2.0 Background

- 2.1 An application was received on 21 February 2022 from Mohammed Ali for a premises licence in respect of Shisha Point, Sunbeam Street, Wolverhampton, WV2 4LA. A copy of the application is attached at Appendix 1.

- 2.5 All responsible authorities have been consulted on this application.
- 2.6 Relevant representations have been received from West Midlands Fire Service and Other Persons. Copies of the representations can be found at Appendices 3 to 6 respectively.
- 2.7 West Midlands Fire Service have mediated with the applicant and have provided a voluntarily undertaking, this correspondence is attached at Appendix 7.
- 2.8 The applicant and all those who have submitted representations have been invited to attend the hearing.

3.0 Financial Implications

3.1 There are no direct financial implications associated with the recommendations in this report. The fee for this application is £190 and is non-refundable. The fees and charges in relation to the Licensing Act 2003 are set by the Secretary of State. This was noted by the Statutory Licensing Committee on 19 January 2022 [SB/16122021/X]

4.0 Legal Implications

- 4.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its functions under the Act with a view to promoting the Licensing Objectives, namely:
 - (a) The prevention of crime and disorder
 - (b) Public Safety
 - (c) The prevention of public nuisance

This report is PUBLIC [NOT PROTECTIVELY MARKED]

(d) The protection of children from harm

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the act it must grant the licence, subject to any relevant conditions. However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

- 1. To grant the licence subject to conditions
- 2. To exclude from the scope of the licence any of the licensable activities to which the application relates
- 3. To refuse to specify a person as a premise's supervisor
- 4. To reject the application
- 4.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.
- 4.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003 and the City of Wolverhampton Councils Licensing Policy Statement. [SH/01042022/A]

5.0 Equalities implications

- 5.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact on the day to day lives of residents living in close proximity to the premises
- 5.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol Article 1 also provides that every person is entitled to peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

6.0 All other Implications

6.1 There are no other direct implications associated with this report.

OFFICIAL

LICENSING ACT 2003

NAME OF PREMISES: Shisha Point
ADDRESS: Sunbeam Street Wolverhampton

I refer to the application for the Grant of a Premises licence made in respect of the above premises.

The premises has been inspected and there are some fire safety issues which could negatively affect the **Public Safety Objective**, if the licence is granted without remedial actions.

- A fire risk assessment has not been carried out
- There is potential for overcrowding as there is only one escape route from the premises
- Some emergency lighting was found to be faulty.

Consequently, The Fire Authority hereby makes representation to the application.

I can inform you that I have been in contact with the applicant and following the discussion, I can offer a voluntary undertaking to the applicant, to modify the proposed use of the premises and/or complete works to the appropriate standard. A copy of the proposed undertaking is attached.

Should the applicant wish to agree, by signing, dating and returning the undertaking agreement to the Fire Authority, there will be no need for a hearing, providing there are no other relevant representations.

A scan or photograph of the completed document returned by email would be acceptable.

Any voluntary undertaking that the applicant gives to the Fire Authority does not constitute Licence Conditions and should not be treated as such.

You should be aware however that failure to act in accordance with the undertaking may result in the Issue of an enforcement notice under the Regulatory Reform (Fire Safety) Order 2005 and/or a review of the premises licence.

Should you require any further information or clarification, please do not hesitate to contact me.

Dear Team

I am making an objection to both the planning team and licensing team in respect to licensing ref the Shisha bar Sunbeam street. It's simply unsuitable given this is an industrial estate. Within of the proposed location an Organised Crime Gang are located and there is simply insufficient policing to support the activity proposed.

Please accept this as objection on behalf of the ward councillors for Blakenhall.

Kind regards

Paul Birch

Hi all

Please also see in attached.

Hi All

Please feel free to add anything you think I have missed out.

Dear Councillors.

We have seen an application for a new premises licence from Shisha Point, Sunbeam Street Wolverhampton WV2 4LA, which is situated in Blakenhall Industrial Estate.

The application is for the provision of live music & Performances of Dance indoors from Monday to Sunday 17.00 to 2.00 hours and Late-night refreshments indoor & outdoors Monday to Sunday 23.00 to 02.30 hours.

We would like to strongly object to this application being granted for the reasons listed below:-

When the retrospective planning was granted for the Shisha Bar building, there were no parking allocations given. (See section 3 and 10 of the planning application 1st attachment and section 5 of the approval 2nd attachment)

This is because the road has a NO UNAUTHORISED PARKING ban on it.

Where are the customers or workers going to park or get to the building? This road is the only access road to the industrial estate which is in constant use in the day and sometimes at night. In the past vehicles have parked blocking entrances and across gates. Which made it very difficult to access the sites where we work.

The original retrospective planning proposal for the conversion of the building states you can see the building from the main road, public footpath, bridleway, or other public land. Which is not correct. (See section 24 of the planning application attached 1st attachment. If a fire was to break out on an evening no one passing would be able to alert the fire brigade. Causing an extremely High risk to public safety. The original fire escape created for this building has been used to create the smoking shelter and is used as an entrance and exit to the building.

We have been actively trying to improve the area to make it more attractive for visitors of the industrial estate and to encourage new business and investors. When the bar was previously unlawfully being used before applying for retrospective permission, rubbish was being left behind in plastic open bags left to scatter across the road, beer bottles were being smashed creating a risk to public safety. We are getting fly tippers adding to the rubbish they already created. This encouraged vermin to breed and run in and out of the rubbish.

We believe the nature of the business could also encourage anti-social behaviour and criminal activities to the site. Families are residing close by and as people would be leaving at 02.30 Monday to Sunday this would create a public Nuisance for people trying to sleep, which could cause a significant drain on police resources.

this several times to the police and the council.
We hope you will take into consideration all objections when looking at this application.
Regards
Kind Regards,

Before this application was put in and it may be a coincidence, there had been a smell of cannabis coming from the building. We did report

Dear Councillors,

We have seen an application for a new premises licence from Shisha Point, Sunbeam Street Wolverhampton WV2 4LA, which is situated in Blakenhall Industrial Estate.

The application is for the provision of live music & Performances of Dance indoors from Monday to Sunday 17.00 to 2.00 hours and Late-night refreshments indoor & outdoors Monday to Sunday 23.00 to 02.30 hours.

We would like to strongly object to this application being granted for the reasons listed below:-

- 1. We Have noticed that there has been an increase of litter including glass bottles, rubbish bags, food containers etc outside the building. We believe this will increase by allowing the permission.
- 2. There has been an increase of anti social behavior, ie, we have asked the shisha bar to keep the area clean and we were confronted by a number of people with an aggresive behavior.
- 3. We have seen multiple people smoking weed at the bottom of the stairs and the smell is horrendous.

--

Kind Regards,
