The report asked the Sub-Committee to consider the risks and risk management arrangements associated with the Council's budgets and finances. In terms of the draft budget strategy and medium term financial strategy, it was noted that the financial outlook remained extremely challenging. Councillor Mrs Thompson raised a question about use of agency staff by Directorates and it was noted that Children and Family Support tended to be a high user of such staff. Councillor Mrs Thompson also asked about a contingency for increased service demands in terms of Human Resources and as a result of changes in Government policy. The Chair responded that these issues would need to be considered by Cabinet
