Identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.

The use of Door security will be used, for the first 2 weeks, this will be 7 days a week. Following this period SIA door staff will be used on a Friday & Saturday evenings 20h00 until 00h30. The SIA door staff will be smart and wearing High Vis jackets to ensure they can be identified.

SIA door supervisors to wear Fluorescent attire.

We are ensuring all senior staff are SIA registered so there will be staff fully trained at all times in place to ensure safety of all customers and maximum numbers are adhered to. (This needs removing as we will employ trained SIA operatives when required as we feel having SIA trained bar staff is not acceptable).

Red Care Alarm System will be installed

Whilst this premises license application falls within the cumulative impact zone, by attaching the proposed conditions below, coupled with the vast experience the applicant has in the Licensing trade the applicant can satisfy the Licensing Authority that none of the licensing objectives will be undermined. Further it will not add to the current issues in the area. As set out early in this application this is a unique beer bar. The type of premises we intend to operate is modelled on the Brew Dog Bars set up which operate successfully across the country in many cities.  
(None of the above no longer applies to this premises)

No glasses or bottles to be taken outside the venue.

I have enclosed the premises licence

I have enclosed the relevant part of the premises licence
