4.0 Legal implications

- 4.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely:-
- (a) The prevention of crime and disorder;
 - (b) Public safety;
 - (c) The prevention of public nuisance;
 - (d) The protection of children from harm.

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the Act it must grant the licence, subject to any relevant conditions.

However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

- 1. to grant the licence subject to conditions
 - 2. to exclude from the scope of the licence any of the licensable activities to which the application relates
 - 3. to refuse to specify a person as a premises supervisor
 - 4. to reject the application
- 4.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.
- 4.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 and City of Wolverhampton Council's Licensing Policy statement.
- 4.4 In order for the Cumulative Impact Policy to be relevant to this application the Sub-Committee
- I. Should be satisfied it applies due to:

- (a) Premises being located within the Cumulative Impact Zone;
- (b) Licensable activity applied for at the premises is to include sale of alcohol or late night refreshment and is;
- (c) The likelihood that the activity will have an impact on the crime and disorder or prevention of public nuisance licensing objectives.

II. Should refuse an application based upon the Cumulative Impact Policy unless sufficient evidence is produced, by the applicant, to rebut the presumption that a licence will not be granted or varied.

4.5 If the Sub-Committee are satisfied sufficient evidence has been produced to show the premises will not add to the Cumulative Impact already being experienced, the application should not be refused based upon Cumulative Impact Policy. [SH/12102018/H]

5.0 Equalities implications

5.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.

5.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

6.0 Environmental implications

6.1 This report has environmental implications in that there is a potential for disturbance caused by patrons using the premises and nuisance caused by litter and waste originating from the premises.
