6 **Report from Religious Education (RE) Today**

Lat Blaylock, RE Today presented the report from RE Today and highlighted salient points. The report provided an update on RE related matters over the past few months.

Particular attention was drawn to RE public examinations. GSCE entries had been falling therefore a National Plan to address this had been called for by the Religious Education Council of England and Wales and the National Association of Teachers of RE. SACRE members were invited to consider how this compared in this LA and how this could be addressed. There had been however an increase in students opting to study RE at A level which had been encouraging.

Also noted were events such as Interfaith Week, taking place from 14 -21 November; Holocaust Memorial Day on 27 January 2022 and the annual NATRE Spirited Arts creative competition.

Laura Jude reported that there were new communication platforms for teachers which were being used to share bulletins, resources, etc. It was agreed that the RE report be circulated using this channel.

Resolved:

1. That the Report from Religious Education (RE) Today be received.
2. That RE Today report be circulated to teachers in the City.

7 **Review of City of Wolverhampton SACRE Action Plan 2020 - 2021**

Laura Jude, Representative of City of Wolverhampton Council presented the Review of City of Wolverhampton SACRE Action Plan 2020 – 2021 and highlighted salient points. The report set out progress over the last year and the status of each objective.

The two key areas highlighted were SACRE vacancies and continuing professional development audit. Steps were being taken to fill the vacancies and details of the NASACRE audit would be provided in due course.

The report was commended as a good reflection of a busy year despite the restrictions imposed by COVID-19.

Resolved:

1. That the Review of City of Wolverhampton SACRE Action Plan 2020 – 2021 be approved.
2. That outcomes from the NASACRE audit would be shared with SACRE members.

8 **City of Wolverhampton SACRE Annual Report 2020 - 2021**

Laura Jude, Representative of City of Wolverhampton Council presented the City of Wolverhampton SACRE Annual Report 2020 – 2021 and highlighted salient points. The report provided a summary of work undertaken by SACRE over 2020 – 2021 and included the Action Plan for 2021 – 2022 which outlined priorities for the coming year.

Particular attention was drawn to the successful delivery of continued professional development (CPD) for teachers and thanks were extended to Lat Blaylock, RE Today for his ongoing support in this.

City of Wolverhampton SACRE members offered feedback on further support they would like to see. It was noted that there were ongoing challenges for primary teachers and support was needed in strengthening subject knowledge. It was reported that only five hours was typically devoted to RE in teacher training and many teachers had felt this was insufficient. There were similar challenges reported in secondary schools and it was also felt that more lessons could be dedicated to applying learning in RE in the context of the wider world view.

Resolved:

1. That the progress detailed within City of Wolverhampton SACRE Annual Report 2020 – 2021 be approved.
2. That the priorities set out in the SACRE Action Plan for academic year 2021 – 2022 be approved.
3. That the feedback on CPD be noted.

9 **NASACRE Virtual Training Offer**

Laura Jude, Representative of City of Wolverhampton Council provided a verbal update on the virtual training offer provided by NASACRE, further details of which had been circulated to members prior to the meeting. It was reported that sessions were now being recorded to make them easily accessible at any time. As NASACRE members, it was noted that Wolverhampton SACRE members had full access to all online training opportunities and were encouraged to take these up wherever possible.

Resolved:

That the NASACRE Virtual Training Offer update be noted.

10 **Westhill Project Update**

Laura Jude, Representative of City of Wolverhampton Council provided a verbal update on the progress of the Westhill Project.

It was reported that the bid for funding had been successful, the project planning was in the final stages and awaiting final internal sign-off. Officers had been engaging with secondary schools to gain an understanding of what was currently being taught and what they hoped to achieve with the project.

It was reported that there was one place remaining if another secondary school wished to participate.

Resolved:

That the Westhill Project Update be received.

11 **Ofsted Findings During the Last Quarter**

Laura Jude, Representative of City of Wolverhampton Council reported that there had been some recent inspections however there had not yet been a substantial RE update available.

1 **Welcome and Introductions**

The meeting opened with welcome and a statement from Councillor Dr Michael Hardacre who reported he would be exiting the role of Cabinet Member for Education, Skills and Work in the new municipal year to become Deputy Mayor. He stated how enjoyable being a member of City of Wolverhampton SACRE had been and commended the Committee's effectiveness and thoughtfulness in carrying out its activities. Thanks were extended to the Chair and Lat Blaylock for their contributions and support.

It was acknowledged that the meeting was not quorate and it was agreed to proceed on an informal basis with any agreed actions being ratified at the next quorate meeting.

Resolved:

3 **Minutes of the previous meeting**

Resolved:

That the minutes of the meeting of 7 October 2021 be approved subject to ratification at the next quorate meeting.

4 **Matters Arising**

There were no matters arising from the minutes of the meeting of 7 October 2021.

5 **Report from Religious Education (RE) Today**

Lat Blaylock, RE Today presented the report from Religious Education (RE) Today and highlighted key points.

Attention was drawn to the collating of Ofsted reports which refer specifically to RE and a summary was provided of the 11 common themes emerging. Links had been provided in the report for further reading.

It was raised that following research into the provision of government support for subject specific projects, there had been no funding allocated from the Department for Education (DfE) for religious education. It was reported that RE Today had been lobbying government to rectify this. Councillor Dr Michael Hardacre agreed to endorse and sign a letter drafted by Lat on behalf of Wolverhampton SACRE to local Members of Parliament and the Secretary of State to support this effort.

The NASACRE Conference was highlighted and it was reported that it was being held in person this year. It was suggested that a member of SACRE might like to attend as it would be hugely beneficial. Phil Leivers offered to attend as a representative of the Local Authority and SACRE members were encouraged to attend. It was confirmed that there was funding available to cover this and if the SACRE member happened to be a teacher, costs could be covered. An email would be circulated to the SACRE membership to offer the opportunity to attend.

Other items highlighted were the NATRE Spiritual Arts 2022 competition and themes, the RE:ONLINE writing competition as well and a series of links to training opportunities and free resources.

It was raised that a tailored version of the RE Today Report could be cascaded as a newsletter to subject leaders in schools. In response to a query, it was confirmed all information would be shared in RE Network Meetings.

Resolved:

1. That a letter endorsed by Councillor Dr Michael Hardacre be sent to local Members of Parliament and the Secretary of State to lobby for support in funding for RE in schools.
2. That an email be circulated to SACRE membership to encourage attendance at the NASACRE conference.
3. That a tailored version of the RE Today Report be circulated as a newsletter to subject leaders in schools

6 **Westhill Project Update**

Lat Blaylock, RE Today and Phil Leivers, Representative of City of Wolverhampton Council provided a verbal update on the progress of the Westhill Project. Phil Leivers reported that two conferences to involve pupils and teachers had been set up, the first being scheduled for secondary schools on 26 May 2022 and the second (yet to be announced) for primary schools.

Lat Blaylock recapped the bid which had successfully secured £4,500 for an RE-based project, the theme for which had been chosen by Wolverhampton schools as using values in RE to reduce prejudice and racism. Lockdown restrictions had caused some difficulties due to inability to engage in consultation in person, however the project was progressing well.

It was reported that the number of schools currently booked to attend was lower than the number that had expressed an interest, however Phil Leivers reported that efforts were being made to encourage attendance. It was hoped that there would be representation from a wide range of faiths and non-religious world views which would be valuable to informing the report required by Westhill for the next phase of the project.

Lat Blaylock offered to contact RE heads in secondary schools as well to offer places at the conference and also suggested increasing the number of places available for schools already booked on.

Resolved:

That the Westhill Project Update be received.

7 Ofsted Findings During the Last Quarter

Phil Leivers, Representative of City of Wolverhampton Council delivered the presentation outlining an update on the outcomes of Ofsted visits since the last meeting in October 2022. The schools that had been inspected had all received a rating of 'good' which for some was an improvement on the last inspection and for others a stable result. It was noted that St Stephen's CE and Goldthorne Primary's inspections had been the first since transforming into academies as had Ormiston SWB Academy and Ormiston NEW Academy. It was highlighted that the latter two had made a marked improvement since the last inspection and Councillor Dr Michael Hardacre had written to both.

It was noted that only Claregate Primary School and Ormiston SWB Academy had been subject to a deep dive into RE provision and there was only one comment made specific to RE recorded for Claregate Primary School, although it spoke positively of the teaching approach. Although there had not been many undertaken, the Council were still providing schools with support in preparation for deep dive exercises.

Resolved:

That the Ofsted Findings During the Last Quarter be noted.

8 Statutory Inspection of Anglican and Methodist Schools (SIAMS) and Inspection 48 Findings During the Last Quarter

There had been no visits made since the last meeting of City of Wolverhampton SACRE.

Draft Handbook for Religion and Worldviews in the Classroom

As part of a three-year Worldviews project, the RE Council of England and Wales (REC) has published a draft Handbook for Religion and Worldviews in the Classroom.

The Draft Handbook sets out a rationale for a religion and worldviews approach, building on the developments since the 2018 Commission report. It incorporates a revised **National Statement of Entitlement** (NSE), which gives a clear description of an education in religion and worldviews, and sets a benchmark for high-quality teaching and learning. The Handbook then offers practical guidance, including how to use the NSE to develop a syllabus or curriculum, applying ways of knowing, developing pupils' personal worldviews, and what progress looks like in a worldviews approach.

Sections include:

- What do people mean by 'religion'?
- What do people mean by 'worldview'?
- The value of worldviews
- Purposes for RE in a religion and worldviews approach
- Revised National Statement of Entitlement
- Developing pupils' personal worldviews
- Making good progress
- Applying disciplinary methods
- How to use the NSE to develop a syllabus
- How to use the NSE to develop questions and construct units of work
- Making good progress: three models

The Draft Handbook is primarily written to inform three Framework Development Teams, who will work over the next 18 months to apply the NSE and the Handbook guidance to their own contexts. During this process, the Draft Handbook will be tested and revised as necessary, before the publication of a final Handbook, three example frameworks, sample units of work and pupil responses, in 2024.

You can download copies of the Draft Handbook here:

www.religiouseducationcouncil.org.uk/projects/draft-handbook-and-nse/

This is a next step towards a worldviews approach in our subject. How might SACRE consider this and its implications for our local syllabus?

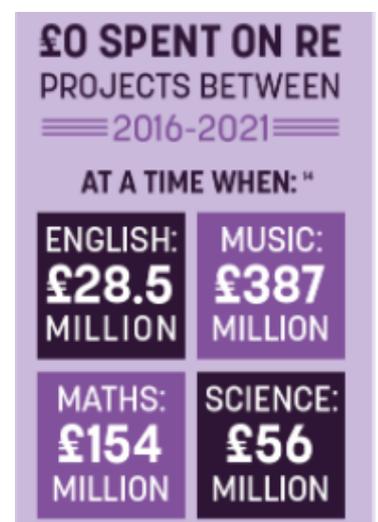

RE report card 2022

The RE Policy Unit from the RE Council has gathered together data on RE from the last five years and written a report card on the state of RE. There is some excellent news (such as how schools with higher rates of GCSE RS entry get higher Attainment 8 scores!) but far too much bad news (34% of academies report no timetabled RE).

Below are two of the cards. The full set can be found here:

www.rethinkre.org/re-report-card

How can SACRE respond? One way is to alert local MPs to the information here, with particular reference to the lack of Government funding given to the subject in the last 5 years (see graphic on the right). How else can we use the data?

A REVIEW OF THE PERFORMANCE OF RELIGIOUS EDUCATION

VALUE OF THE QUALIFICATION

IN THE LAST DECADE THE NUMBER OF PUPILS IN ENGLAND ENTERING A FULL GCSE RS COURSE INCREASED BY **29.7%**

49.5% INCREASE IN A-LEVEL ENTRIES FOR RS SINCE 2003 BEATING GEOGRAPHY, LAW AND HISTORY*

“RE IN PRIMARY AND SECONDARY SCHOOLS ENABLES PUPILS TO TAKE THEIR PLACE WITHIN A DIVERSE MULTI-RELIGIOUS AND MULTI-SECULAR SOCIETY. AT ITS BEST, IT IS INTELLECTUALLY CHALLENGING AND PERSONALLY ENRICHING.”

OFSTED RE RESEARCH REVIEW MAY 2021

HIGHER ATTAINMENT **8 SCORES ON AVERAGE** IN SCHOOLS WITH HIGHER RATES OF ENTRY FOR GCSE RS*

95% of teachers say that the subject is more or equally relevant than ten years ago*

ACADEMICALLY RIGOROUS AND CHALLENGING, RE STUDENTS GO ON TO STUDY AT THE UK'S TOP UNIVERSITIES AND ENTER CAREERS IN LAW, MEDICINE, POLITICS AND JOURNALISM*

School and government performance on RE is failing a record number of students, says landmark data review.

SCHOOL PERFORMANCE

Time spent on the subject is **improving in some areas:**
OVER 95% of primary teachers report time spent on teaching RE has increased or stayed the same
46% of academies without a religious character have reported an increase in time to teach RE*

Ofsted The 2021 Ofsted Research Review identified barriers to high-quality RE teaching in schools including:*

Insufficient time to teach an ambitious RE curriculum

A lack of a 'scholarly approach'

Insufficient professional development for teachers of RE

Some teachers embedding unhelpful misconceptions

Gaps in teacher subject knowledge

However, **too many schools are breaking the law** by not teaching RE

34% of academies report no timetabled RE*

Around **500** secondary schools still report **zero hours** of RE provision in Year 11**

RE also continues to be neglected on the school timetable in favour of EBacc subjects: **On average 5 hours** of RE are allocated to each 'teacher of RE' at Key Stage 3 as opposed to **7** for history**

SCHOOLS MUST DO MORE TO ENSURE THEY PROVIDE THE RIGHT AMOUNT OF HIGH-QUALITY RE PROVISION FOR ALL STUDENTS ACROSS THE YEAR GROUPS

NATRE's annual primary survey 2022 – let schools have their say!

NATRE is conducting this survey to obtain information about the current state of RE in all types of schools for Primary age children so that it can continue to support the teacher in the classroom by raising awareness of the impact of government policy on RE.

NATRE is asking for schools to take a few minutes to answer as many of the questions as they can. It is offering a 'thank you' to schools for completing the survey: they will receive £5 off RE Today publications, training or NATRE membership, *and* enter schools into a free prize draw, for a chance to win a FREE platinum NATRE membership for one year!

NATRE will treat responses with complete and absolute confidentiality; no schools or teachers will be identified in any use NATRE makes of the information provided.

Complete the survey here: www.surveymonkey.co.uk/r/NATREprimarysurvey2022

How can SACRE encourage schools to fill in the survey? This kind of data is so useful when lobbying the government for support for our subject.

NASACRE's SACRE Self-evaluation tool

The NASACRE development group has worked hard on reviewing, updating, and improving the SACRE self-evaluation tool. This tool will enable SACREs to consider their effectiveness in all areas of its work in order to produce a targeted and costed Development Plan in partnership with your LA.

The SEF is available [here](#) for use at SACRE meetings.

NASACRE's new online training programme

NASACRE members can access these recorded sessions [here](#) along with the slide shows and resources. The programme for 2021-22 can be accessed [here](#).

Can anyone from SACRE attend any of these? Which might be useful?

NATRE Spirited Arts 2022

Will schools from our area join hundreds of schools from around the world taking part in this year's Spirited Arts competition? Entries are welcomed in (almost!) any art form pupils can think of. Winning entries will provide a good response to one of the 5 themes, and judges will be asking is it original? Is it well-crafted? And (most importantly!) is it excellent RE?

The 5 themes

1. "We have more in common than that which divides us."
2. God's good earth? ("Beautiful World, wonderful God?")
3. Searching for God
4. A view of the world.
5. Celebrations: Big days and big ideas

Find out more details here www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2022/

How can SACRE encourage schools take part in this competition? Can this link in with anything going on locally? Some SACREs have held local Spirited arts competitions and worked to display entries in a local museum. Is this something this SACRE might consider?

RE Council and NATRE at the Party Conferences

RE's interests will be represented at the Autumn Party Conferences of the Conservative and Labour Parties, where primary and secondary teachers of RE will be working with NATRE to take every opportunity to meet with parliamentarians and gain their support for our work towards a national plan for RE. The RE Community has had some success in gaining recognition of the needs of the subject in this way, but not much success yet in persuading the Ministry to plan to improve RE.

Can local MPs help? Are they willing to support us?

The international ministerial conference on freedom of religion and belief is being hosted by the government in London in July.

The conference has 5 objectives, which are interestingly connected to RE:

- To raise awareness of:
 - the current challenges to FoRB across the world
 - the relevance of FoRB to other human rights
 - best practice in preventing violations and abuses and protecting and promoting FoRB
- use UK leadership and experience in addressing human rights issues and our convening power to improve FoRB for all
- galvanise partner countries and stakeholders to work more closely together to promote and protect FoRB, including by working together to address FoRB violations and abuses
- encourage collective action by governments, human rights experts, civil society, academia and faith and belief actors to address FoRB challenges, exchange best practice, and build shared commitments
- to strengthen the voices of and build the capacity of defenders of FoRB, including religion and belief groups, inspiring future leaders and young people, and building and reinforcing global coalitions for collective action.

Could SACRE make use of the publicity and resources of the conference to further our own agenda of free thinking about religion and belief?

New resources for BBC RE in Key Stage 1 Bitesize: places of worship and examples of caring.

Lat Blaylock writes: "I worked on these resources last year, and they are now free and available for all. New Resources for addressing anti-semitism in schools

In 2021, there were 124,091 hate crimes recorded by the police in England and Wales with the instances of hate crimes rising at almost 10% a year. The instances are now more than double what they were a decade ago. Race and religion features as a main reason behind many of these crimes.

Teachers have been asking for materials to support them in raising awareness and providing opportunity for discussion and exploration of prejudice. In response, Judith Hayman, a former teacher and Holocaust Educator has created a free presentation and teacher guide exploring the to give teachers something to hang the conversation onto. The resource is pitched to KS2/3 and explores different types of prejudice. It is flexible enough to be used either in assemblies or collective worship as well as cross curricular engagement in PSHCE, Religious Education and History.

The resource is constantly being updated with up to date examples and references. The teacher guide and presentation are available to download for free through the website www.antisemitism.org/teachers There are versions for the various settings, non-denominational, Catholic and Church of England.

Can we encourage our schools to use these resources and tackle this kind of prejudice more effectively?
