Part A – Items considered in public

6	Capital Programme 2021-2022 to 2025-2026 Quarter Two Review	That the revised, medium term General Revenue Account capital programme of £298.1 million, an increase of £6.7 million from the previously approved programme, and the change in associated resources be approved.
7	Treasury Management Activity Monitoring - Mid Year Review 2021-2022	<ol style="list-style-type: none"> 1. That it be noted, that a mid-year review of the Treasury Management Strategy Statement had been undertaken and the Council had operated within the limits and requirements approved in March 2021, however due to the reprofiling of some capital programmes the authorised limit and operational boundary for commercial activities for 2022-2023 is forecast to be slightly in excess of the best estimate included in the Treasury Management Strategy presented to Council on 3 March 2021. This would be reviewed as part of the 2022-2023 Treasury Management Strategy. 2. That it be noted, the revenue underspends of £899,000 for the General Revenue Account and £706,000 for the Housing Revenue Account (HRA) were forecast from treasury management activities in 2021-2022, arising as a result of re-phasing of the capital programme and lower interest rates forecast on borrowing
