and DPS roles were transferred to Mr Rajeev Kumar Sharma, the owner of the supermarket, on 22 December 2016. Mr Sharma had previously been the DPS for the premises in 2012.

The review was originally scheduled to be heard on 18 January 2017 but was adjourned to 21 February 2017 as Mr Sharma would be unable to attend as he would be abroad on that date. Mr Sharma was advised of the rescheduled date via email, as he had requested, on 19 January 2017, by post on 26 January 2017 following his return to the country, then again on 7 February 2017 both by post and by email. Upon opening the Hearing the Sub-Committee resolved to adjourn to allow the Democratic Services Officer to call Mr Sharma to enquire as to whether or not he would be attending. The call was not answered so an answerphone message was left. The Sub-Committee then resolved to consider the application in Mr Sharma's absence.

In accordance with the revised guidance dated March 2015, specifically at 11.27 and 11.28, under s182 of the Licensing Act 2003, premises that have been used for the criminal activity of sale or storage of smuggled tobacco should be treated particularly seriously, and where reviews arise and it is determined that the prevention of crime and disorder licensing objective is being undermined through the premises being used to further crimes, it is expected that revocation of the premises licence should be seriously considered, even in the first instance.

The Licensing Sub-Committee listened very carefully to all written representations made and verbal representations made by Trading Standards at the Hearing. It considered all the evidence presented and found the following facts:

- Following an unannounced visit on 25 February 2016, Trading Standards Officers accompanied by a trade mark representative from Imperial Tobacco and a tobacco search dog, discovered 8193 single cigarette sticks, 1.65kg of

hand rolling tobacco and 132 packets of foreign labelled blunts behind the counter, in the hallway leading to upstairs accommodation above the shop and in a storage room;

- These included counterfeit and non duty paid goods;
- Present on the premises were Mr Najj Sadeq, then Premises Licence Holder and Designated Premises Supervisor, and Mr Akram Barkat. Following discussions in relation to the goods found, a trade notice was given to Mr Sadeq;
- On 12 September 2016, a follow-up visit made by Trading Standards Officers accompanied by a trade mark representative and a tobacco search dog, found cigarettes hidden in a concealed area in the wall behind the counter and more cigarettes and hand-rolling tobacco hidden inside a light fitting in the ceiling of the toilet. In all, 3164 cigarette sticks, 0.750g of handrolling tobacco and 33 packets of tobacco blunts were seized;
- Products were identified as a mixture of genuine and counterfeit English known brands and non duty paid goods;
- Mr Barkat only was present during this visit. A trade notice was left for him to provide Mr Sadeq;
- Despite the PLH and DPS having been transferred from Mr Sadeq to Mr Sharma, both individuals have been and are still heavily involved in the running of the premises

The aforementioned show a gross mismanagement of the premises, a blatant disregard for the premises licence conditions and undermining of the prevention of crime and disorder objective.

Based on the above and having regard to the application and relevant representations made, the Sub-Committee have decided to REVOKE the Licence.

This action is considered appropriate and proportionate action for the promotion of the prevention of crime and disorder licensing objective.

An appeal may be made to the Magistrates' Court against the decision by the holder of the Premises Licence or any other person who made a relevant representation, within 21 days from the date of receipt of written notice of this decision.
