Recommendation for decision:

1. To submit for consideration by the Statutory Licensing Sub-Committee an application for a new premises licence.

1.0 Purpose

- 1.1 To submit for consideration by the Statutory Licensing Sub-Committee an application for a new premises licence.

2.0 Background

- 2.1 The application was received on 13 August 2019 from Crazy Gin LTD for a premises licence in respect of Crazy Gin, Unit 41, 4 Victoria Street, Wolverhampton, WV1 3NP. A copy of the application is attached at Appendix 1.
- 2.2 The application is in respect of playing recorded music, late night refreshments and sale of alcohol on and off the premises.
- 2.3 The premises are in St Peters ward and a location plan is attached at Appendix 2.
- 2.4 This premises is situated within the Cumulative Impact Zone. A copy of the policy and the area which it covers is attached at Appendix 3.
- 2.6 It is the understanding of the licensing authority that the application for this premises licence has been properly made. The statutory requirement to give notice of the application has also been complied with.
- 2.7 All responsible authorities have been consulted on this application.
- 2.8 Relevant representations have been received from the Licensing Authority, a copy of the representation can be found at Appendix 4.
- 2.9 The applicant and all those who have submitted representations have been invited to attend the hearing.
- 2.10 West Midlands Police have mediated with the applicant a copy of the mediation is attached at Appendix 5.
- 2.11 On Thursday 3 October 2019 all parties agreed that the Statutory Licensing Sub-Committee Hearing should be adjourned for mediation purposes and agreed to reconvene on Wednesday 16 October 2019.

3.0 Policy Implications

- 3.1 On 3 April 2015 the Statement of Licensing Policy was revised to give effect to the Cumulative Impact Policy (CIP) in four new areas of the City. This decision supported the view that the number, type and density of premises selling alcohol for consumption and/or late-night refreshment in areas within Wolverhampton City was causing problems of nuisance and disorder and therefore causing an adverse impact on the licensing objectives of prevention of crime and disorder and prevention of public nuisance.

- 3.2 The effect of this CIP is to create a rebuttable presumption that applications in respect of the sale or supply of alcohol and/or late-night refreshment for new Premises Licences Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates where the premises are situated in the City Centre Cumulative Impact Zone will be refused.
- 3.3 Essentially this means that applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives. (This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones).
- 3.4 To rebut the presumption, explained in 3.3 above, the applicant is expected to demonstrate through their operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced and not therefore have an adverse impact in the Licensing Objectives.

4.0 Financial implications

- 4.1 The fee for the application of a premises Licence Application is £190.00 and is non-refundable. The fees and charges in relation to the Licensing Act 2003 are set by the Secretary of State. This was noted by the Licensing Committee on 20 March 2019. [KP/19092019/E]

5.0 Legal implications

- 5.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely: -
- (a) The prevention of crime and disorder;
 - (b) Public safety;
 - (c) The prevention of public nuisance;
 - (d) The protection of children from harm.
- 5.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.
- 5.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 and Wolverhampton City Council's Licensing Policy statement which includes a cumulative impact policy
- 5.4 Section 18 of the Licensing Act 2003 provides the Licensing Authority with the power to grant an application, subject to conditions, where appropriate
- 5.5 In order for the Cumulative Impact Policy to be relevant to this application the Sub-Committee
- I. Should be satisfied it applies due to:
- (a) Premises being located within the Cumulative Impact Zone;

- (b) Licensable activity applied for at the premises is to include sale of alcohol or late-night refreshment and is;
- (c) The likelihood that the activity will have an impact on the crime and disorder or prevention of public nuisance licensing objectives.

And where the Cumulative Impact Policy is deemed to apply:

II. Should refuse an application based upon the Cumulative Impact Policy unless sufficient evidence is produced, by the applicant, to rebut the presumption that a licence will not be granted or varied.

- 5.6 If the Sub-Committee are satisfied sufficient evidence has been produced to show the premises will not add to the Cumulative Impact already being experienced, the application should not be refused based upon Cumulative Impact Policy.
[SH/20092019/A]

6.0 Equalities implications

- 6.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.
- 6.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

CUMULATIVE IMPACT POLICY

It is not proposed to set quotas for particular types of licences. Applications will be considered on their individual merit thus ensuring that the characteristics of the many different types of licensed activity are fully considered. If crime and disorder or general disturbance/nuisance does prove to be linked to the concentration of customers of licensed premises or activities in these or any other particular areas, then it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

It would first be necessary to establish that, because of the number and density of licensed premises in a particular area, there are exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. Where particular premises are identifiable as being responsible for the problems, action will be taken against them.

Before deciding whether to adopt a Cumulative Impact Policy, the Council must be sure that the imposition of individual conditions to particular premises would not solve the problem. The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder.

In the Guidance issued under the Act there are four steps specified to be followed in considering whether to adopt a Cumulative Impact Policy:

- Identification of serious and chronic concern from a responsible Authority or representatives of residents about nuisance or disorder.
- Assessment of causes.
- Where it can be demonstrated that disorder and nuisance is arising as a result of customers of licensed premises, identifying the area from which problems are arising and the boundaries of that area.
- Adopting a policy about future licence applications from that area.

The Licensing Committee will keep any Cumulative Impact Policy under review and modify or remove it, as considered appropriate.

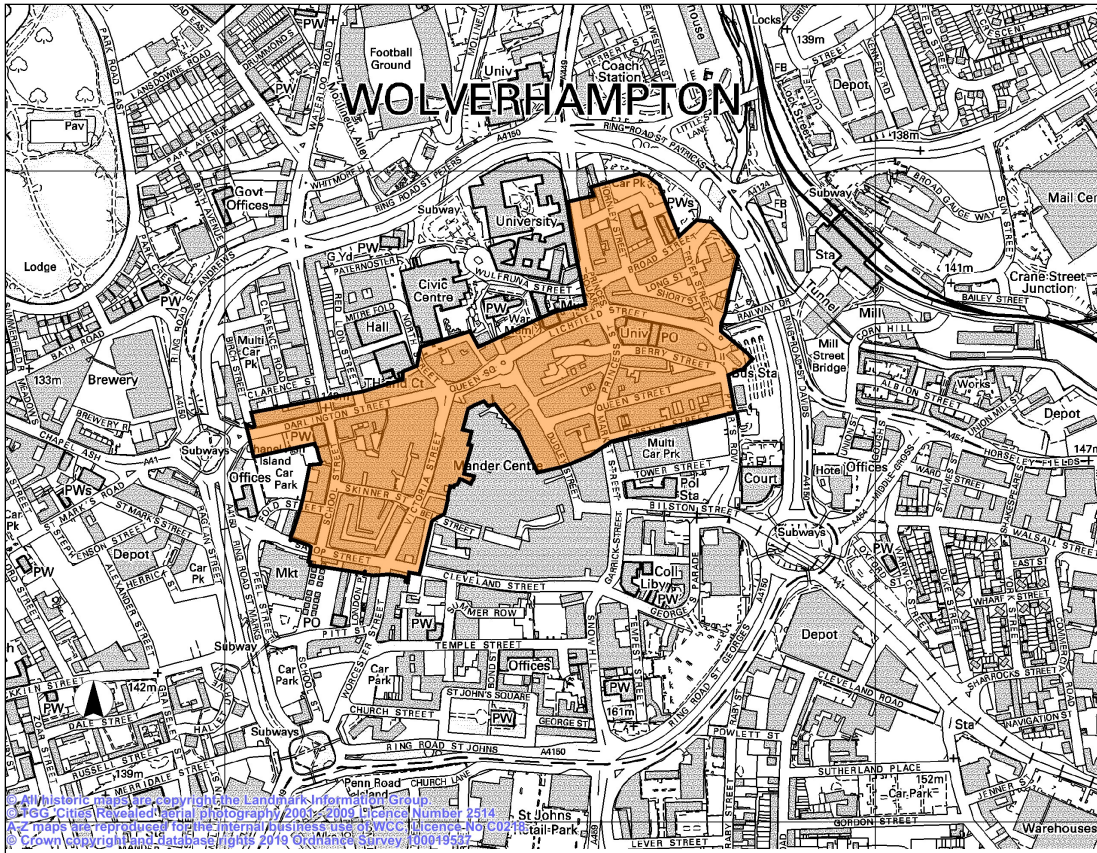

As detailed above the Council recognises that because of the number of and density of licensed premises selling alcohol and/or Late Night Refreshment in particular areas there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. In these cases it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

The Licensing Authority is now of the view that in these areas this is causing cumulative impact and designates these areas as Cumulative Impact Zones. The details of the policy specific to each area are described below.

The effect of the Cumulative Impact Policy is to create a **rebuttable** presumption that applications in respect the licensable activities detailed below for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity) where the premises are situated in one of the Cumulative Impact Zones will be refused.

To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones.

The Cumulative Impact Policy will not be used to revoke an existing licence or certificate and will not be applicable to the review of existing licences.

Dear Tim,

I write on behalf of the Licensing Authority as a Responsible Authority to make formal representations to the above application for a new premises licence as the premises falls within the City Centre C.I.Z.

There is a rebuttable presumption that applications within a C.I.Z will be refused unless the applicant can demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and Protection of Children from Harm.

There is insufficient information within the current operating schedule to show how the applicant/DPS will promote all 4 licensing objectives.

The applicant has not clearly described the nature of the premises within the application.

The Licensing Authority has concerns that the applicant has applied for off sales of alcohol when there is a Public Space Protection Order in place for the City Centre.

Regards

Elaine

Good Morning,

I have read through your application and there are just a few minor things that I would advise you to amend just to cover all the licensing objectives.

Firstly, under the heading "Prevention of crime and disorder" it says recording will last up to 30 days. Can this please be changed to 31. I know it seems picky but by doing this it's the same for all venues in the city. Can you also please mention that CCTV can be provided to officers on request. This is for the safety of staff and members of the public.

Secondly, there is no mention of any security/door staff at your venue. This is something I would advise so searching can take place for any person entering the premises.

Sorry in advance if the above is included and I have just missed it. please don't hesitate to contact me I am more than happy to help.

With Kind Regards
