Dear Prabhjot,

I write on behalf of the Licensing Authority as a Responsible Authority to submit formal representations to the above application for a premises licence. As there is insufficient information within the operating schedule to show how they will address all 4 licensing objectives.

The Licensing Authority has concerns regarding the applicant/proposed DPS and their overall understanding of the Licensing Objectives.

As the premises under its current management is being investigated by trading standards. Following a large quantity of alcohol being seized from the premises. The management of the premises have allowed the sale/supply of alcohol off the premises without a current premises licence.
