

**REPORT OF EDUCATION AND ENTERPRISE
PLANNING COMMITTEE (27 March 2012)**

**CONSULTATIONS ON PLANNING APPLICATIONS FROM OTHER LOCAL PLANNING AUTHORITIES
FOR COMMITTEE CONSIDERATION**

| Planning Authority | Application Ref: | Site Address | Proposal | Recommended Response to the Consultation | Case Officer |
|---------------------------|-------------------------|--|---|---|---------------------|
| Walsall Council | 12/0063/FL | Land off Park Road, Willenhall, WV13 1BU | Demolition of existing factory (5,090sq.m.) and erection of new high bay warehouse (10,229sq.m) | <p>The site is 500m from the City boundary. The development is proposed as an extension to Aspray Transport's existing premises.</p> <p>The most obvious HGV route to the M6 is via the Wolverhampton road network, Watery Lane, Neachells Lane and Willenhall Road. However, the development should not have a significant effect on junction operation within the City.</p> <p>Recommendation: that Planning Committee confirms that there are no objections to the proposed development.</p> | N Malik |
