PART 1 – Summary and Explanation

1.1 The Council’s Constitution

The City of Wolverhampton Council (“the Council”) has agreed a constitution which sets out how the Council operates, how decisions are made and the procedures which are to be followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution sets out the basic rules governing the Council’s business. More detailed procedures, policies and codes of practice are provided in Part 4 and 5 of this Constitution.

1.2 How the Council Operates

The Council is comprised of 60 Councillors with one-third elected three years in four. Councillors are democratically accountable to residents of their ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties.

All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here, Councillors decide the Council’s overall policies and set the budget each year. The Full Council is the main forum for holding to account the executive (Cabinet). It sets the main policy framework within which the Council operates. The role of Full Council is set out in Part 2 of this constitution (article 4).

The Council has adopted the International Holocaust Remembrance Alliance’s (IHRA) working definition of anti-Semitism in its entirety, including the worked examples. This can be seen in its entirety [here](#).

1.3 How Decisions Are Made

The Leader has overall responsibility for Executive decision-making powers and the delivery of the Council services and is elected by the Council for a four-year term at the Council’s annual meeting after elections. The Leader annually appoints Councillors to the Cabinet and the Cabinet Panels – one of whom is to be their deputy leader – and decide on the scope of their respective functions/portfolios.

Meetings of the Cabinet will generally be open for the public to attend except where personal or confidential matters are being discussed.

The Cabinet has to make decisions which are in line with the Council’s overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Full Council to

decide. Further details on the role of the Cabinet can be found in Part 2 Article 6 of this Constitution. Details of the areas of responsibilities held by the Cabinet Members and the powers and duties of the Committees/Sub-Committees can be found in Part 3 of this Constitution.

1.4 Regulatory Committees

The law gives the Council powers to grant approvals, licences, consents, permissions and registration in matters such as planning, licensing, health and safety, and rights of way. These are not allowed to be dealt with by the Cabinet and these powers are exercised by Committees of the Council. A list of these Committees and their respective responsibilities is contained in Part 2.

1.5 Overview and Scrutiny

The Scrutiny Board and six Scrutiny Panels support the work of the Cabinet and the Council as a whole. They allow citizens to have a greater say in Council matters by enquiring into matters of local concern. These lead to reports and recommendations which advise the Cabinet and the Council as a whole on its policies, budget and service delivery. The Board and Panels also monitor the decisions of the Cabinet/Cabinet Members. They may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

1.6 Employees

The Council has employees working for it who perform a number of different roles, ranging from delivering services to giving advice, implementing decisions and managing the work of the Council. Employees operate in a politically neutral way; which Councillors must respect. Some employees have a specific duty to ensure that the Council acts within the law and uses its resources wisely. These employees are the Monitoring Officer and the Section 151 Officer. There is a protocol that governs the relationships between Councillors and employees which is set out in Part 5 of this Constitution.

1.7 Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Part 2, article 3. Some of these are legal rights, whilst others depend on the Council's own processes.

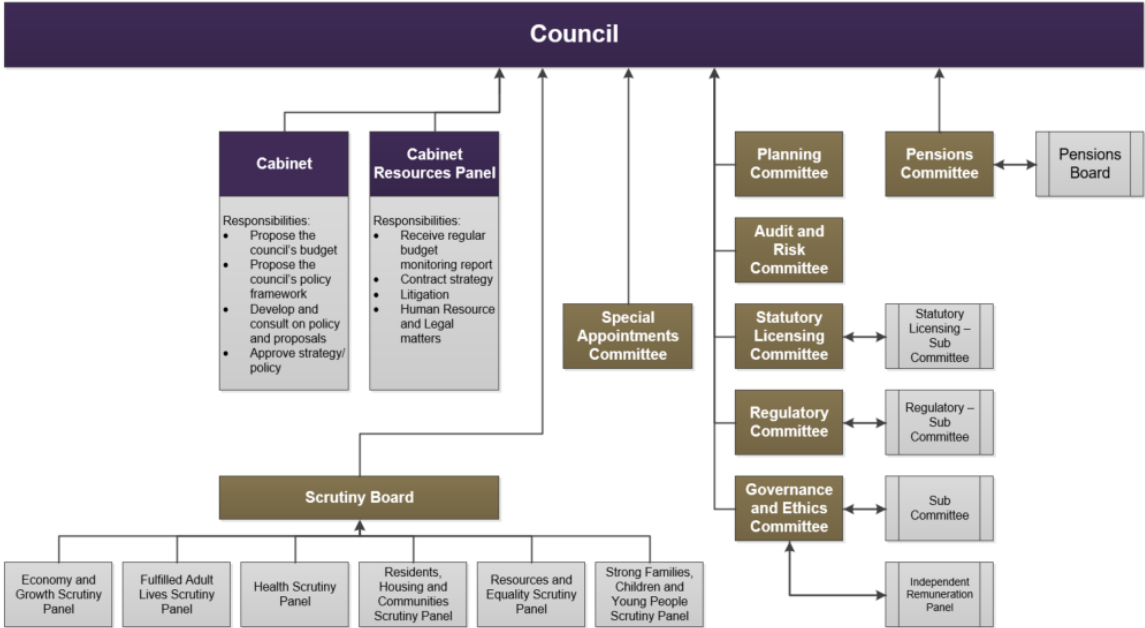

Where members of the public use specific Council services, for example, as a parent of a school pupil or as a Council tenant, they have additional rights. These are not covered in this Constitution.

Set out in Part 4 are the public's right of access to certain Council documents and information.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the Chief Operating Officer at the Civic Centre, St Peter’s Square, Wolverhampton WV1 1SH.

Those sections also indicate which functions are reserved to the Council and which functions have been delegated to the Cabinet, Cabinet Panels and various Regulatory or other Committees.
- A2 This section of Part 2 sets out which functions have been delegated to employees. One of the main principles of the Constitution is the need to be able to ascertain who is responsible for any decision made by or on behalf of the Council and this is particularly so for employee delegations which must be comprehensive.
- A3 The following sections set out the functions which are delegated to Officers. All delegations must be exercised in accordance with this Constitution, policies, procedures and Codes of Practice which are adopted from time to time by the Council and any specific limitations or restrictions which are included in the following tables.

Such written delegations will indicate which employees are responsible for the management and delivery of services and will specify relevant operational and financial limits.
- A6 Employees who are entitled to exercise delegated powers should always refer a complex or sensitive matter for decision by the Cabinet, appropriate Cabinet Panel or Regulatory or other Committees.

Complex or sensitive matters to include: -

1. One of significant financial or legal risk not previously brought before Cabinet.
2. One which requires Councillors to be made aware of as it is of a significant political nature.
3. One which affects the Councils reputation and needs to be brought to Councillors' attention.
4. Matters that constitute a change to explicit policy statements.

Delegations to Employees

- A7 References in the delegations to any statutory provision shall be deemed to include any statutory provisions which may from time to time replace, amend or revoke them and any orders, directions, regulations, codes of practice, byelaws or government guidance currently in force.
- A8 In the event an Officer is unclear as to any delegation or what constitutes a complex or sensitive issue, advice should first be sought from the Chief Operating Officer and Solicitor to the City Council as to how to proceed.
- A9 If the Chief Executive is unavailable and a decision needs to be taken urgently, the Deputy Chief Executive may take the decision.
- A10 If the appropriate Director is unavailable and a decision needs to be taken urgently any other Director may take the decision.
- A11 In the event that a Director or a Head of Service's post ceases to exist or his or her responsibilities are transferred to another officer (as the case may be), temporarily or permanently, then the powers given by this Scheme of Delegation shall be exercisable by the officer in whose area of responsibility the power falls to be exercised.

Process for consideration of Motions at Council

*Mover of the amendment has no right to reply

16.0 Voting

16.1 Majority

Unless the Constitution provides otherwise, any matter will be decided by a simple majority of those Councillors voting and present at the time the question was put.

If there are equal numbers of votes for and against, the Mayor will have a second or casting vote. There will be no restriction on how the Mayor chooses to exercise this vote.

16.3 Recorded vote

The process will continue until there is a majority of votes for one person.

16.6 Voting on the Council's budget

In accordance with the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014, a record will be made in the minutes of the meeting of the names of the persons who cast a vote for or against the decision or who abstained from voting, where that vote is in relation to the setting of the Council's budget or revised budget.

17. No requirement to sign minutes of previous meeting at extraordinary meeting

Where in relation to any meeting, the next meeting for the purpose of signing the minutes is a meeting called under paragraph 3 of schedule 12 to the 1972 Act (an Extraordinary Meeting), then the next following meeting (being a meeting called otherwise than under that paragraph) will be treated as a suitable meeting for the purposes of Paragraph 41(1) and (2) of Schedule 12 relating to signing of minutes of the Local Authority (Standing Orders) Regulations 1993..

17.3 Form of minutes

The Monitoring Officer as the person responsible for ensuring that the Authority acts lawfully shall ensure that this rule is complied with.

20.2 Disclosable Pecuniary Interests

Any Councillor who has a Disclosable Pecuniary Interest in any business being considered at a Council meeting must declare that item and leave the room where the meeting is being held whenever it becomes apparent that the business is being or is about to be considered at that meeting, unless the Councillor has obtained a dispensation under the Council's dispensation procedure.

20.3 Standing to speak

When a Councillor speaks at a Council meeting, they must stand unless unable to do so and address the meeting through the person presiding. If more than one Councillor stands, the person presiding will ask one to speak and the others must sit. Other Councillors must remain seated whilst a Councillor is speaking unless they wish to make a point of order or a personal explanation.

20.4 Person presiding standing

When the person presiding stands during a debate, any Councillor speaking at the time must stop and sit down. The meeting must then be silent.

20.5 Councillor not to be heard further

If a Councillor persistently disregards the ruling of the person presiding by behaving improperly or offensively or deliberately obstructs business, the person presiding may direct that the Councillor be not heard further.

20.6 Councillor to leave the meeting

If the Councillor continues to behave improperly after such a direction, the person presiding may direct that either the Councillor leaves the meeting or that the Councillor be removed from the meeting or that the meeting is adjourned for a specified period.

20.7 General disturbance

If there is a general disturbance making orderly business impossible, the person presiding may adjourn the meeting for as long as he/she thinks necessary.

21.0 Disturbance by Members of the Public

21.1 Removal of members of the public

If a group or an individual member(s) of the public interrupts the proceedings at any meeting, the person presiding will warn the person(s) concerned. If the interruption continues, the person presiding will order their removal from the meeting room.

21.2 Clearance of part of meeting room

If there is a general disturbance in any part of the meeting room open to the public or of the premises where the meeting is being held, the person presiding shall order that part to be cleared. If, in the Mayor's view, this is not practicable and it is not possible to continue the meeting in light of the disturbance, the Mayor may rule that the meeting adjourn and/or that the meeting should be reconvened in a different venue.

22.0 Suspension and Amendment of Council Procedure Rules

21.1 Suspension

All of these Council Procedure Rules except Rule 14 and 15.2 above may be suspended by motion on notice or without notice if at least one half of the whole number of Councillors are present. Suspension can only be for the duration of the meeting. This Rule will apply to meetings of the Cabinet, the Scrutiny Board, Scrutiny Panels and Regulatory or other Committees provided that one half of the whole number of voting Councillors are present.

21.2 Amendment

These Council Procedure Rules may only be amended by the Full Council after consideration by the Monitoring Officer, the Constitution Review Group and the Governance Committee.

23.0 Cancellation of meeting

23.1 The Chair may cancel a meeting before the agenda has been issued if there is a lack of business for the meeting in question. Any decision to cancel a meeting should be taken at the earliest opportunity and every effort should be made to publicise the cancellation. In exceptional circumstances, where the agenda for a meeting has already been issued, the meeting may be cancelled or postponed by the Chair following consultation with other Members of the committee. If the meeting is postponed, where possible no less than five clear working days' notice shall be given of the new date for the meeting.

26.0 Interpretation of Rules

26.1 The ruling of the Mayor as to the construction or application of any of these rules shall not further be challenged at any meeting of the Council.

27.0 Approach to dealing with petitions at Council Meetings

- a. Where a Petition contains more than 5,000+ signatures, the Council's Constitution provides for the matter to be debated by Full Council.
- b. Full Council will endeavour to consider the Petition at its next scheduled meeting, although on some occasions this may not be possible and consideration will then take place at the following scheduled meeting.
- c. The relevant Cabinet Member, or nominated substitute, will be in attendance at the Full Council meeting.
- d. The lead Petitioners will be given up to five minutes to present the Petition. The Petition will then be considered by Councillors for a maximum of a further 40 minutes, of which up to five minutes will be specifically allocated to the Cabinet Member for their response. Broad timings are detailed in the diagram at the end of this section but they are provided as guidelines – management of the debate is ultimately at the Mayor's discretion.

27.1 Detailed procedure

- (i) Democratic Services will have already invited representatives of the Petitioners (lead Petitioner and a further Petitioner to be referred to as the Second Petitioner) to attend the meeting and to give oral evidence to Full Council. Petitioners may also provide written evidence in support of their Petition. Full Council's role is to ensure that appropriate action is taken in respect of each admissible Petition.
- (ii) A report on the details of the Petition, including background details and comments from the appropriate service, will have been circulated to Councillors, as part of their Council papers, together with a copy of the Petition; a copy of the report will also have been provided to the lead and second Petitioners.
- (iii) Petitioners may nominate someone else, including a Councillor, to speak and present the Petition on their behalf. In the absence of the Petitioners, or a representative to speak on their behalf, Council will consider the matter anyway in accordance with this process.

Full Council Meetings Procedure Rules

- (iv) Where Petitioners are present, the lead and second Petitioners will be seated near to the public gallery. At the appropriate juncture, the lead and second Petitioners will be shown to a seat at the front of the Council Chamber.
- (v) The Petition will be considered as the first item of substantive business following consideration of formal Council business i.e. following consideration of Apologies for Absence, Declarations of Interest, Minutes and Mayor's Communications.
- (vi) The Mayor will announce that the Petition will be considered as the next item of business, upon which a time limit of 45 minutes shall apply. This time limit includes five minutes for the lead or second Petitioner, but not both, to present the Petition.
- (vii) The Mayor will invite the relevant Cabinet Member to respond to the Petition and propose a motion in light of the Petition for Council to consider. The Cabinet Member has up to five minutes for their response, including proposal of a motion. The motion should be based upon one of the four options open to the Council for its response to a Petition:
 - a. decide to take the action the Petition requests
 - b. decide not to take the action requested
 - c. decide to commission further investigation into the matter, for example by a relevant Cabinet meeting, or
 - d. where the issue is one on which the Cabinet is required to make the final decision, Council must decide whether to make recommendations to Cabinet to inform that decision.
- (viii) The Mayor will ask if there is a seconder for the motion.
- (ix) The Mayor will invite Councillors to debate the motion, which may include asking questions of the Cabinet Member. Normal rules of debate with regard to amendments are suspended during consideration of a Petition. Any speaker is limited to a maximum of three minutes.
- (x) At the conclusion of the general debate, the Mayor will ask the lead or second Petitioners to ask up to three questions of the Cabinet Member. The questions must all be raised at the same time.
- (xi) The Cabinet Member will have up to five minutes to respond to any questions raised. The Cabinet Member may recommend an amendment to their original motion based on the debate and consideration of the issues.

Full Council Meetings Procedure Rules

- (xii) At the conclusion of consideration of the item, the Mayor will ask Council to vote on the motion proposed by the Cabinet Member. In the event that the motion is not passed, an alternative motion will be proposed and seconded, based on the options detailed in (vii) above. Votes on a second or any subsequent motion will be taken immediately without any further debate.
- (xiii) Following approval of a motion, the Mayor will explain the outcome of the debate to the Petitioners and thank them for their attendance. At this point the lead and second Petitioners will be asked if they wish to either leave the meeting or, if not, return to their seats in the public gallery.
- (xiv) The lead and second Petitioners will receive written confirmation of Full Council's decision. This confirmation will also be published on the Council's website.

28.0 Protocol Governing the use of the Mayor's Casting Vote

Introduction

The Local Government Act 1972 provides that the Mayor has a second or casting vote at Council Meetings in two specific circumstances.

- a. The out-going Mayor **must** exercise a second or casting vote if there is a tie for the election of a new Mayor (Section 23 Local Government Act 1972).
- b. On all other occasions the Mayor **may** (but is not obliged) to exercise a second or casting vote (Local Government Act 1972 Schedule 12 Para 39(2)).

Under revised arrangements for the rotation of the Mayoralty adopted at the Annual Council Meeting in May 2001 there should be no call to exercise a second or casting vote on the election of a new Mayor. The vote should be unopposed.

A tied vote at a Council Meeting in any other circumstances requires a clear and binding protocol governing the discretionary use of the second or casting vote which is –

- a. Based upon the principles set out in the Leader's speech to the Annual Council Meeting in May 2001 which established the arrangements for the rotation of the offices of Mayor and Deputy Mayor.
- b. Strongly endorsed by the Leaders of all three political parties on City of Wolverhampton Council on behalf of their groups and their nominees for the office of Mayor or Deputy Mayor.
- c. Accepted as an essential pre-requisite of office by all Councillors who are nominated for and appointed to the office of Mayor or Deputy Mayor.

Protocol

It is the duty of the Cabinet to make decisions. It is also in the interests of the City that there is certainty of decision making.

In the event of a tied vote at a Council Meeting the Mayor [or in their absence the Deputy Mayor] shall not exercise the second or casting vote unless advised by the Chief Executive; Section 151 Officer [as S151 Officer] or Chief Operating Officer that it is necessary to do so.

In order to preserve the impartiality and dignity of the Office of Mayor whenever a vote is tied the Mayor shall obtain appropriate advice (if necessary by seeking a short adjournment) from the Chief Executive; Section 151 Officer [as S.151 Officer] or Chief Operating Officer:

- a. Whether it is necessary to use a second or casting vote.

Full Council Meetings Procedure Rules

- b. If it is so necessary, how it should be done.

On receipt of that advice the Mayor will reconvene the meeting, if adjourned, and inform the Council of the advice that has been received. The Mayor will then vote in accordance with that advice exercising one of the four options identified in the schedule attached to this protocol.

Cabinet Procedure Rules

1. The Operation of the Cabinet

1.1 Who may make Cabinet decisions

The arrangements for the discharge of Cabinet functions are set out in the Cabinet arrangements shown in Part 3. The arrangements provide for Cabinet functions to be discharged by:

- a. the Cabinet or a Cabinet Panel.

These decisions are referred to in this Constitution as “Amber Decisions” if they are delegated to the Cabinet, and as “Red decisions” if they require the approval of the Full Council as set out in Article 4. Amber Decisions are those relating to the functions listed in the delegations to the Cabinet and Cabinet Panels. Red decisions are those matters referred to in Article 4.

- b. an Individual Cabinet Member relating to their individual responsibilities. These decisions are referred to in this Constitution as “Green Decisions”, the definition of which is set out in section 21 – Procedure for Decision-making by Individual Cabinet Members in Part 3.
- c. an employee;
- d. an Area Structure;
- e. joint arrangements; or
- g. another local authority.

1.2 Sub-delegation of Cabinet functions

- a. Where the Cabinet is responsible for a function, it may delegate further to a Designated Officer in consultation with a Cabinet Member or to an employee, an Area Structure, or joint arrangement.
- b. Even where Cabinet functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated. This means that items of business classified as Green decisions may be referred by the Cabinet Member to the Cabinet for decision.
- c. The Cabinet may, when sub-delegating a Green decision, require that an Opposition Councillor from the relevant Scrutiny Panel be consulted prior to the decision being taken.

- d. The Cabinet may, when sub-delegating an Amber decision, require that an Opposition Councillor from the relevant Scrutiny Panel be consulted prior to the decision being taken. In such a case the call-in rules will apply.

1.3 The Council's scheme of delegation and Cabinet functions

The Council's scheme of delegation will be subject to adoption by the Full Council and may only be amended by the Full Council. It will contain the details required in Article 7 and is set out in Part 3.

1.4 Conflicts of Interest

- a. If every Cabinet Member has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Councillors in Part 5 of this Constitution.
- b. If the exercise of a Cabinet function has been delegated to a Designated Officer (in consultation with a Cabinet Member or otherwise) and a conflict of interest arises, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct for Councillors in Part 5.

1.5 Times and Locations of Cabinet meetings

The Council will approve a programme of Ordinary Meetings for the Cabinet and Cabinet Panels. In addition, extraOrdinary Meetings may be called from time to time as appropriate. Meetings shall take place at the Civic Centre or another location to be approved by the Leader.

1.6 Quorum

The quorum for a meeting of the Cabinet shall be three Councillors and for a Cabinet Panel shall be three Councillors.

1.7 How decisions are taken by the Cabinet or by Cabinet Members in consultation with Designated Officers

- a. Red decisions – these are decisions relating to the budget and policy framework. The decision-making process is set out in the Budget and Policy Framework Procedure Rules and the Access to Information Rules in Part 4. They may be considered by the Cabinet or a Cabinet Panel in advance of consideration by the Council.
- b. Amber Decisions - these are decisions which have been delegated to the Cabinet or a Cabinet Panel and will be taken at a meeting convened in accordance with the Access to Information Rules in Part 4.
- c. Green decisions - the Designated Officer will meet regularly with the appropriate Cabinet Member to consider items of business. Items of business will be supported by written reports. If the Cabinet Member is

satisfied with the Designated Officer's recommendation, then the Cabinet Member will make the decision which will be recorded as a Green decision. The decision can then be implemented immediately. Every Green Decision will be published on the Council's web site as soon as it is notified to the Democratic Services team. A schedule of Green decisions will be notified to the next meeting of the Cabinet (Resources) Panel for information. Copies of Green decision reports will be open for inspection in accordance with the Access to Information Rules in Part 4. Cabinet Members must take into account professional, legal and financial implications and any advice given by employees. If any employee gives advice that a decision would fall within one of the exceptions listed in Part 3 or that the matter should not be the subject of an individual Cabinet Member decision, then the matter shall be a decision for the Cabinet.

2. How Cabinet Meetings are Conducted

2.1 Presiding at the meeting

If the Leader is present, he/she will preside. In his/her absence, a person appointed to do so by those present shall preside.

2.2 Attendance at the meeting

- a. Members of the public may attend meetings of the Cabinet unless they are excluded from all or part of the meeting because it is likely in view of the nature of the business to be transacted that Exempt Information would be disclosed.
- b. All Councillors may attend the whole of the meeting unless the Cabinet by resolution decides that they should be excluded from any part of the meeting during which Exempt Information may be disclosed.

2.3 Business conducted at the meeting

At each meeting of the Cabinet the following business will be conducted:

- a. apologies for absence;
- b. declarations of interest, if any;
- c. consideration of the minutes of the last meeting;
- d. matters referred to the Cabinet (whether by the Scrutiny Board or a Scrutiny Panel or by the Council) for reconsideration by the Cabinet in accordance with the provisions contained in the Overview and Scrutiny Procedure Rules or the Budget and Policy Framework Procedure Rules set out in Part 4;

- e. consideration of reports from the Scrutiny Board or Scrutiny Panels; and
- f. matters set out in the agenda for the meeting. The agenda shall indicate which are Key Decisions and which are not in accordance with the Access to Information Procedure Rules set out in Part 4 of this Constitution.

Subject to any directions given by the person appointed to preside at the meeting the items of business shall be arranged in such order as the Head of Paid Service, in consultation with the relevant Designated Officer(s) thinks will best ensure the effective despatch of business.

2.4 Who can include items on the Cabinet agenda

- a. The Leader
- b. Where the Scrutiny Board or a relevant Scrutiny Panel or the Full Council have resolved that an item be considered by the Cabinet the Head of Paid Service will ensure that an item is placed on the agenda of the next available meeting of the Cabinet.
- c. The Head of Paid Service, the Monitoring Officer or the Section 151 Officer may include an item for consideration on the agenda of a Cabinet meeting and may require such a meeting to be called in pursuance of their statutory duties.

2.5 Consultation

All reports to the Cabinet from any Cabinet Member or an employee on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant Scrutiny Panels, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

3. Key Decisions

3.1 Period of the Forward Plan

A list of key decisions will be prepared to cover a period of four months. A key decision is an Executive decision which is likely:

- a. to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates (in Wolverhampton, this is defined as expenditure or savings **in excess of £250,000**), and/or

- b. to be significant in terms of its effects on communities living or working in an area comprising **two or more wards** in the area of the local authority.

The Forward Plan details 'key decisions' that will be taken by the Cabinet or one of the Cabinet Panels (the Executive) over the coming months. It will include the following information:

- a. the matter in respect of which a decision is to be made;
- b. where the decision maker is an individual, his/her name and title, if any and where the decision maker is a body its name and details of membership;
- c. the date on which, or the period within which, the decision will be taken;
- d. how, to whom and by when representations (about the "key decision") can be made;
- e. what reports/papers are, or will be, available for public inspection;
- f. whether the report is a private report with reasons.

4. General Exception

4.1 If a matter which is likely to be a key decision has not been included in the Forward Plan, the key decision may still be taken if:

- a. the decision must be taken because it is impracticable to defer the decision, in the opinion of the Chief Executive
- b. the relevant employee has informed the Chair of the Scrutiny Board or a relevant Scrutiny Panel, or if there is no such person, each member of that Scrutiny Panel in writing, by notice, of the matter to which the decision is to be made;
- c. the Democratic Service Officer has made copies of that notice available to the public at the offices of the Council; and
- d. at least five clear days have elapsed since compliance with (a) and (b).

5. Special Urgency

5.1 If the date by which a decision must be taken, makes compliance with section 2 above (general exception) impracticable, then the decision can only be taken if:

- a. the decision maker (if an individual) or the Chair of the body making the decision, obtains the agreement of the Chair and Vice-Chair of the Scrutiny Board or a relevant Scrutiny Panel that the taking of the decision cannot be reasonably deferred. If there is no such Chair, or if the Chair is unable to act,

then the agreement of the Mayor, or in his/her absence the Deputy Mayor will suffice.

- b. the Democratic Service Officer has made copies of that notice available to the public at the offices of the Council;

6. Report to Council where the key decision procedure is not followed

6.1 If the Scrutiny Board or a Scrutiny Panel thinks that a key decision has been taken which was not:

- a. included in the Forward Plan; or
- b. the subject of the general exception procedure; or
- c. the subject of an agreement with a relevant Chair, or the Mayor/Deputy Mayor of the Council under section 23.6 above (special urgency);

6.2 The Board or Panel may require the Cabinet to submit a report to the Full Council within such reasonable time as the Board or Panel specifies.

7. Cabinet's report to Council

7.1 The Cabinet will prepare a report for submission to the next available meeting of the Full Council. However, if the next meeting of the Full Council is within five days of the decision of the Scrutiny Board or Panel, then the report may be submitted to the meeting after that. The report to Full Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a key decision the reasons for that opinion.

8. Reports on special urgency decisions

8.1 The Leader of the Council will submit a report to Council on an annual basis detailing all late reports not on the Forward Plan and all reports authorised for immediate implementation.

9. Record of Decisions

9.1 After any meeting of the Cabinet whether held in public or private, the Democratic Services Officer will produce a record of every decision taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

10. Cabinet Meetings Relating to Matters Which Are Not Key Decisions

10.1 Cabinet Members will be entitled to receive five clear working days' notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

10.2 Unless otherwise agreed by the members of the relevant Scrutiny Panel, the notice of the meeting and the agenda and reports will be sent to all members of the Panel.

11. Scrutiny Board and Scrutiny Panels Rights to copies of documents

11.1 The Scrutiny Board and Scrutiny Panels will be entitled to copies of any document which is in the possession or control of the Cabinet and which contains material relating to any business transacted at a meeting of the Cabinet, except any document which is in draft form or which contains the advice of a political adviser.

12. Additional Rights of Access for Councillors

12.1 Material relating to previous business

All Councillors will be entitled to inspect any document which is in the possession or under the control of the Cabinet and contains material relating to any business previously transacted at a meeting unless either (a.) or (b.) below applies.

- a. it appears to the Proper Officer that it discloses exempt information of a description falling within Part 1 of Schedule 12A
- b. it contains the advice of a political adviser.

But a document referred to in (a.) will be available for inspection if:

- the information relates to the financial and business affairs of any particular person (including the Council) except to the extent that the information relates to any terms proposed or to be proposed by or to the Council in the course of negotiations for a contract or
- the information reveals that the Council proposes to give under any enactment a notice under or by virtue of which requirements are imposed on a person or to make an order or direction under any enactment.

12.2 Material relating to key decisions

All Councillors will be entitled to inspect any document (except those available only in draft form) in the possession or under the control of the Cabinet which relates to any key decision unless paragraph (a) or (b) above applies.

12.3 Nature of rights

These rights of a Councillor are additional to any other right he/she may have.

All Councillors except Cabinet Members may be members of the Scrutiny Board or a Scrutiny Panel. However, no Councillor may be involved in scrutinising a decision in which he/she has been directly involved.

2.2 Co-opted Members

The term Co-opted Members is restricted to:

- a. Statutory Parent Governor, Church Diocesan and Youth Council representatives, appointed to serve on the Children, Young People and Families Scrutiny Panel by the Annual Council Meeting.
- b. Wolverhampton HealthWatch representatives appointed to serve on the Health Scrutiny Panel.

*Details of the eligibility and appointment arrangements relating to parent governor representatives are set out in section 26.17.

When the Panel deals with matters other than those relating to education functions, these representatives shall not vote on those other matters, though they may stay in the meeting and speak.

The Health Scrutiny Panel shall include in its membership three representatives of Wolverhampton HealthWatch.

Overview and Scrutiny Procedure Rules

It is a requirement of accepting a position as a Co-opted Member that those persons should sign and abide by the Councillors' Code of Conduct.

A review, inquiry or task and finish group may appoint representatives of external organisations to support their work as appropriate, and may invite 'witnesses' to present evidence to meetings. These are not Co-opted Members.

3. Times and locations of meetings of the Scrutiny Board and Scrutiny Panels

- 3.1 The Council will approve a programme of Ordinary Meetings for the Scrutiny Board and each Scrutiny Panel. In addition, extraOrdinary Meetings may be called from time to time as and when appropriate. A Board or Panel meeting may be called by the Chair or one quarter of the total number of voting Councillors or by the Head of Paid Service if he/she considers it necessary or appropriate.
- 3.2 Meetings shall take place at the Civic Centre or such other location(s) as may be agreed.

4. Quorum

- 4.1 The quorum for the Scrutiny Board and Scrutiny Panels shall be as set out for Regulatory or other Committees in the Council Procedure Rules in Part 3.

5. The Chairs of the Scrutiny Board and Scrutiny Panels

- 5.1 The Chair and Vice-Chair will be appointed by the Council from amongst eligible Councillors.

6. Work programme

- 6.1 Each Scrutiny Panel will, subject to guidance from the Scrutiny Board, be responsible for setting and reviewing their priorities and work programme for the year.

7. Agenda items

- 7.1 Any member of the Scrutiny Board or a Scrutiny Panel shall be entitled to give notice to the Head of Paid Service that he/she wishes an item relevant to the functions of the Panel be included on the agenda for the next available meeting of the Board or Panel. On receipt of such a request the Head of Paid Service will ensure that it is included on the next available agenda.

8. Ensuring that overview and scrutiny reports are considered by the Cabinet

- 8.1 Once a Scrutiny Board or Scrutiny Panel report on any matter which is the responsibility of the Executive has been completed, it shall be included on the agenda of the next available meeting of the Cabinet or, by agreement with the Chair of the Board or Panel, the next meeting of the Cabinet which is scheduled to consider the subject matter of the report. If for any reason the Cabinet does not consider the Board or Panel report the matter will be

referred to Council for review, and the Head of Paid Service will call a Council meeting to consider the report and make a recommendation to the Cabinet.

- 8.2 The Scrutiny Board and Scrutiny Panels will have access to the Executive's timetable for decisions and intentions for consultation. The Board and Panels may consider any such item in advance of a decision by the Cabinet and may require the Cabinet to have regard to their views when considering the item. The Board and Panels will also use the decision schedule to identify items for scrutiny prior to decision in accordance with paragraph 12.2.

9. Rights of Scrutiny Board and Scrutiny Panel members to documents

- 9.1 In addition to their rights as Councillors, members of the Scrutiny Board and Scrutiny Panels have additional right to documents, and to notice of meetings, as set out in the Access to Information Procedure Rules in Part 4.
- 9.2 Nothing in this section prevents more detailed liaison between the Cabinet and the Scrutiny Board and Scrutiny Panels as appropriate depending on the particular matter under consideration.

10. Councillors and employees giving account

The Scrutiny Board and Panels may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any Cabinet Member, the Head of Paid Service and/or any Designated Officer to attend before it to explain in relation to matters within their remit:

- a. any particular decision or series of decisions;
- b. the extent to which the actions taken implement Council policy; and/or
- c. their performance,
- d. and it is the duty of those persons to attend if so required.

11. Attendance by others

- 11.1 The Scrutiny Board and Scrutiny Panels may invite people other than those people referred to in paragraph 10 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Councillors and employees in other parts of the public sector and may invite such people to attend.

12. Scrutiny and Call-in

- 12.1 Scrutiny of Executive decisions will be undertaken by the Scrutiny Board and Scrutiny Panels (NB: this does not include decisions made by regulatory committees, such as Licensing and Planning, which are not subject to call-in provisions). It has two principal elements:
- a. consideration of forthcoming decisions, known as pre-decision scrutiny, through which the Scrutiny Board or Panel can scrutinise a decision yet to be made and, if appropriate, shape the final decision through comment and advice to the Executive;

Overview and Scrutiny Procedure Rules

- b. consideration of Executive decisions already made, whether by the Cabinet or an individual Cabinet Member, through call-in or post-implementation review.

12.2 Pre-decision scrutiny

Although decisions made by the Executive must be open to scrutiny, the Council wishes the primary focus of its scrutiny process to be on shaping and informing decisions through pre-decision scrutiny.

- 12.3 The Scrutiny Board and Panels will have access to the Executive's schedule of forthcoming decisions and proposals for consultation. Often, the provision of additional or explanatory data and information can avoid the need for formal consideration of a decision or issue. The initial emphasis, therefore, will be on the free flow of information from Council employees in response to requests for clarification or elaboration from Councillors.

- 12.4 Thereafter, as part of its work programme, the Board or an individual Panel may request a report on any forthcoming decision that falls within its purview, in advance of its consideration by the Executive. Having considered a particular issue, the Board or Panel may require the decision-maker to have regard to its views as part of the decision-making process.

- 12.5 Subject to the proposals considered by the decision-maker being substantially the same as the information previously presented to the Scrutiny Board or Panel, matters that have been considered through pre-decision scrutiny may not be called in for post-decision scrutiny under the provisions outlined in paragraph 12.3.

- 12.6 Any item being considered as pre-decision scrutiny will therefore not be eligible for call-in once a decision is made by the Executive. Reports to be considered as pre-decision scrutiny by the Scrutiny Board or a Scrutiny Panel will carry the message:

'This item is being considered is pre-decision scrutiny and will therefore not be available to call in once a decision is made by the Executive.'

13. Parameters for post-decision scrutiny (call-in or review)

- 13.1 An amber decision, made by the Cabinet or a Cabinet Panel, may be called in for scrutiny prior to its implementation. A green decision, made by an individual Cabinet Member in consultation with an employee, can be reviewed by the Scrutiny Board or the relevant Scrutiny Panel, although this may be after implementation.

- 13.2 The following decisions may not be called in:

- a. a red decision, made by the Council;
- b. a red decision, approved by the Cabinet for consideration by the Council;
- c. a decision made by an employee under delegated authority;
- d. an amber decision made under the urgency provisions outlined in paragraph 17;

Overview and Scrutiny Procedure Rules

- e. an amber decision, where it has previously been subject to pre-decision scrutiny (as outlined in paragraph 2.4).
- f. a green decision, made by a Cabinet Member in consultation with an employee

13.3 The decision to effect a call-in can be made by any of the following:

- a. the Chair of the Scrutiny Board
- b. the Vice-Chair of the Scrutiny Board
- c. the Leader or Deputy Leader of the main opposition group.

14. Review of green decisions

14.1 The Scrutiny Board or relevant Scrutiny Panel can decide to review a green decision, considering whether it should have been made as a green decision, as well as reviewing the merits of the decision itself. Such reviews must be notified to the accountable Cabinet Member and employee within three working days of the decision being reported to the Cabinet (Resources) Panel and will be incorporated into the Scrutiny Board or Panel's work programme.

15. Scrutiny of Amber Decisions

15.1 Decisions made by the Cabinet or a Cabinet Panel (known as Amber Decisions) will be summarised in the minutes of the relevant meeting and published on the Council's website, normally within five working days of the meeting occurring.

15.2 Within the parameters outlined in paragraph 12.3, call-in of an amber decision can be made within three working days of the decision being published. Once this period has expired, and if no call-in has been received, the decision can be implemented.

16. Arrangements for considering call-ins

16.1 If an amber decision has been formally called in under paragraph 12.5, the Scrutiny Board or appropriate Scrutiny Panel should convene to consider the matter within ten working days of the call-in being received. In the event that the relevant Scrutiny Panel cannot be convened within ten working days, or if the Councillor calling in the decision so requests, the Chair of the Scrutiny Board can determine that the call-in will be considered by the Board and convene a meeting accordingly. The Board meeting should still take place within ten working days of the call-in being received.

16.2 An amber decision that has been called in, may not be implemented until the call-in process is complete.

16.3 The Scrutiny Board or Panel will consider the called-in decision and supporting information, including receiving oral and written comments from both the appropriate Cabinet Member(s) and Senior Manager(s). The Board or Panel will exercise one of the following options:

- a. note the decision, which can then be implemented immediately;
- b. ask the Cabinet or Cabinet Panel to reconsider the decision (a decision can only be reconsidered once);

Overview and Scrutiny Procedure Rules

- c. refer the decision to the Council's next meeting to see if it wishes the decision to be reconsidered.
- 16.4 The relevant Cabinet Member(s) and Senior Manager (s), given reasonable notice, have a duty to attend the Scrutiny meeting to respond to questions and provide information about the call-in. In the event that they are unable to attend, they should ensure a nominated substitute (for Cabinet Members) or appropriate representative (for Senior Management) is able to attend in their place.
- 16.5 If the decision is referred to Council and the Council does not object to the decision, it can be implemented immediately. The Council may not substitute its own decision unless the original decision is contrary to the policy framework or contrary to or not wholly consistent with the budget. Unless that is the case, the Council will refer the matter back to the next meeting of the Cabinet or Cabinet Panel, detailing the Council's views on the decision. The Cabinet or Cabinet Panel will then choose whether to amend the decision or not, before reaching a final decision and implementing it.

17. Call-In and Urgency

- 17.1 The call-in procedure set out above shall not apply where the decision being taken by the Cabinet or Cabinet Panel is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interest. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision-making person or body, the decision is an urgent one, and therefore not subject to call-in. The Monitoring Officer must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Monitoring Officer, the Deputy Monitoring Officer's consent shall be required. In the absence of both, the Head of Paid Service or his/her nominee's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.
- 17.2 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

18. Procedure at Scrutiny Board and Scrutiny Panel Meetings

- 18.1 The Scrutiny Board and Scrutiny Panels shall consider the following business:
- a. consideration of the minutes of the last meeting;
 - b. declarations of interest;
 - c. consideration of any matter referred to the Board or Panel for a decision in relation to call in of a decision;
 - d. responses of the Cabinet to reports of the Board or Panels and
 - e. the business otherwise set out on the agenda for the meeting.
- 18.2 Where the Board or Panel conducts investigations (e.g. with a view to policy development), it may ask people to attend to give evidence at meetings which are to be conducted in accordance with the following principles:

- a. that the investigation be conducted fairly and all Councillors of the Board or Panel be given the opportunity ask questions of attendees, and to contribute and speak;
- b. that those assisting the Board or Panel by giving evidence be treated with respect and courtesy; and
- c. that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.

18.3 Following any investigation or review the Board or Panel shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

19. Substitution of Councillors at Scrutiny Board

19.1 Any permanent Councillor of the Scrutiny Board may nominate another Councillor to attend a meeting of the Scrutiny Board where:

- a. the permanent Councillor will be unable to attend for the entire duration of the meeting of the Board;
- b. the permanent Councillor will be unable to attend at the commencement of, or for any part of a meeting or;
- c. the permanent Councillor will be required to be absent from any part of a meeting or during consideration of a particular item as a result of the need to declare a prejudicial interest.

19.2 Where a substitute Councillor is nominated to attend a meeting of the Scrutiny Board.

- a. The substitute Councillor will have all the powers and duties of a permanent Councillor of the Board whilst attending the meeting or part thereof in place of the permanent Councillor and may speak and vote.
- b. The substitute Councillor may be replaced during the course of a meeting by the permanent Councillor on the proviso that as far as is practically possible the substitute Councillor will be required to remain in the meeting for the duration that the items(s) for which they are substituting are under discussion.
- c. All substitutions to be notified to the Democratic Services Section by the permanent Councillor as soon as possible prior to the commencement of the meeting either in writing or via email.

20. Matters within the remit of more than one Scrutiny Panel

20.1 Where a matter for consideration by a Scrutiny Panel also falls within the remit of one or more other Panels the decision as to which Panel will consider it will be resolved by the Scrutiny Board.

21. Arrangements for the appointment of parent governor representatives

21.1 The role and responsibilities of local authority parent governor representatives

21.2 The overall role of parent governor representatives (PGR) is to represent parents and not parent governors and to hold the authority to account for education policy and decision-making. The responsibilities of the PGR are listed below:

- a. act as an apolitical voice for parents in the area, representing to the local education authority the main education issues which concern parents of pupils in schools maintained by the authority'
- b. PGRs are not expected to represent the views of all parents across the local authority through any sort of delegated mandate. However, there is an expectation that as best you can that you remain in touch with your wider constituency in order that you can reflect diverse views;
- c. liaise with the other PGRs on the Children, Young People and Families Scrutiny Panel;
- d. attend and contribute to the Children, Young People and Families Scrutiny Panel to which they have been appointed;
- e. establish good relations with other Councillors members and officers;
- f. feedback discussions of and decisions on education matters from the Children, Young People and Families Scrutiny Panel to parents;
- g. sign and abide by the Councillor Code of Conduct;
- h. act with due propriety according to standards laid down for conduct in local government.

21.3 Eligibility criteria for local authority parent governor representatives

Any parent governor (who is still a parent of a child in a maintained school within the authority or the parent of a registered pupil educated at a school maintained by the local authority at the time of election) can stand for election, even if they only have a short time left to serve.

Employees of the local authority, at any of its schools, and local councillors, are not eligible to apply.

A person can only be a parent governor representative in one local authority at any one time.

If a person resigns or is disqualified as a PGR or they become a local councillor or member of school staff, they will not be eligible to apply for a vacancy.

A person will not be disqualified if their term of office as a parent governor comes to an end in the normal way, or they cease to be a parent governor of the school due to changes to the constitution of the governing body or the closure of the school.

It is the responsibility of parent governor representatives to inform the local authority of any circumstance which they believe disqualifies them from office. Where there is a disqualification (or a PGR cannot complete the term of office for some other reason) the local authority can decide whether to appoint a successor for the unexpired portion of the term or for a full term. In any event when there is a vacancy (mid or full-term) an election should be held within six months.

21.4 Election of local authority parent governor representatives

The Council is responsible for making all the necessary arrangements for and to determine all other matters relating to the holding of an election of a local

Overview and Scrutiny Procedure Rules

authority parent governor representative. The Council, through the Monitoring Officer, will appoint a returning officer to ensure that as far as possible that the election of a PGR is conducted fairly and complies with the requirements detailed below (source: s4, Parent Governor Representatives (England) Regulations 2001):

- (1) A local education authority shall make all the necessary arrangements for, and determine all other matters relating to, the holding of an election of a parent governor representative but nothing in this regulation shall prevent an authority from appointing another body to conduct or oversee that election.
- (2) A local education authority may make arrangements
 - (a) dividing parent governor representatives into different categories representing (i) particular types of school, or (ii) maintained schools in a particular area; and
 - (b) where they have done so, restricting the electorate for each such category to parent governors of the same type of school or parent governors of maintained schools in that area (but they need not do so).
- (3) Where a vacancy for a parent governor representative is required to be filled by election the local education authority shall announce that vacancy and at the time of that announcement shall
 - (a) appoint a returning officer who shall ensure that so far as possible the election is conducted fairly;
 - (b) take such steps as are reasonably practicable to secure that every person who is known to them to be eligible to vote in the election of a parent governor representative is (i) informed of the vacancy and that it is required to be filled by election; (ii) informed that he is entitled to vote at the election; (iii) informed of any arrangements made in respect of the election under regulation 4(2) (iv) informed of the details of the electoral timetable and procedures; (v) informed of the qualifications which a person requires in order to be elected as a parent governor representative, and of the term of office of a parent governor representative; and (vi) provided with a description of the role of a parent governor representative.
- (4) Any election of a parent governor representative which is contested shall be held by secret ballot.
- (5) No ballot paper in such an election shall contain any indication of an affiliation with a political party.
- (6) Where a vacancy for a parent governor representative arises, the local education authority shall

- (a) determine, for the purposes of the election, any question as to a person's entitlement to vote or eligibility to stand for election;
 - (b) provide for every person who is eligible to vote in the election to have an opportunity to do so by post;
 - (c) secure that the results of the election are announced not more than one week after the date of the election, and not more than three months after the announcement of the vacancy.
- (7) Where a vacancy remains unfilled because no, or not enough, candidates seek election, the local education authority shall comply with the requirements of this regulation again within one year of the original vacancy having arisen and at six monthly intervals thereafter, calculated from the first anniversary of the original vacancy having arisen, until the vacancy is filled.
- (8) Nothing in these Regulations shall require a ballot to be held if the number of vacancies to be filled is equal to or exceeds the number of candidates for election.'

21.5 Returning Officer's discretion

Once appointed by the Monitoring Officer in response to a vacancy, the Returning Officer shall make all necessary arrangements and determine all matters relating to the holding of an election of a parent governor representative and shall have discretion not to arrange a ballot where the number of places to be filled is equal to or exceeds the number of parent governor representative's candidates for election.

21.6 Disqualification due to non-attendance of meetings

The Chair of the Children, Young People and Families Scrutiny Panel has the discretion to disqualify a parent governor representative who does not attend panel meetings for a period of six months.

22. Councillor Call for Action Protocol

2.1 Introduction

The "Councillor Call for Action" (CCfA) was introduced under Section 119 of the Local Government and Public Involvement in Health Act 2007 (the Act), and came into force on 1 April 2009.

The Act enables any Councillor to refer to the relevant Committee any local government matter or any crime and disorder matter which affects their Ward.

The power to refer a matter is available only where the matter is of direct concern to the Ward which the Councillor represents. A Councillor can refer a matter even if no citizen has asked him/her to consider it, and there is no requirement for Councillors in multi-member Wards to agree – any of them can refer a matter.

2.2 Limitations

It is important to recognise that CCfA is not guaranteed to solve a given issue. CCfA provides a method for discussing such issues and, through discussion, trying to overcome them.

22.3 Issues excluded from referral as a CCfA

The Overview and Scrutiny (Reference by Councillors) (Excluded Matters) (England) Order 2008 excludes the following matters from referral as a CCfA:

- a. Individual complaints concerning personal grievances or commercial issues.
- b. Any matter relating to an individual or entity where there is already a statutory right to a review or appeal (other than the right to complain to the Local Government Ombudsman), for example:
 - Planning and licensing applications and appeals
 - Council Tax/Housing Benefits complaints and queries
 - Issues currently under dispute in a court of law
- c. Any matter which is vexatious, discriminatory or not reasonable to be included on the agenda for, or to be discussed at, a meeting of the overview and scrutiny committee or any of its sub-committees.²

In addition, the Council has determined that the following matters be also excluded from CCfA:

- (i) CCfA should not seek to ask the Council to determine: -
 - personal or commercial issues
 - specific or individual employee relations
 - Disciplinary or grievance matters
 - Matters which are subject to formal or statutory appeal processes or are sub-justice;
 - Individual appeal cases, for example, Planning, Licensing, Housing or Education applications or appeals;
 - Decisions of the Standards and Audit Committees or Regulatory Committees.
- (ii) CCfA should not contain:
 - offensive, intemperate, inflammatory, sarcastic or provocative language or language to which those reading could reasonably take offence
 - false or defamatory statements
 - information which is protected by an interdict or court order
 - commercially sensitive or confidential material
 - the names of individuals, or information whereby
 - they may be easily identified, in relation to criminal accusations.

Overview and Scrutiny Procedure Rules

- (iii) CCfA should be submitted in good faith and be decent, honest and respectful.
- (iv) CCfA will be rejected if defamatory, frivolous or offensive.
- (v) During politically sensitive periods, such as before an election, politically controversial material will be restricted.
- (vi) CCfA which do not follow these guidelines will be considered inadmissible, in which case signatories will be informed in writing of the reasons why.
- (vii) CCfA which are the same or substantially similar and which are lodged by or on behalf of the same person or organisation will be considered inadmissible unless more than a year has passed since the original CCfA was considered by the relevant Committee. Advice on admissibility can be obtained from the Democratic Services Section whose contact details are provided on the Website. In cases of dispute, the relevant Committee shall decide whether a CCfA is admissible.

A referral, provided it is not an excluded matter (see above) will ensure that the matter is included on the agenda of the relevant Committee. It is then up to the Committee to decide whether or not to take the matter further. A referral made to the relevant Committee is seen as being at the end of the CCfA process (**the last resort**) and not the first step.

22.4 Steps to be taken, prior to making a Councillor Call for Action referral

Prior to a Councillor referring a matter as a CCfA to the relevant Committee, a Councillor **must** have tried to resolve the issue/problem themselves using all mechanisms and resources available to them at Ward level. Councillors should:

If a local crime and disorder matter, raise the issue through the Wolverhampton Safer Partnership to find a way to resolve the issue.

- Ensure that all relevant partner organisations have been informed of the issue and given enough time to resolve it, for example through formal letters written on behalf of constituents, discussion at public meetings, petitions or communication with local MPs.
- Ensure that all relevant internal potential routes to solution have been followed, for example informal discussions with employees and/or Councillors.
- Ensure that this is not an issue that is currently being or should be pursued via the Council's complaints procedure.
- Ascertain whether or not any other form of local scrutiny is investigating the issue.

22.5 How to make a Councillor Call for Action referral

If the issue/problem is still not resolved, a Councillor can refer it to the relevant Committee as a “Councillor Call for Action”. To do this the Councillor should:

- Complete a CCfA Request Form by hand or electronically, outlining what the issue is and what steps have been taken towards a resolution. The request for a CCfA should include:
 - The name of the Councillor and Ward they represent.
 - Title of the CCfA
 - Why they think the issue should be looked at by the relevant Committee.
 - A brief synopsis of what the main areas of concern are.
 - What evidence they have in support of the CCfA?
 - Which areas or community groups are affected by the CCfA?
 - What prior action has been undertaken to try and resolve the issue prior to requesting a CCfA?
 - Is the CCfA currently the subject of legal action by any party (to their knowledge) or is being examined by a formal complaints’ process?
 - Are there any deadlines associated with the CCfA of which the relevant Committee needs to be aware?
- The Democratic Services Section will receive the referral form either by post or electronically, log it to track its progress and assess the issue to ensure that it is not a matter excluded from referral to scrutiny.
- The Democratic Services Section will inform the Chair of the relevant Committee that the item will be included on the next Committee agenda.
- The Councillor submitting the CCfA will be invited to attend the meeting of the relevant Committee to speak in connection with the issue.

A successful referral will ensure that the CCfA will be placed on the next agenda of the appropriate Scrutiny Panel. The Panel will then decide whether or not to take the matter further.

22.6 Decision of the relevant Scrutiny Panel whether to take the matter further

In deciding whether or not to take the matter further, the Scrutiny Panel will consider:

- Anything that the Councillor has done in relation to this matter; and
- Representations made by the Councillor as to why the Committee should take the matter up. (Councillors have the option of either presenting their CCfA form without supporting papers or by preparing a report setting out their views. Any reports prepared by Councillors would be circulated along

Overview and Scrutiny Procedure Rules

with the agenda and other reports for the meeting). This information will need to take account of the disclosures of exempt information as prescribed in Part 1 of Schedule 12A of the Local Government Act 1972.

The criteria the Committee will use to decide whether or not to take the matter further include:

Is the Scrutiny Panel satisfied that all reasonable attempts have been made to resolve the issue by the Ward Councillor? And do the responses received by the referring Councillor demonstrate that the matter is not being progressed?

- Has the Scrutiny Panel considered a similar issue recently – if yes, had the circumstances or evidence changed?
- Is there a similar or related issue which is the subject of a review on the current work programme? It may be more appropriate to link the new issue to an existing review, rather than hold a separate CCfA hearing. Relevant time pressures on resolving the CCfA should be taken into account.
- Have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response has the Councillor received?
- Is this a case that is being or should be pursued via the Council's corporate complaints procedure?
- Is it relating to a "quasi-judicial" matter or decision such as planning or licensing?
- Is the issue part of an individual's own personal agenda (an issue of genuine local concern should have an impact on the local community)?
- Does the matter referred have the potential for scrutiny to produce recommendations which could realistically be implemented and lead to improvements for anyone living or working in the referring Councillor's Ward?

In considering the CCfA, the Scrutiny Panel may invite the Head of Paid Service, Directors, Heads of Service or external organisation to discuss the issue with the Panel and answer any questions, if the Panel considers this relevant.

If the Scrutiny Panel decides not to accept the CCfA referral it must inform the Councillor and provide reasons.

If the Scrutiny Panel decides to accept the CCfA referral, it will decide how it intends to take the matter forward and include the CCfA in its work programme. This could include:

Before holding a formal hearing:

- Asking the service area(s)/partner organisation(s) to respond to the CCfA.

- Establishing a Review Group to undertake a more in depth review.

At the formal hearing:

- Asking for further evidence and/or witnesses to be brought to a future meeting then making recommendations to the relevant service Committee/partner organisation.

22.7 Potential outcomes

Following a formal hearing, there are a number of potential outcomes from the Scrutiny Panel meeting:

- The Scrutiny Panel could determine not to make a report (perhaps because it is not considered the right time to consider a particular issue), with the Ward Councillor notified in writing;
- The Scrutiny Panel could determine it is a complex issue that requires further investigation and commission a scrutiny review of the issue;
- The Scrutiny Panel could write a report and make recommendations on the CCfA to the relevant Cabinet Panel or partner organisation.

Once the Scrutiny Panel has completed its work on the CCfA referral, the Councillor who made the CCfA referral will receive a copy of any report or recommendations made. The reply will also be printed on the Council's website (unless there are reasons why the Committee treats the matter as an exempt item and as a result the report will not be made public).

22.8 Timescales

Once a CCfA has been assessed as not being a matter which is excluded from referring to scrutiny, the item will be included on the next available relevant Committee agenda.

If the relevant Committee agrees to take the matter forward, the matter will usually be placed as an item on the next available agenda. In exceptional circumstances, for example where there are unavoidable time constraints, a separate meeting may be convened.

Should a CCfA hearing result in recommendations to the Cabinet being made, a response to the recommendations, setting out any action it intends to take, within 28 days of the recommendations being placed on an agenda.

Should a CCfA hearing result in recommendations to partner organisations, such organisations will also be requested to make a response to the recommendations, although it must be recognised they are under no legal obligation to do so.

Explanatory Notes

1. Definition of a local government matter and a local crime and disorder matter

Local government matter For the purpose of the Act a local government matter, in relation to a Councillor of a local authority is one which:

- relates to the discharge of any function of the authority;
- affects all or part of the electoral area for which the referring Councillor is elected or any person who lives or works in the area (i.e. it must be specific to a particular locality); and
- is not an excluded matter.

Local crime and disorder matter A local crime and disorder matter, in relation to a Councillor of a local authority, has been defined to mean a matter concerning:

- (a) crime and disorder (including in particular forms of crime and disorder that involve anti-social behaviour or other behaviour adversely affecting the local environment); or
- (b) the misuse of drugs, alcohol and other substances that affects the electoral area represented by the Councillor, or the people who live or work in that area.

2. Definitions of “vexatious” “persistent” “discriminatory” and “not reasonable”

Statutory regulations deal with matters that can be excluded from CCfA, stating that “any matter which is vexatious, discriminatory or not reasonable to be included on the agenda for, or to be discussed at, a meeting of the Scrutiny Board is to be excluded”.

Vexatious/Persistent

Deciding whether a request is vexatious is a flexible balancing exercise, taking into account all the circumstances of the case. There is no rigid test or definition, and it will often be easy to recognise. The key question is whether the request is likely to cause distress, disruption or irritation, without any proper or justified cause.

Issues around persistency are implied by this definition. However, a persistent request may well be entirely valid – it may relate to a systematic problem that has not been effectively resolved. Similarly, a request which some Councillors may regard as vexatious, for political reasons, may actually be entirely reasonable.

Overview and Scrutiny Procedure Rules

CCfAs need to be looked at on their merits, rather than on the basis of who is bringing them, or whether somebody thinks there is an ulterior motive for them being brought.

Where a request for a CCfA is clearly vexatious, detailed reasons for coming to this decision will be given to the Councillor concerned. There could, however, be instances where changes to the scope of the CCfA, or its focus, could make it more acceptable while still meeting the Councillor's requirements.

Discriminatory

A modern interpretation of the word "discrimination" is provided at Section 45 of the Equality Act 2006, in relation to religion and belief, as follows:

A person (A) discriminates against another (B) if on the grounds of the religion or belief of B or of any other person except A, A treats B less favourably than he treats others. This definition can easily be amended to deal with other forms of discrimination, such as discrimination for reasons of sex and/or race. So, a discriminatory CCfA might be one which implies or states that a group of people or an area receives better, or worse, services on account of that group's predominant religion, race, sex or other characteristic, as covered by discrimination legislation.

Not reasonable

It is suggested that, in the interests of transparency, authorities do not interpret "not reasonable" as being the same as the legal word "unreasonable". It is best to consider it as a qualifier to the word "vexatious", as a vexatious request is likely not to be reasonable and a request that is not reasonable is likely to be vexatious.

3. Structure of the CCfA hearing

A CCfA hearing will be based on the current structure for dealing with call-in hearings.

Protocol for Recording, Filming and Social Media at Meetings

The Council welcomes engagement by the public and through the media with the decision-making processes that determine the policies and strategies that shape provision of services in Wolverhampton. Audio and video/visual recording, photography, blogging, tweeting or use of other social media at meetings open to the public (hereafter referred to as 'broadcasting activities') are allowed subject to the following restrictions:

- a. All broadcasting activities should take place from the public gallery or the designated press seating in the meeting room.
- b. Anyone undertaking broadcasting activities must comply with any instructions given by the Chair of the meeting.
- c. The use of flash photography, additional lighting or professional microphones (i.e. by recognised media groups or for educational purposes) in connection with audio/visual recording at meetings will not be permitted without prior permission.
- d. The Democratic Services team will ensure signs are prominently displayed at meetings to remind attendees that broadcasting activities may be undertaken and that the Council has no control over where material may appear (for example posted on the internet). Meeting agendas will also carry this message.
- e. Where the Chair of a meeting reasonably considers the broadcasting activity is disrupting the meeting, the operator of the equipment will be required to stop.
- f. Anyone refusing to stop when requested to do so may be requested by the Chair to leave the meeting. If the person refuses to leave, then the Chair may adjourn the meeting or make other appropriate arrangements for the meeting to continue without disruption. These will be in line with disorderly conduct procedures set out in the Constitution.
- g. Anyone asked to leave a meeting because they have refused to comply with the Chair's requests may be refused permission to engage in broadcasting activities at future meetings.
- h. Where a recording is made that features a minor (under the age of 18), it is the recorder's responsibility to gain the permission of the appropriate parent/guardian, both for the initial recording and for any subsequent dissemination of it (e.g. on social media), and to ensure compliance with any prevailing legislation in relation to such activity.
- i. Any decision taken by the Chair on the interpretation of this protocol is final.

Protocol for Recording, Filming and Social Media at Meetings

- j. The media and public may only be excluded from a meeting in respect of business relating to confidential or exempt information if a resolution is passed under Section 100A of the Local Government Act 1972. The media and public will be told about the nature of the exclusion relating to the business to be discussed. No broadcasting activities will be permitted during this exclusion. All cameras, recording and sound equipment must then be removed from the meeting room.

- k. Recognised media organisations and educational institutions may be given greater flexibility to record/film meetings for the purposes of news bulletins, programmes and education. These requests must be directed through the Council's Communications Team and approved by the Leader plus the Mayor (in the case of meetings of the Full Council) or the Chair (for all other meetings).

Protocol for webcasting of formal council meetings

Webcasting of public council and committee meetings

Introduction

The City of Wolverhampton Council is committed to involving local residents in decision making, however some residents may sometimes not be able to attend the meetings they are interested in. To ensure that those residents can still get involved, the Council films and streams, live, many of its meetings ('webcasting'). These can then be watched online as the meeting happens or up to six months after the meeting (after 6 months, a recording of the webcast can be ordered via Democratic Services).

How do we webcast and how long will the recording be available?

Fixed cameras are located in the Council Chamber and in Committee Room 3 at the Civic Offices to provide the webcasting facility.

The webcast of any of the meetings will be available on the Council's website for a period of 6 months and, after that, copies of recordings may be available upon request.

Are there any meetings or parts of meetings which the Council may not webcast?

The City of Wolverhampton Council wants to make sure meetings are webcast as far as possible to ensure full engagement with the public. However, there are instances where it may not be appropriate to webcast a meeting or parts thereof, for example:

- **When an individual, who is presenting at a public meeting, specifically requests not to appear on the public webcast, and we agree with the request.** We will always seek to accommodate such requests and work with that individual to agree an approach that is satisfactory to all parties. Any such part of a meeting that has not been broadcast will not appear online or be available following the meeting. If you are watching from home, you will see a notice appearing on the screen to let viewers know what is happening.
- **In considering whether or not to record contributions by children at meetings** the Council will, for those aged 16 or over check with the young people themselves that they are content to be filmed and, subject to that, record and broadcast them. For children younger than 16, or those who are otherwise thought vulnerable, we will record only with the consent of the appropriate parent or guardian. If we are in any doubt we will stop the webcast whilst children are speaking.
- **When Councillors at a meeting pass a resolution to exclude the press and public because there is likely to be disclosure of exempt or confidential information.** This will happen in situations where national rules allow the Council to exclude the press and public. You will be notified if

watching from home that the webcasting has ceased for this part of the meeting and why. The Council will only do this if they have good reason as it will always try to conduct its business in public.

- **Signage of webcasting and other filming and recording at meetings**

Agendas relating to those meetings that The City of Wolverhampton Council webcasts include a statement to alert the public to the webcast as well as the rights of the public generally to film, record, photograph and use social media to report from the proceedings, as follows:

WEBCASTING NOTICE

- This meeting will be filmed by the Council for live and/or subsequent broadcast on the Council's website. The whole of the meeting will be filmed, except where there are confidential or exempt items, and the footage will be on the website for 6 months. A copy of it will also be retained in accordance with the Council's data retention policy.
- If you make a representation to the meeting, unless you have specifically asked not to appear on the webcast, you are taking positive action to confirm that you consent to being filmed. You have been made aware of the broadcast and entering the Council Chamber or meeting room you are also consenting to being filmed by The City of Wolverhampton Council and to the possible use of those images and sound recordings for webcasting and/or training purposes.
- If you do not wish to have your image captured, you should sit in the public gallery area.
- In addition, the Council is obliged by law to allow members of the public to take photographs, film, audio-record, blog or tweet the proceedings at public meetings. The Council will only seek to prevent this should it be undertaken in a disruptive or otherwise inappropriate manner.
- If you have any queries regarding webcasting or the recording of meetings by the public, please contact Democratic Services on 01902 555046.

The Role of the Chair

The Chair of the meeting will make an announcement at the beginning of the meeting to make sure everyone understands that the meeting will be webcast and that they may also be filmed by others in the Chamber.

The Chair of the meeting has the discretion to request the termination or suspension of the webcast if continuing to webcast would prejudice the proceedings of the meeting.

This would include:

- a. Public disturbance or other suspension of the meeting;
- b. Exclusion of public and press being moved and supported;
- c. Any other reason supported by the Council/Committee.

Archived webcasts or parts of webcasts shall only be removed from the Council's website if the Borough Solicitor considers that it is necessary because all or part of the content of the webcast is, or is likely to be, in breach of any statutory provision or common law rule, for example Data Protection and/or Human Rights legislation or provisions relating to confidential or exempt information. It is anticipated, however, that meetings will be conducted lawfully and that the need to exercise this power will occur only on an exceptional basis.

Any elected Member who is concerned about any webcast should raise their concerns with the Scrutiny and Systems Manager.

Note: This protocol is provided to assist in the conduct of webcasting and to ensure compliance with the Council's obligations under the Data Protection Act 2018, the General Data Protection Regulation, and the Human Rights Act 1998.

Budget and Policy Framework Procedure Rules

1. Introduction

- 1.1 In these Rules “the Cabinet” means the Cabinet or Cabinet Panels as appropriate.
- 1.2 The Council will be responsible for the adoption of the budget and policy framework as defined in Article 4 of the Constitution.
- 1.3 The budget, plans and strategies defined in Article 4 will be developed and adopted by the Council at various times during each year. The role of the Cabinet in the preparation of the budget is set out in the Financial Procedure Rules contained in this Constitution.
- 1.4 The Cabinet will determine the detailed timetable for the preparation of the plans and strategies for which they are responsible.
- 1.5 Timetables will comply with the Access to Information Procedure Rules and notice of key decisions and consultation arrangements must be included in the Forward Plan.

2. Process for developing the budget and policy framework

The process by which the budget and policy framework shall be developed is:

- 2.1 The Cabinet will publish its initial proposals, having first canvassed the views of local stakeholders in an appropriate manner. Any representations made to the Cabinet shall be taken into account in formulating the initial proposals, and shall be reflected in any report dealing with them. If the matter is one where the Scrutiny Board or a Scrutiny Panel has carried out a review of policy, then the outcome of that review shall be reported to the Cabinet and considered in the preparation of initial proposals.
- 2.2 The Cabinet’s initial proposals will then be referred to the relevant Scrutiny Panel for further advice and consideration. The Panel shall canvass the views of local stakeholders if it considers it appropriate in accordance with the matter under consideration and having particular regard not to duplicate any consultation carried out by the Cabinet. The Cabinet will inform the Panel of the time for response when the proposals are referred to it.
- 2.3 Having considered the report of the Panel, the Cabinet, if it considers it appropriate, may amend its initial proposals before submitting them to the Full Council meeting for consideration. It will also report to Full Council on how it has taken into account any recommendations from the Panel.
- 2.4 The Full Council will consider the proposals of the Cabinet and may adopt them; amend them; refer them back to the Cabinet for further consideration; or substitute its own proposals in their place. In considering the matter, the Full Council shall have before it the Cabinet’s proposals and any report from any relevant Panel.

Budget and Policy Framework Procedure Rules

- 2.5 If the Full Council accepts the proposals of the Cabinet without amendment the Council will approve the budget or plan with immediate effect. If the Council does not accept the proposals of the Cabinet it may only make an in-principle decision.
- 2.6 The decision of the Full Council will be published and a copy of the decision notice shall be given to the Leader. An in-principle decision will automatically become effective five working days from the date of the Council's decision unless the Leader informs the Head of Paid Service in writing prior to the date on which the decision is to be effective that he objects to the decision becoming effective. The notification must state the reasons for the objection.
- 2.7 Where such notification is received, the Head of Paid Service shall convene a further meeting of the Full Council to reconsider its decision and the decision shall not be effective pending that meeting. The Full Council meeting must take place within 5 working days of the receipt of the Leader's written objection.
- 2.8 At that meeting the in-principle decision of the Full Council shall be reconsidered in the light of the Leader's written objection which shall be available to Councillors. The Full Council may:
- a. approve the proposals of the Cabinet or
 - b. approve a different decision which does not accord with the proposals of the Cabinet.
- 2.9 The decision of the Full Council shall be published and shall become effective immediately.
- 2.10 Once the budget and policy framework is approved by the Full Council it will be the responsibility of the Cabinet to implement it.
- 2.11 In approving the budget and policy framework, the Full Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Cabinet, in accordance with paragraphs 3 and 4 of these Rules (virement and in-year adjustments). Any other changes to the budget and policy framework are reserved to the Full Council.

3. Virement

The rules relating to virement are set out in the Financial Procedure Rules set out in Part 3.

4. In-year changes to policy framework

- 4.1 The responsibility for approving the budget and policy framework lies with the Full Council and decisions by the Cabinet, employees, or joint arrangements must be in line with it. No changes to any plan which is part of the policy framework may be made by those bodies or individuals except those changes:
- a. which are necessary to meet a budgetary constraint;

Budget and Policy Framework Procedure Rules

- b. which are necessary to ensure compliance with the law, ministerial direction or government guidance;
- c. which are necessary to repair any omission in the plan;

5. Decisions outside the budget or policy framework

- 5.1 Subject to the provisions of paragraph 3 (virement) and paragraph 4 (in year changes) the Cabinet, employees or joint arrangements may only make decisions which are in line with the budget and policy framework.
- 5.2 If a decision maker wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by Full Council, then that decision may only be taken by the Full Council, subject to paragraph 6 (urgent decisions).
- 5.3 If the decision maker wishes to make such a decision, he/she shall first take advice from the Monitoring Officer and/or the Section 151 Officer as to whether the decision he/she wishes to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget.
- 5.4 If the advice of either of those employees is that the decision would not be in line with the budget and/or policy framework, then the decision must be referred by the decision maker to the Full Council for decision unless the decision is urgent and the procedure set out in paragraph 6 is applied.

6. Urgent decisions outside the budget or policy framework

- 6.1 A decision maker may make a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by the Full Council if the decision is a matter of urgency. However, the decision may only be made:
 - a. if it is not practical to convene a quorate meeting of the Full Council within the necessary timescale and
 - b. if the Chair of a relevant Scrutiny Panel agrees that the decision is a matter of urgency.
- 6.2 The reasons why it is not practical to convene a quorate meeting of the Full Council and the Chair's consent to the decision being made as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of a relevant Scrutiny Panel the consent of the Mayor and in the absence of both, the Deputy Mayor will be sufficient.
- 6.3 Following the decision, the decision maker will provide a full report to the next available Full Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

7. Call-in of decisions outside the budget or policy framework

- 7.1 Where a Scrutiny Panel is of the opinion that a Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the budget, then the Panel shall seek advice from the Monitoring Officer and/or Section 151 Officer.

Budget and Policy Framework Procedure Rules

- 7.2 The Monitoring Officer's and/or Section 151 Officer's advice shall be sent to the Cabinet with a copy to every Councillor. The Cabinet must meet to decide what action to take in respect of the advice. The Cabinet must report to Full Council in the event that the Monitoring Officer and/or the Section 151 Officer advises that the decision is or would be a departure from the budget or policy framework.

The Cabinet must report to the Scrutiny Panel in the event that the Monitoring Officer and/or Section 151 Officer advises that the decision is not or would not be a departure.

- 7.3 If the decision has yet to be made, or has been made but not yet implemented and the advice from the Monitoring Officer and/or the Section 151 Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Scrutiny Panel may refer the matter to Full Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Full Council shall meet within 10 days of the request by the Scrutiny Panel. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or Section 151 Officer. The Council may either:
- a. endorse a decision or proposal of the Cabinet as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Full Council will be published in the normal way;
Or
 - b. amend the Council's budget or policy framework to encompass the decision or proposal and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Full Council will be published in the normal way;
Or
 - c. where the Full Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing budget policy framework to accommodate it, the Council will require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer/ and/or Section 151 Officer.

Methodology for Appointing to the Offices of Mayor and Deputy Mayor

The Annual Meeting of the Council each year will elect a Mayor and appoint a Deputy Mayor, to ensure a dignified succession to these offices. The appointments will be made based on seniority (i.e. years of service as a Councillor). The following methodology will apply.

Step 1

After any municipal election in May and immediately before the Annual Meeting each year all Councillors will be placed in a list according to their seniority. Seniority is defined according to the total number of years or part years served as a Councillor with City of Wolverhampton Council or any of its predecessor authorities. (Years do not need to have been served consecutively. A Councillor who served a term from 2004 to 2008, and then from 2009 to 2013, has eight years' service.) Where one or more Councillors have accrued the same number of years/part years of service, they will be listed alphabetically.

A Councillor who has previously served as Mayor will only be considered again if all other Councillors have declined the opportunity (i.e. irrespective of whether he or she has more years of service since they last served as Mayor than another Councillor who has not yet been Mayor). This rule will not apply in exceptional circumstances (e.g. if a Mayor needs to be appointed midway through the municipal year). Previous Mayors will be included in the order of seniority based on the number of years since they previously held the office.

NB: in practice, the seniority list will be maintained on a rolling basis, with the incoming Deputy Mayor provisionally identified early in each calendar year.

Step 2

1. The nomination for the post of Deputy Mayor for the next ensuing municipal year will be offered to Councillors in strict order of seniority.
2. Where a Councillor is, unable or unwilling to accept the nomination for whatever reason the offer will pass to the next most senior Councillor and so on.

Step 3

The current Deputy Mayor will assume the office of Mayor at the Annual Meeting.

The newly-elected Mayor will preside over the appointment of the Deputy Mayor-designate as Deputy Mayor.

At the immediate following Annual Meeting the current Mayor will preside over the election of the current Deputy Mayor to the office of Mayor for the ensuing municipal year in accordance with the protocol outlined above.

It is custom and practice at Wolverhampton that the Mayor and Deputy Mayor will be nominated and elected unopposed.

Financial Procedure Rules

Status and Overview

The Council, as a publicly-funded organisation, must demonstrate the highest standards of financial control and stewardship of public resources. The Financial Procedure Rules, along with the Budget and Policy Framework and the Contract Procedure Rules in the Constitution, are a set of procedures that everybody working for or on behalf of the Council must observe in order to achieve those high standards.

Status of the Financial Procedure Rules

1. The Financial Procedure Rules are an essential part of the Council's financial control framework. They apply to all business carried out by, or on behalf of, the Council and the West Midlands Metropolitan Authorities Pension Fund, whether by Councillors, employees, or third parties (including partnerships of which the Council is part) where appropriate (as determined by the Section 151 Officer). Separate Financial Procedures shall be issued by the Section 151 Officer for use by the Council's schools, drawing as appropriate on this document.
2. With regard to the West Midlands Metropolitan Authorities Pension Fund, in order to reflect the delegations to the Pensions Committee under the Council's Constitution when applying these Rules, the Pensions Committee should be substituted for the Cabinet or the Cabinet (Resources) Panel. In addition, the Pension Fund investment activity is governed by the Pension Fund's Statement of Investment Principles and Investment Compliance Manual and therefore these Financial Procedure Rules do not apply to this activity but any arrangements require approval of the Council's Section 151 Officer.
3. **Failure to comply with the Financial Procedure Rules and Contract Procedure Rules may lead to disciplinary action in the case of employees, or investigation by the Monitoring Officer and/or the Standards Committee in the case of Councillors.**
4. It is the responsibility of Directors to ensure that all employees reporting to them, directly or indirectly, are aware of and comply with the Financial Procedure Rules.
5. Directors must notify the Section 151 Officer of any failures to comply with the Financial Procedure Rules as soon as they become aware of them.
6. Where any individual or group has a responsibility under the Financial Procedure Rules, that responsibility may not be delegated unless the Financial Procedure Rules explicitly allow it.
7. Nothing in these Rules absolves, or is intended to absolve, any person of any statutory responsibilities.
8. Over and above complying with these Rules, employees and Councillors are expected at all times to demonstrate prudence and good stewardship of the Council's resources, and to act in the best interests of the Council at all times.

9. Employees must comply with all requests from the Section 151 Officer (or his/her delegate) for information required to discharge his/her statutory duties or fulfil his/her responsibilities under these Rules.
10. These Rules should be read in conjunction with the Budget and Policy Framework in this Constitution, the Contract Procedure Rules and the Human Resource Policies and Procedures.
11. Employees should contact Strategic Finance for advice if they are unclear about any part of these Rules.

CONTRACT PROCEDURE RULES

1. BASIC PRINCIPLES

- 1.1 The Contract Procedure Rules (CPRs) are made under the provisions of section 135 of the Local Government Act 1972 and govern the making of contracts for and on behalf of the Council.
- 1.2 All Contracts must be in writing. Officers should not agree to offers from providers verbally as this can create a binding verbal agreement.
- 1.1 All procurement procedures must:
 - 1.1.1 realise best value for money by achieving the optimum combination of whole life costs, and quality of outcome,
 - 1.1.2 be consistent with the highest standards of integrity,
 - 1.1.3 operate in a transparent manner,
 - 1.1.4 ensure fairness in allocating public contracts,
 - 1.1.5 comply with the Public Contract Regulations 2015 (PCR) and all legal requirements,
 - 1.1.6 ensure that non-commercial considerations do not influence any contracting decision,
 - 1.1.7 support all relevant Council priorities and policies, including the Medium Term Financial Plan, and
 - 1.1.8 comply with the Contract Procedure Rules.

NB These Rules shall be applied to the contracting activities of any partnership for which the Council is the accountable body unless the Council expressly agrees otherwise and to all third parties who undertake procurement on behalf of the Council.

2. OFFICER RESPONSIBILITIES

2.1 Officers

- 2.1.1 Officers will comply with:
 - (a) these Contract Procedure Rules (CPRs),
 - (b) the Council's Constitution, and
 - (c) with all UK legal requirements.

Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply.

- 2.1.2 Officers will:
 - (a) keep the records required by Rule 6 of these Contract Procedure Rules,

- (b) take all necessary procurement, legal, financial and professional advice, taking into account the requirements of these Contract Procedure Rules,
- (c) prior to letting a contract on behalf of the Council, check whether:
 - (i) the Council already has an appropriate contract in place in the Contracts Register, or:
 - (ii) an appropriate national, regional or other collaborative contract is already in place.

Where the Council already has an appropriate contract in place, then this must be used (subject to there being enough headroom in the advertised contract value and or permitted variations utilising Regulation 72 of the PCR) unless it can be established that the contract does not fully meet the Council's specific requirements in this particular case, and this is agreed following consultation with Procurement team and an Exemption must be completed.

Where an appropriate national, regional or collaborative contract is available, consideration should be given to using this, provided the contract offers value for money and meets strategic requirements of the Council.

- (d) ensure that when any employee, either of the Council or of a service provider, may be affected by any transfer arrangement, then any Transfer of Undertaking (Protection of Employment) issues are considered and legal, financial and HR advice from within the Council is obtained prior to proceeding with the procurement exercise.

2.1.3 Failure to comply with any of the provisions of these Contract Procedure Rules, the Council's Constitution or legal requirements may be brought to the attention of the Head of Audit, or relevant Officer as appropriate. Depending on the nature of the non-compliance this may result in disciplinary action being taken.

2.2 Directors/Heads of Service

2.2.1 Directors/Heads of Service will:

- (a) ensure their Service Area complies fully and are familiar with the requirements of these Contract Procedure Rules,
- (b) ensure contracts are recorded in the Contracts Register as held and maintained by Procurement, and original contract documents to be retained by Legal Services.
- (c) ensure compliance with U.K Law and Council policy;
- (d) ensure value for money and optimise risk allocation in all procurement matters;
- (e) ensure compliance with any guidelines issued in respect of these Contract Procedure Rules

- (f) take immediate action in the event of a breach of the Contract Procedure Rules or any Code of Practice within their directorate or service area;
- (g) ensure that all existing and new contracts anticipated during the forthcoming financial year are clearly itemized in the budget supporting documentation;
- (h) submit to the Procurement team tender forms as required by these Contract Procedure Rules;
- (i) ensure original contract documents are forwarded to the Legal Services for safekeeping;
- (j) ensure effective contract management, contract reviews and monitoring during the lifetime of all contracts in their areas;
- (k) seek and act upon advice from the Procurement team where necessary to ensure compliance with these responsibilities; and
- (l) keep records of waivers/variations of any provision of these Contract Procedure Rules.

2.2.2 Directors/Heads of Service must keep a register of

- (a) contracts entered into by or on behalf of the Council, and
- (b) exemptions recorded under Rule 3 and satisfy themselves that the use of exemptions has been monitored by the Procurement team.

3. EXEMPTIONS

- 3.1 These Contract Procedure Rules may be waived in exceptional circumstances, where this is needed an Exemption will be approved by the Head of Procurement and Director of Finance.
- 3.2 If the value of the Exemption is greater than the PCR threshold for Services and Supplies, then approval must be sought from the Cabinet Resources Panel.
- 3.3 An Exemption is approval that the CPR's cannot be followed for a reason that is out of the Council's control.
- 3.4 All Exemptions from the CPR's must be recorded using the Exemption Form and approved prior to entering the contract.
- 3.5 Circumstances where time is lost through inadequate forward planning or unnecessary delays will not constitute a reason for Exemption. Exemptions cannot be approved retrospectively.
- 3.6 Exemptions will only be approved as meeting any of the following criteria:
 - 3.6.1 An extension of up to 12 months, can be granted where there has been delay in the preparations for the procurement process as a result of the Covid-19 pandemic subject to the compliance with PCR;
 - 3.6.2 for one of the identified reasons on the exemption form provided by Procurement.

- 3.7 If an Exemption is not approved, then a change to what is being proposed will need to be undertaken to comply with the CPRs. If it is impossible to do this then a non-compliance will be recorded by Procurement, notified to the Audit team and an action plan to correct what is wrong will need to be put in place.
- 3.8 Where there are repeated requests for Exemptions or where non-compliances are occurring in a service team then the relevant Budget Manager and Procurement Business Partner will produce a plan to assess the situation and propose remedial action to be taken. This plan will be provided to the relevant Head of Service and Head of Procurement and will be discussed with the relevant Director of the service
- 3.9 These occurrences will also be reported to the Audit team for investigation.
- 3.10 A list of Exemptions that have been approved will be reported to Cabinet (Resources) Panel at the next available meeting.
- 3.11 Automatic exemptions will be applied to the following areas subject to compliance with the PCRs as determined by the Head of Procurement and Chief Operating Officer and in consideration of finance procedure rules and value for money:
- Public contracts between entities within the public sector subject to meeting the tests within Regulation 12 of the PCRs
 - The acquisition or rental, by whatever financial means, of land, existing buildings or other immovable property

 - Employment contracts

4. VARIATIONS AND EXTENSIONS

- 4.1 Prior to the award of a contract an Officer who will be responsible for managing the contract must be identified, known as the Contract Manager.
- 4.2 Reporting and monitoring processes appropriate to the size and nature of the contract must be put in place to ensure that all obligations are fulfilled by the contracted parties.

- 4.3 Contracts may only be varied to implement minor changes either increasing or decreasing the service and for services of a similar nature, these will be subject to Regulation 72 of the PCRs
- 4.4 Contracts should only be extended if options for extensions were included in the original contract and followed the correct authorisation process
- 4.5 Contract variations and extensions must follow the same authorisation process as though they were new procurements i.e. less than the Supplies & Services threshold requires Director approval, over the Supplies & Services threshold requires approval from Cabinet (Resources) Panel. The same threshold applies to all contracts including works and the “light touch” regime.
- 4.6 If the value of the original contract plus the sum of any extension or variation exceeds the thresholds within these CPRs with the result that a different procurement process should have been used, then an Exemption will need to be requested or potentially a new tender process will need to be conducted dependent on PCRs
- 4.7 For all contracts with a value of over £75,000, contract managers must consider maintaining a risk register during the contract period and undertake appropriate risk assessments for identified risks to ensure contingency measures are in place.
- 4.8 During the life of the contract, the contract manager must monitor in respect of:
 - (a) performance
 - (b) compliance with specification and contract
 - (c) cost

5. RELEVANT CONTRACTS

- 5.1 All Relevant Contracts must comply with these Contract Procedure Rules. A Relevant Contract is any arrangement made by, or on behalf of, the Council for the carrying out of works, supplies, goods, materials or services. These include arrangements for:
 - 5.1.1 the supply or disposal of goods or materials,

 - (a) the recruitment of staff
 - (b) land and property transactions
 - (c) financial and consultancy services
 - (d) the supply of staff by employment agents, consultants or any other companies
- 5.2 Relevant Contracts do not include:

- 5.2.1 contracts of employment which make an individual a direct employee of the authority,
- 5.2.2 agreements regarding the acquisition, disposal, or transfer of land (to which the Financial Procedure Rules apply), or:
- 5.2.3 the payment of grants to third parties.

NB While grants are not covered by these Contract Procedure Rules, there are rules on the awarding of grants which do need to be observed. The Council cannot simply choose to treat a procurement as a grant in order to avoid conducting a competitive process.

6. RECORDS

- 6.1 Adequate records, including electronic copies of contracts, shall be kept of each procurement process. These records will be kept for the time periods listed below:
 - 6.1.1 Ordinary contracts - contract expiry + 6 years
 - 6.1.2 Sealed contracts – contract expiry + 12 years
 - 6.1.3 Property maintenance contracts - contract expiry + 15 years.

 - 6.1.5 The standard retention rule for unsuccessful tenders is process complete (date of last paper) + 1 year.

7. ADVERTISING

Procurement will ensure that the minimum advertising requirements, in line with the PCR's and as outlined in the Contract Procedure Rules, are met.

8. FRAMEWORK AGREEMENTS

- 8.1 Framework Agreements are agreements between the Council and one or more suppliers for the provision of goods, works or services on agreed terms for a specific period, for estimated quantities against which orders may be placed if and when required during the contract period.
- 8.2 The term of a Framework Agreement must not exceed four years, unless a demonstrable economic case can be established, recorded and approved by the Head of Procurement and Chief Operating Officer prior to the procurement commencing.
- 8.3 Where Frameworks are awarded to several organisations, contracts based on Framework Agreements may be awarded in one of two ways, as follows:
 - (a) where the terms of the agreement are sufficiently precise to cover the particular call-off, by applying the terms laid down in the Framework Agreement without re-opening competition, or
 - (b) by holding a further competition in accordance with the procedure within the Framework Agreement.

9. PROCUREMENT PROCESS

- 9.1 The Contract Manager must establish the total value of the procurement including whole life costs and incorporating any potential extension periods which may be awarded.
 - 9.1.1 in the case of fixed-term public contracts less than 48 months in length, the total estimated value for the term of the contract.
 - 9.1.2 in the case of public contracts without a fixed term, or public contracts the term of which cannot be defined, the monthly value multiplied by 48.
- 9.2 Contracts must not be artificially under or overestimated or divided into two or more separate contracts where the effect is to avoid the application of Contract Procedure Rules and UK legislation.

Contract Procedure Rules

9.2 Assets for Disposal

9.2.1 Assets for disposal must be dealt with in accordance with the Council's Contract Procedure Rules.

10. STARTING A PROCUREMENT

10.1 If the value of a contract is forecast to be £75,000 or greater than the relevant Procurement Business Partner must be contacted at the earliest stage possible. A 'Starting a Procurement' form must be completed prior to the commencement of a procurement process.

10.2 The "Starting a Procurement" form considers risk with any contract and must be fully completed and signed off by relevant stakeholders prior to any procurement process commencing. When completing the form, procurement can support you. You will also require feed in from other teams. Some of the elements you will need to consider are listed below:

10.2.1 Risk within the contract and how to mitigate

10.2.2 Insurance and liability requirements:

- (a) the legal minimum of Five Million Pounds is required for employer's liability insurance.
- (b) Public liability insurance is not legally required in the UK, risks need to be considered to identify the correct cover, no contract should be absent of this type of insurance.
- (c) Professional indemnity insurance is not a legal requirement and will not be required in all contracts, it is usually required if the supplier provides professional services or advice.

10.2.3 Development of a specification

10.2.4 Key Milestones

10.2.5 Who will be in the evaluation panel?

10.2.6 Evaluation Criteria

10.2.7 Key Performance Indicators of the contract

10.2.8 Budget availability

10.2.9 TUPE if applicable

10.2.10 Information Governance

10.2.11 Equality implications

10.2.12 Health and Safety implications

- 10.3 Authority for awarding of contracts, greater than the supplies and services threshold, rests with Cabinet (Resources) Panel. In order to facilitate the timely award of contracts it can be beneficial to seek a delegation, at the start of the process, from Cabinet (Resources) Panel to the relevant Cabinet Member and Director. A standard template is available from Procurement.
- 10.4 Any contract with Council staff transferring under Transfer of Undertakings (Protection of Employment) Regulations 2006, regardless of value, will be also be subject to approval from Cabinet (Resources) Panel, or via an IEDN where delegation has been approved. A standard template is available from Procurement.
- 10.5 Where the contract is complex or high value the Cabinet (Resources) Panel may, by exception, request that a further report is provided setting out the results of the evaluation prior to the contract being awarded.
- 10.6 Where delegated authority has not been previously approved then authority to award the contract greater than the supplies and services threshold must be requested from the Cabinet (Resources) Panel. A standard template is available from Procurement.
- 10.7 A Conflict of Interest declaration must be signed by all parties, including Officers (including temporary, agency and interim staff), involved in the procurement process and submitted to the relevant Procurement Business Partner prior to a procurement commencing.
- 10.8 In the event of a conflict of interest See Rule 17.
- 10.9 Where a forecasted estimated contract value varies above 10% of the maximum delegation of a Director prior to award, following a tender process i.e. 10% above the supplies and services threshold, then a new contract award will need to be completed. Below 10%, but above the supplies and services threshold the relevant Director in consultation with the Director of Finance will approve the award of contract.
- 10.10 Publishing Contract Notices
- 10.10.1 All procurement documentation must be completed and published with the Contract Notice. This as a minimum should include the invitation to tender, specification, contract terms, evaluation criteria and background documentation. If applicable anonymised staffing and pensions liabilities information must also be issued.
- 10.11 Standard Selection Questionnaires (SSQ)
- 10.11.1 The Standard Selection Questionnaire (SSQ) is the questionnaire issued by Crown Commercial Service to be used as selection criteria within a procurement process.
- 10.11.2 SSQs must not be used for any procurement with a value less than the PCRS Services and Supplies threshold.
- 10.11.3 For procurements above the PCRS threshold for Services and Supplies then SSQs must be used as part of the selection process even if utilising the Light Touch Regime (LTR).
- 10.11.4 SSQs must follow the mandated questionnaire issued by the Crown Commercial Service and the Councils e-tendering system must be used.

10.12 Contents of a Request for a Quotation (RFQ) or an Invitation to Tender (ITT)

10.12.1 A Request for a Quotation (RFQ) is used for procurements with a value less than £75,001. The evaluation criteria is the lowest price or by exception most economically advantageous tender based on criteria published with the RFQ.

30. Light Touch Regime

30.1 The light-touch regime (LTR) is a specific set of rules for certain service contracts that tend to be of lower interest to cross-border competition. Those service contracts include certain social, health and education services, defined by Common Procurement Vocabulary (CPV) codes. The list of services to which the Light-Touch Regime applies is set out in Schedule 3 of the PCRs and a consolidated list can be seen below:

30.1.1 • Domestic help

30.1.2 • Supply services of nursing personnel

30.1.3 • Agency staff, Manpower, Home help services for households

30.1.4 • Education and training services

30.1.5 • Event services

30.1.6 • Festival organisation services

30.1.7 • Catering services for private households

30.1.8 • Canteen management services

30.1.9 • School-meal services

30.1.10 • Postal services

30.2 Services highlighted above still require the specific CPV codes in Schedule 3 to be listed otherwise they will be classified as a standard goods or services contract and will comply with regulations, accordingly, including the lower threshold. For a mixed contract including LTR and non-LTR services, the classification of the overall contract is determined by whichever constituent part is greater by value.

30.3 Below the LTR threshold, contracts do not normally need to be advertised in the UK e-notification service. The PCRs recognise that only services above the threshold identified in the biannual Procurement Policy Note covered by the LTR would normally be likely to be of cross border interest. Following from this, services below this threshold do not need to be advertised via the UK e-notification service, unless there are concrete indications of cross-border interest.

30.4 Mandatory Requirements

- 30.5 A small number of procedural rules for above these thresholds. The Council has to follow the light-touch set of procurement rules for LTR contracts above the relevant threshold. The main mandatory requirements are:
- 30.6 UK e-notification service advertising: The publication of a contract notice (CN) or prior information notice (PIN). Except where the grounds for using the negotiated procedure without a call for competition could have been used, for example where there is only one provider capable of supplying the services required.
- 30.7 The publication of a contract award notice (CAN) following each individual procurement, or if preferred, group such notices on a quarterly basis.
- 30.8 Compliance with PCRs principles of transparency and equal treatment.
- 30.9 Conduct the procurement in conformance with the information provided in the contract notice or pin regarding: any conditions for participation; time limits for contacting/responding to the authority; and the award procedure to be applied.
- 30.10 Time limits imposed by authorities on suppliers, such as for responding to adverts and tenders, must be reasonable and proportionate. There are no stipulated minimum time periods in the LTR rules, so the Council needs to use its discretion and judgement on a case by case basis.
- #### 30.11 Significant Flexibilities
- 30.12 The Council has the flexibility to use any process or procedure they choose to run the procurement, as long as it respects the other obligations above. There is no requirement to use the standard EU procurement procedures (open, restricted and so on) that are available for other (non-LTR) contracts. Authorities can use those procedures if
- 30.13 helpful, or tailor those procedures according to their own needs, or design their own procedures altogether.
- 30.14 The LTR rules are flexible on the types of award criteria that may be used, but make clear that certain considerations can be taken into account, including (this is not an exhaustive list):
- 30.15 the need to ensure quality, continuity, accessibility, affordability availability and comprehensiveness of the services;
- 30.16 the specific needs of different categories of users¹ , including disadvantaged and vulnerable groups;
- 30.17 the involvement and empowerment of users; and
- 30.18 innovation
- 30.19 Reserved contracts for certain services in the light-touch regime. The rules permit for certain LTR contracts to be “reserved” for organisations meeting certain criteria e.g. public service mutuals and social enterprises.

Code of Conduct for Councillors of City of Wolverhampton Council

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest

- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

The Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my

family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local or authorising their use by others:

- a. **act in accordance with the local authority's requirements; and**
- b. **ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with the Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011. **Appendix B sets** out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from the Monitoring Officer.

The following standard exemptions in relation to the granting of dispensations, in relation to members' allowances, business rates, plus housing matters and rents have been agreed by the Council:

- a. An allowance, payment or indemnity given to members or any ceremonial honour given to members.
- b. Setting a local scheme for the payment of business rates, including eligibility for rebates and reductions, for the purposes of the Local Government Finance Act 2012 as amended from time to time and any superseding legislation.
- c. Housing matters and rents (provided that those functions do not relate particularly to the member's tenancy or lease).

10. Gifts and hospitality

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However,

there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact the Monitoring Officer for guidance.

11.0 Disclosure and Barring Service (DBS) Checks

- 11.1 The Council takes its safeguarding responsibilities seriously. To this end, on 15 October 2013, Cabinet (Resources) Panel decided that criminal records checks would be carried out for all Councillors following election. Enhanced checks will be carried out for those Councillors who may, by virtue of their particular responsibilities, have unsupervised contact with children. (As of June 2015, this applied to the Cabinet Member for Children and Young People, the Cabinet Member for Education, and members of the Corporate Parenting Panel.) (As of December 2019, this applied to the Leader of the Council, Deputy Leader of the Council, Cabinet Member for Adult Services, Cabinet Member for Public Health, Chair of the Children, Young People and Families Scrutiny Panel, Mayor and Mayoress). This list will be amended, as necessary, by the Head of Paid Service and the Monitoring Officer. Standard checks will be carried out for all other Councillors.
- 11.2 Checks will be carried out every four years (normally to coincide with election or re-election). In the case of a by-election, a check will be carried out at the time of election and then again if the Councillor is re-elected, unless that date is within 12 months of the original check. Additional checks may be carried out for any Councillor at the discretion of the Head of Paid Service and the Monitoring Officer.
- 11.3 The Council recognises that information released in DBS certificates can be extremely sensitive and personal. Receipt, handling and consideration of the certificates will therefore be carried out in accordance with the Disclosure and Barring Service's code of practice.
- 11.4 Appointments made at Annual Council will be subject to the completion of a satisfactory enhanced DBS check where that is required by the role. In the event the checks reveal that a candidate is 'barred' the council reserves the right to withdraw the appointment.
- 11.5 Additionally, Councillors should report any change in personal circumstances that may impact on their suitability or appropriateness to undertake roles. All declarations should be made without delay.

Code of Conduct Councillors

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest.
Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Code of Conduct Councillors

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative, close associate; or
 - c. a body included in those you need to disclose under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter **affects** your financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Planning Code of Conduct for Councillors and Employees

1. Introduction

- 1.1 This Code has been written to advise all those concerned with planning matters at City of Wolverhampton Council. Planning is not an exact science, rather, it relies on informed judgement within a policy context. It can be highly contentious because its decisions affect the lives and the private interests of individuals, landowners, and developers. This is heightened by the openness of the system (it actively invites public opinion before taking some decisions) and the legal nature of development plans and decisions notices. It is important, therefore, that the process is open and transparent.
- 1.2 One of the key purposes of the planning system is to enable good development in the public interest. The Council should make planning decisions openly, impartially, with sound judgement, and for justifiable reasons. The process should leave no ground for suggesting that a decision has been partial, biased, or not well-founded.
- 1.3 Councillors and employees are requested to read this Code thoroughly and to put it into practice consistently. It is intended to review the Code regularly so that it remains useful and relevant. If any points are unclear or need review, please contact the Director of Governance or his/her nominated officer, the Head of Planning or Democratic Services. The responsibility for complying with the Code lies with the individual Councillor.

2. General Principles

- 2.1 Councillors are reminded that they are required to comply with the statutory provisions on the disclosure of interests, the Council's Constitution and the Council's Code of Conduct for Councillors, which forms part of the Constitution.
- 2.2 Employees involved in the processing and determination of planning matters must also act in accordance with the Council's Constitution and with the relevant sections of the Royal Town Planning Institute's Code of Professional Conduct and the Employee's Code of Conduct.
- 2.3 Whilst this Planning Code deals primarily with planning applications, its principles also apply to consideration of other planning matters. An overriding principle is that when local authorities are dealing with planning matters they should only take into account material planning considerations and ignore irrelevant matters. A key principle is that Councillors should represent the interests of the City as a whole.

3. General Roles of Councillors and Employees

- 3.1 Councillors and employees have different, but complementary roles; both serve the public but Councillors are responsible to the electorate, whilst employees are responsible to the Council as a whole. A successful

Planning Code of Conduct for Councillors and Employees

relationship between Councillors and employees can only be based upon mutual trust and understanding of each other's position. This relationship must never be abused or compromised.

- 3.2 When Councillors come to make a decision on a planning matter they must:
- a. Act fairly and openly;
 - b. Approach each application with an open mind;
 - c. Carefully weigh up all relevant issues;
 - d. Determine each application on its own merits;
 - e. Avoid contacts with interested parties which might be taken to indicate that they were unduly influenced by one party or another;
 - f. Ensure that there are clear and substantial reasons for their decisions, and that those reasons are clearly stated;
 - g. Avoid expressing a fixed view on a case before it is heard by the Planning Committee;
 - h. Declare any interests.
- 3.3 The employee's function is to advise and assist Councillors in matters of planning policy and in their determination of planning applications, enforcement issues and any other planning matters by:
- a. Providing impartial and professional advice;
 - b. Making sure that all relevant information necessary for the decision to be made is given;
 - c. Providing a clear, accurate and succinct analysis of the issues;
 - d. Setting planning applications, enforcement issues and other planning matters against the broader Development Plan policies and other relevant material considerations;
 - e. Giving a clear recommendation;
 - f. Carrying out the Committee's decisions.

4. Declarations of Interest

- 4.1 The Localism Act 2011 repealed the previous standards regime. It required the Council to introduce a code dealing with the conduct expected of Councillors. The Code has to be consistent with the Nolan Seven Principles of Standards in Public Life: Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty and Leadership.
- 4.2 This document is supplementary to the City Council's Code for Councillors. The Act abolished the previous regime of personal and prejudicial interests and replaced them with "Disclosable Pecuniary Interests". In addition to Disclosable Pecuniary Interests there are other interests which are commonly known as Non-Disclosable Pecuniary or Non-Pecuniary interests and which are referred to below.

4.3 Disclosable Pecuniary Interests (DPI's)

The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 defines DPI's and these are set out in the Schedule in the City Council's Code of Conduct.

Where a Councillor has a DPI or his/her spouse/civil partner/person with whom he/she is living as husband or wife or as if they were civil partners has a DPI (and the Councillor is aware that the other person has a DPI) he/she should declare the interest, must not participate and must not vote.

The Councillor must also decide whether to withdraw from the meeting. In deciding whether to withdraw from the room the Councillor must consider whether his/her continued presence would be incompatible with the Seven Principles of Standards in Public Life.

4.4 Other Interests (Non-Disclosable Pecuniary or Non-Pecuniary Interests)

There will be some circumstances in which the Councillor has an interest but it is not a DPI. Those are commonly known as personal interests (but not as defined under the previous regime).

- a. A Councillor has a personal interest where the decision relates to or is likely to affect the interests listed in the Schedule to the City Council's Code, not in respect of the Councillor or their spouse/partner etc. but in respect of another member of their family or a person with whom they have a close association.
- b. Also a Councillor has a personal interest where a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing of the Councillor or a member of their family or a person with whom they have a close association to a greater extent that it would affect the majority of Council Tax payer, ratepayers or inhabitants of the ward or electoral area for which they have been elected or otherwise of the Council's administrative area. Membership of a Trade Union constitutes a personal interest

- 4.5 It is the responsibility of the individual Councillor to consider whether to declare a personal interest and whether the interest warrants withdrawal from the meeting when the matter arises.

The table below sets out the action that should be taken (unless there are dispensations)

Planning Code of Conduct for Councillors and Employees

Type of interest	Action to be taken
Non-Pecuniary Interests/ Non-Disclosable Pecuniary Interests	Declare at start of meeting or as soon as it becomes apparent. Participate and vote unless continued presence incompatible with the Seven Principles of Standards in Public Life
Disclosable Pecuniary Interest	Do not influence the decision in any way. Do not participate or vote. Withdraw if continued presence incompatible with the Seven Principles of Standards in Public Life

- 4.6 Sanctions in respect of Disclosable Pecuniary Interests
There are various sanctions available including criminal proceedings. The Council's decision could be challenged and the Council could be liable to pay compensation. In extreme cases the Councillor would also be held liable to pay compensation.

5. Pre-Application and Pre-Decision Discussions

- 5.1 The Localism Act, particularly Section 25, has given Councillors more freedom to engage in pre-application and pre-decision discussions. Nevertheless, in order to avoid perceptions that Councillors might have fettered their discretion, such discussions should take place within the following guidelines:
- a. Councillors and employees should make it clear at the outset that the discussions will not bind the Council to making a particular decision and that any views expressed are personal and provisional.
 - b. Employees should be present with Councillors in meetings. Councillors should avoid giving separate advice on the development plan or material considerations as they may not be aware of all the issues at an early stage. Neither should they become drawn into any negotiations which should be done by employees (keeping interested Councillors up to date) to ensure that the authority's position is co-ordinated.

6. Attendance at Public Meetings

- 6.1 When attending public meetings, Councillors must be accompanied by an employee and they should take great care to maintain their impartial role as a Councillor. They should listen to the points of view expressed by the speakers

Planning Code of Conduct for Councillors and Employees

and the public. Councillors must not state a conclusive decision on any pre-application proposals and submitted planning applications. To do so could lead to allegations of prejudice or bias and prevent the Councillor from taking part in the decision making process.

7. Lobbying and Predetermination

7.1 It is likely that on occasion Councillors will be approached by prospective and actual applicants (and agents) or members of the public with a view to them lending support to the proposal, or indeed opposing it. When Councillors are lobbied they need to exercise great care to maintain the Council's reputation, the Councillor's own integrity and the public perception of the planning process.

7.2 It was considered that previous rules stifled discussions. Section 25 of the Localism Act 2011 has changed the previous rules of pre-determination and lobbying to some degree. It acknowledges that Councillors are often under pressure to play an active part in local discussions and so there is more scope for involvement in local issues.

"Past history of a closed mind is now irrelevant unless there is also evidence of a closed mind at the actual time of the decision".

7.3 Earlier comments or actions may be taken into account with what happens at the meeting. So, if a Councillor had supported the application before the meeting, and then appears to try to push through the application at the meeting, an appearance of a closed mind would be found. Conversely comments made before the meeting would be irrelevant if there was demonstrated to be careful and open-minded consideration at the meeting.

7.4 If they are approached, Councillors may wish to refer the person to another Councillor who is not a member of the Planning Committee or to the Planning Case Officer. If the lobbying persists then Councillors should expressly state that whilst they can listen to what is said, if they give any commitment (for or against) in respect of the application/proposal without all relevant information, it could prevent the Councillor from taking part in the decision making process.

7.5 Other than for formal site visits, Councillors should not enter the premises or sites which are, or are likely to be, the subject of a planning application.

8. The Party Whip

8.1 Councillors must not accept an instruction from anyone to determine an application in a particular manner but must determine the issue on its merits. Therefore, it is inappropriate for any Party Group to instruct its members to vote in a particular manner. Where such a "Whip" has been applied, Councillors should declare it in exactly the same manner as they would declare any other attempt at lobbying.

9. Public Participation

- 9.1 The Council allows public speaking in accordance with its public speaking protocol. Details of the protocol are available from the Head of Planning or Democratic Services.

10. Reports to Planning Committee

- 10.1 Reports to the Planning Committee on applications and other planning matters should be clear, accurate and succinct. They should include a written recommendation, give clear and unambiguous reasons for granting planning permission (with conditions to be attached) or refusal (with reasons).
- 10.2 The Chair, at the request of any member of the Committee, may adjourn the meeting for a reasonable period of time to enable the Councillors to have an opportunity of reading any information which has been tabled by the employees at the meeting.
- 10.3 As a general rule the members of the Committee will not take into account any written information at the meeting which has not been submitted by the developer/applicant or any consultees (including local residents) as part of the application process. However, in exceptional circumstances the Chair, in consultation with the employees present, may exercise his/her discretion to consider new information if it is appropriate to do so.

11. The Decision Making Process

- 11.1 Councillors should not take part or vote on any matter if they have not read the committee report or if have not been present throughout the consideration of such matter (unless the item has been deferred from a previous meeting after being partially considered).
- 11.2 In discussing and determining a planning matter, Councillors should confine themselves to the planning merits of this case. The reasons for making a final decision should be clear, convincing and supported by material considerations and the planning merits.
- 11.3 Occasionally members of the Planning Committee will disagree with the professional advice given by the Head of Planning or his representative. As indicated above, planning is not an exact science and there can be genuine disagreement about the implications of a particular proposal. A senior legal officer will be present at Committee and will advise the Committee if the facts cannot support the conclusion which the Councillors have drawn and if the Committee is in danger of acting unreasonably. Any reasons for refusal or conditions associated with granting an application, which is contrary to the recommendation made by employees should be clear, convincing and based on sound planning grounds, failing which, the City Council may be put at risk of costs.

Planning Code of Conduct for Councillors and Employees

11.4 Where Councillors wish to add or amend conditions or reasons for the refusal, the general content will be agreed at the meeting before the vote is taken and the final wording will generally be delegated to the relevant employee.

12. Committee Site Visits

12.1 A site visit is private and its purpose is for Councillors to gain knowledge of the development proposal and to observe the characteristics of the site and its relationship to its surroundings. A site visit should only be called by the Planning Committee itself:-

- a. Where the impact of a proposed development is difficult to visualise from the submitted plans and any additional supporting material;
- b. Where there is a good reason why the comments of the applicants and/or any objectors to, or supporters of, the proposals cannot be expressed adequately in writing;
- c. Where the proposal is particularly contentious.

12.2 Site visits are not part of the formal consideration of the application and therefore public rights of attendance do not apply. They enable questions to be asked on site for clarification. Discussion on the merits of the application will only take place at the subsequent Committee.

12.3 The site visit shall take place during normal working hours as far as is practicable unless there are reasons which dictate otherwise.

13. Development Proposals of Councillors, Employees and the Council

13.1 Councillors and Employees should never act as agents for individuals (including a company, group or body) pursuing an application, enforcement issue or other planning matter. If Councillors or employees submit their own development proposal to the Council they should take no part in its processing or the decision-making. The Council's Monitoring Officer should be informed by the Councillor of all such proposals as soon as they are submitted and shall ensure that such applications and/or matters are dealt with in a correct and open manner.

13.2 Applications made on behalf of the Council for its own development must be determined in an identical manner to applications made by the general public and with the same planning policy considerations applied. The Council's current practices and procedures achieve this with identical consultation and publicity in relation to the application. Decisions must be made strictly on planning merits and without regard to any financial or other gain which may accrue to the Council if the development is permitted.

14. Planning Agreements

14.1 Applications which propose or require planning obligations by agreement will generally be determined by the Planning Committee. The main issues to be addressed by the agreement will be included in the written report. If Councillors recommend an agreement which is not referred to in the report, Councillors should take into account the tests in the National Planning Policy Framework; Planning Obligations should only be sought where they meet all of the following terms:

- a. necessary to make the development acceptable in planning terms
- b. directly related to the development and
- c. fairly and reasonably related in scale and kind to the development.

15. Filming

15.1 The City Council has a policy relating to recording and filming of meetings. The policy is set out in the Council's Constitution

16. Training

16.1 No Councillor should be appointed to the Planning Committee without having agreed to participate in educational training programmes directed towards the role of Councillors in making planning decisions.

Code of Conduct for Employees

1. Introduction

- 1.1 The public is entitled to expect the highest standards of conduct from all employees who work for local government. This Code of Conduct outlines existing laws, regulations and conditions of service to assist employees in their day-to-day work. The Code has been produced in light of the challenges that employees face in a new and more commercially orientated environment.
- 1.2 The aim of the Code is to lay down guidelines for local government employees which will help maintain and improve standards and protect employees from misunderstanding or criticism.
- 1.3 Employees must not, either in an official capacity or in any other circumstance, conduct themselves in a manner which could reasonably be regarded as bringing the Council into disrepute.
- 1.4 Employees who fail to meet the highest standard of conduct will be managed in accordance with the Council's Disciplinary Policy and Procedure.

2. Scope

- 2.1 The Code applies to all local government employees in Wolverhampton. Inevitably some of the issues covered by the Code will affect senior, managerial and professional employees more than it will others. The Code is intended to cover all employees under a contract of employment within the Council, including office holders such as registrars.

3. Principles

- 3.1 The Council has five core PRIDE behaviours that are at the heart of every employee's contract of employment and all work should be undertaken in accordance with these.

4. Standards

- 4.1 Local government employees are expected to give the highest possible standard of service to the public and where it is part of their duties, to provide appropriate advice to Councillors and fellow employees in an impartial manner. Employees will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of the appropriate level of management any deficiency in the provision of service. Employees must report any impropriety or breach of procedure to the attention of a Senior Manager.
- 4.2 In carrying out their duties, employees will act with professionalism and will follow the Council's Every Contact Counts customer service standards at all times.
- 4.3 The Council must maintain the image of a professional public service organisation, providing high quality services. Therefore, all employees must ensure they present

a tidy and professional image of the council and present a positive first impression. All employees must ensure that they are appropriately dressed for their duties.

- 4.4 The City of Wolverhampton Council respects the right for employees to adhere to religious and cultural observances, however, employees who wish to make modifications to their uniforms to reflect their beliefs must discuss and agree them with their line manager.
- 4.5 The council will allow some modification to the uniform for employees with specific medical conditions, however employees who wish to make such modifications to their uniforms or work attire must agree them with their line manager in conjunction with Corporate Communications.
- 4.6 Employees who are provided with an access pass or identification card must wear them on a corporate branded lanyard at all times. All employees who have daily, face-to-face contact with our customers must wear a name badge at all times.
- 4.7 Employees must not wear their uniform, access pass or identification cards when not at work, and are required to return all items on termination of their contract of employment on their last day of work. This is to maintain the integrity of the council's corporate image by minimising the risk of the council being misrepresented. Corporate uniforms, access passes and identification cards must **not** be made available to non-council employees.

5. Disclosure of Information

- 5.1 It is accepted that open government is best. The law requires that certain types of information must be made available to Councillors, auditors, government departments, service users and the public. The law also recognises that this information is confidential. Employees should ensure that confidentiality of information is maintained as required by the law and by the Council.
- 5.2 Employees must not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass information on to others who might use it in such a way. This is also expected and should be applied when employment with the Council has terminated and the person is no longer an employee. Any particular information received by an employee from a Councillor which is personal to that Councillor and does not belong to the Council should not be divulged by the employee without the prior approval of that Councillor, except where such disclosure is required or sanctioned by the law.
- 5.3 Employees must ensure that they adhere to the Council's Information Governance Framework and associated policies and procedures at all times.

6. Political Neutrality

- 6.1 Employees serve the Council as a whole. It follows they must serve all Councillors and not just those of the controlling group and must also ensure that the individual rights of all Councillors are respected.

- 6.2 It is recognised in some circumstances that political parties will wish to formulate their policies in private yet require employee input. Confidentiality should be maintained in these circumstances.
- 6.3 Employees (whether or not politically restricted under the provisions of the Local Government and Housing Act 1989) must follow every lawful expressed policy of the Council and must not allow their own personal or political opinions to interfere with their work.
- 6.4 Political assistants appointed in accordance with the Local Government and Housing Act 1989 are exempt from the standards set in paragraphs 6.1 and 6.3.

7. Relationships

7.1 Councillors

Employees are responsible to the Council through its senior managers. For some, their role is to give advice to Councillors and senior managers and all are there to carry out the Council's work. Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other employees and Councillors and should therefore be avoided.

7.2 The Local Community and Service Users

Employees should always remember their responsibilities to the community they serve and ensure that a courteous, efficient and impartial service is delivered to all groups and individuals within that community as defined by the policies of the Council.

Employees should avoid unnecessary personal familiarity with service users and customers that they come into contact with in the course of their work. They should not use their position to either take unfair advantage of members of the public who use Council services or allow themselves to be unduly influenced by them. Employees must ensure their professional integrity is maintained at all times.

7.3 Contractors

All relationships of a business or private nature with external contractors, or potential contractors, should be made known to a senior manager. Orders and contracts must be awarded on merit, by fair competition against other tenderers, and no special favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship to their Senior Manager.

7.4 Spouses, partners and close personal friends

Employees who have a close personal relationship with any other employee of the Council should take special care to ensure that the relationship does not interfere with normal working relationships and does not cause others to doubt that they will be treated fairly. If it does, appropriate action will be taken in such circumstances.

People who already have a close personal relationship should not seek employment in the same work group. Senior managers have a particular responsibility to ensure that there can be no question of favouritism or bias in the appointment or treatment of any person with whom they have a close personal relationship outside of their particular work group.

Where employees are involved in a close personal relationship with a work colleague that has broken down, they must ensure that they do not involve others in their private affairs within the workplace. Relations and/or their breakdown must not interfere with working arrangements.

Employees who are in, or embark on, a close personal relationship within the same service or department must declare the relationship to their manager and may voluntarily sign the protocol at Appendix 1 to help ensure probity and appropriate behaviours. Dependent on the working arrangements, the nature of the post(s) held and an assessment of the potential risk to the organisation, the relevant Director or senior officer may **require** employees to sign the relationship protocol. Signed relationship protocols will be maintained confidentially by the Deputy Director of People and Change and a copy placed on each individual's personal file. Protocol is available on a voluntary basis in cases where staff are engaged in a close personal relationship that is further removed from working in the same department.

8. Appointment and Other Employment Matters

8.1 Employees involved in appointments should ensure that these are made on the basis of merit. It is improper for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant or have a close personal relationship outside work with him or her.

8.2 Similarly, employees should not be involved in decisions relating to discipline, promotion, or pay adjustments for any other employee who is a relative, partner, etc.

9. Outside Commitments

9.1 All employees should be clear about their contractual obligations with the Council and should not take outside employment which conflicts with the Council's interests. Employees should declare to their senior manager any outside commitments that could be considered as having some similarity with their Council duties or might cause conflict.

9.2 The Council retains ownership of intellectual property or copyright created during a person's employment.

10. Personal Interests

10.1 The Chief Operating Officer will maintain a register of employees' interests outside their contract of employment. All employees should, without delay, notify the Chief Operating Officer and their Senior Manager of outside interests which cover: -

a. Any non-financial interests that they consider could bring about conflict with the Council's interests;

b. Any financial interests which could conflict with the Council's interests;

c. Membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct.

10.2 The register of employees' interests will be kept on a confidential basis.

11. Equality Issues

11.1 All local government employees should ensure that policies relating to equality issues as set down by the Council are compliant with the requirements of the Equality Act 2020 and its Public Sector Equality Duty (PSED). It is the councils moral duty and by Law all members of the local community, customers and other employees have the right to be treated with fairness and equity.

12. Separation of Roles during Tendering

12.1 Employees involved in the tendering process and or dealing with contractors should be clear on the separation of client and contract roles within the Council. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.

12.2 Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers other contractors and sub-contractors.

12.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

12.4 Employees contemplating a management buy-out should, as soon as they have formed a definite intent, inform the Chief Executive and withdraw from the contract awarding processes.

12.5 Employees should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

13. Corruption

- 13.1 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity. If an allegation is made it is for the employee to demonstrate that any such rewards have not been corruptly obtained.

14. Use of Financial Resources

- 14.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

15. Hospitality

- 15.1 Employees should accept offers of hospitality only if there is a genuine need to impart or receive information or represent the Council in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the Council should be seen to be represented. They should be properly authorised and recorded.
- 15.2 When hospitality has to be declined those making the offer should be courteously but firmly informed of the procedures and standards operating within the Council.
- 15.3 Employees should not accept significant personal gifts from contractors and outside suppliers, although employees can keep insignificant items of token value such as pens, diaries, etc.
- 15.4 When receiving authorised hospitality employees should be particularly sensitive as to its timing in relation to decisions which the Council may be taking affecting those providing the hospitality.
- 15.5 Acceptance by employees of hospitality through attendance at relevant conferences and courses is acceptable where it is clear the hospitality is corporate rather than personal, where the Council gives consent in advance and where the Council is satisfied that any purchasing decisions are not compromised. Where visits to inspect equipment, etc. are required, employees should ensure that the Council meets the cost of such visits to avoid jeopardising the integrity of subsequent purchasing decisions.

16. Sponsorship – Giving and Receiving

- 16.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts of hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 16.2 Where the Council wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to a Senior Manager of any interest. Similarly,

where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

17. Use of Council Assets

- 17.1 Council assets comprise of not only physical and financial resources but also computer data and information.
- 17.2 Employees must ensure they have the necessary authorisations and permissions before using council property.
- 17.3 Employees must ensure they comply with the Council's policy on the Personal Use of ICT and Social Media and the Council's Information Governance Framework.

18. Whistleblowing

- 18.1 The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment employees are encouraged to come forward and voice any serious concerns they may have over any aspect of the Council's work.
- 18.2 If employees become aware of any activities that are non-compliant with this Code of Conduct, they must report the matter through the Council's Whistleblowing Policy.
- 18.3 Employees can raise concerns of wrongdoing through the Safe Space portal 24/7 365 days of the year.
- 18.4 Any employees who raise concerns do so without the fear of victimisation, subsequent discrimination or disadvantage.

19 Liability of Employees -

- 19.1 This section sets out the support which the Council gives to employees if claims are made against them by third parties arising out of alleged acts or defaults whilst they are carrying out their duties and responsibilities as employees of the Council. NB: for the purposes of this policy, any Returning Officer appointed by the Council is covered by the term 'employee' as used hereafter.
- 19.2 Providing an employee is not acting in a fraudulent or dishonest manner, and is not reckless or grossly negligent, or acting outside the scope or spirit of his or her normal duties, the Council will provide liability cover for any action taken against the employee by third parties arising out of the normal course of carrying out Council business, including the management of elections or referenda. This cover does not prevent disciplinary action being taken where appropriate and cover cannot be provided for criminal, wilful or reckless acts.

- 19.3 Claims may arise in a number of ways:
- a. As the result of a direct action by a third party against the employee;
 - b. As a result of the employee being joined in an action by a third party against the Council;
 - c. As a result of a direct action by a third party against the Council.
- 19.4 The general rule of law is that an employer is liable for the acts or defaults of an employee provided that individual was acting within the scope of his/her employment. This can also extend to the situation where a third party reasonably believes the employee had proper authority to do what he or she has done, even if this is not actually the case.
- 19.5 It is normal practice in the public and private sectors for employing bodies to indemnify their employees. Employees of City of Wolverhampton Council are covered by a resolution of the Finance and General Purposes Committee dated 13 April 1987:
That the Council shall indemnify in perpetuity all employees and former employees of the Council against all liability, professional or otherwise, for negligence or negligent omission or breach of contractual or statutory duty arising out of the employee's employment with the Council and that such indemnity shall extend to any such liability arising out of the employee's engagement of duties undertaken by the Council on behalf of any other authority or body.
Provided that such indemnity shall not extend to any liability arising as a result of fraud, dishonesty or other criminal activity or of wilful misconduct, gross negligence or gross dereliction of duty on the part of the employee.
- 19.6 The indemnity will not apply if any employee, without the authority of the Council, admits liability or negotiates or attempts to negotiate a settlement of any claim falling within the scope of this policy.
- 19.7 Insurance cover relevant to employees is as follows:
- Public and employers' liability
 - Officials indemnity (financial loss to third parties)
 - Libel and slander
 - Cash in transit
 - Personal accident (assault)
 - Travel cover (on request) for official journeys outside the UK
 - No claims bonus and excess protection cover (on request and contributory premiums)
- 19.8 Where an employee is involved with an external body or company, the situation is more complex and depends on the nature of the role undertaken, whether as an observer, adviser or part of the management of the organisation. This is covered in more detail in the Code of Practice for Service on Outside Bodies, approved by the Audit Committee on 27 February 2006.

19.9 As part of its risk management, the Council sometimes agrees deductibles (an excess) for an insurance policy at a higher level than may be required by the market. The cost of any deductible is met out of the Council's Insurance Fund. In the event that a claim is made against an employee in respect of duties carried out in the course of his or her employment, the Council will indemnify the employee against the cost of any deductible that may fall due, subject to the provisions outlined above.

Protocol for Councillor/Employee Relations

1. Introduction

- 1.1 This protocol is intended to guide members and officers of the Council in their working relations with each other. It is part of the Council's wish to uphold standards of conduct amongst councillors and officers.
- 1.2 A number of other documents also deal with standards of conduct for Councillors and officers and lay down procedures for the proper conduct of Council business. These include:
- Local Government Act 2000
 - Localism Act 2011
 - The Council's Constitution, specifically:
 - The Code of Conduct for Councillors of the City of Wolverhampton Council (part 5)
 - The Code of Conduct for Employees (part 5).
- 1.3 Its purpose is:
- a. To promote trust, openness, fairness and honesty by establishing some ground rules;
 - b. To define roles so as:
 - to clarify responsibilities
 - to avoid conflict, and
 - to prevent duplication or omission;
 - c. To secure compliance with the law, codes of conduct and the Council's own practices; and
 - d. To lay down procedures for dealing with concerns by Councillors or employees.
- 1.4 The protocol should be recognised both as a central element of the Council's corporate governance, and as a commitment to upholding standards of conduct in public life. It is one way of demonstrating to the public at large that local government is serious about protecting and enhancing its integrity and reputation.
- 1.5 Whilst not covering every eventuality, it seeks to strengthen a good working relationship, to clarify possible areas of doubt and to offer advice as to how to deal with particular situations which might arise.
- 1.6 Whilst many of the situations which fall within this protocol will undoubtedly relate to councillors and senior officers, the same aspects of conduct apply to all employees.

2. Definitions

- 2.1 Unless the context indicates otherwise, references to the term *Council* include the Cabinet, Scrutiny Board, Scrutiny Panels and Regulatory or other Committees.
- 2.2 Unless the context indicates otherwise, the terms Councillor and Councillors include non-elected (i.e. co-opted or independent) members as well as elected Councillors.
- 2.3 Employees mean all persons employed by the Council.
- 2.4 “*Designated Officer*” is defined in the Cabinet Procedure Rules as the Head of Paid Service, a Director or other senior employee authorised by him/her for this purpose.
- 2.5 “*Section 151 Officer*” means the Director of Finance.
- 2.6 “*Monitoring Officer*” means the Chief Operating Officer.

3. Principles

- 3.1 Councillors and employees must at all times observe this protocol.
- 3.2 The protocol is based on the model drawn up by the Association of Council Secretaries and Solicitors and has been approved by the Council’s Standards Committee who will monitor its operation.
- 3.3 The protocol seeks to maintain and enhance the integrity (real and perceived) of local government which demands the highest standards of personal conduct. Councillors and employees must always respect the roles and duties of each other. They must show respect in all their dealings by observing reasonable standards of courtesy, and by not seeking to take unfair advantage by virtue of their position.
- 3.4 Whilst Councillors and employees are indispensable to one another, their responsibilities are distinct. Councillors are accountable to the electorate and serve only as long as their term of office lasts. Employees are accountable to the Council as a whole. Their job is to give advice to Councillors (individually and collectively) and to carry out the Council’s work under the direction of the Council.
- 3.5 The Council has adopted codes of conduct for both Councillors and employees. Both represent best practice. The Councillors’ code follows the national code which in turn is based on the general principles governing Councillors’ conduct enshrined in law. These principles underpin this protocol.

Protocol for Councillor/Employee Relations

3.6 Breaches of this protocol by a Councillor may result in a complaint to the Standards Committee if it appears the Councillors' code has also been breached. Breaches by an employee may lead to disciplinary action.

4. The Role of Councillors

4.1 Councillors have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, Councillors may wish to seek the advice of senior colleagues, the relevant senior officer(s), and/or the Monitoring Officer.

4.2 Collectively, Councillors are the ultimate policy-makers determining the core values of the Council and approving the authority's policy framework, strategic plans and budget. Councillors represent the community, act as community leaders and promote the social, economic and environmental well-being of the community often in partnership with other agencies. Every Councillor represents the interests of, and is an advocate for, his/her Ward and individual constituents. He/she represents the Council in the Ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local bodies.

4.3 As politicians, Councillors may express the values and aspirations of the party-political groups to which they belong, recognising that in their role as Councillors they have a duty always to act in the public interest.

4.4 Councillors are not authorised to instruct employees other than:

- a. Through the formal decision-making process;
- b. To request the provision of consumable resources provided by the Council for Councillors' use;
- c. Where employees have been specifically allocated to give support to a Councillor or group of Councillors and;
- d. In the case of political assistants.

4.5 Councillors are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council. Councillors must avoid taking actions which are unlawful, financially improper or likely to amount to maladministration. Councillors have an obligation under their code of conduct to have regard when reaching decisions, to any advice provided by the Monitoring Officer or the Section 151 Officer.

4.6 Councillors must respect the impartiality of employees and do nothing to compromise it, for example by insisting that an employee change his/her professional advice.

5. The Role of Employees

- 5.1 Employees are responsible for giving advice to Councillors to enable them to fulfil their roles. In doing so, employees will take into account all available relevant factors. Under the direction and control of the Council, employees manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues. Employees have a duty to implement decisions of the Council, which are lawful, and which have been properly approved in accordance with the requirements of the law and the Council's Constitution.
- 5.2 Employees have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views. Employees must assist and advise all parts of the Council. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions. Employees must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Councillors, the media or other sections of the public.
- 5.3 Employees must at all times keep members fully informed about significant issues which affect their wards or bodies on which they represent the authority. This is fundamental to the Council's wish to enhance the representational role of councillors. For example, if the authority conducts a consultation exercise in the borough, relevant members, including ward councillors should be notified at the beginning of the exercise.
- 5.4 Employees have the right not to support Councillors in any role other than that of employee, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on employees' involvement in political activities.

6. The Relationship between Councillors and Employees

- 6.1 The conduct of Councillors and employees should be such as to instil mutual confidence and trust. The key elements are a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately.
- 6.2 Informal and collaborative two-way contact between Councillors and employees is encouraged. But personal familiarity can damage the relationship, as might a family or business connection. Councillors and employees should inform the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles.
- 6.3 It is not enough to avoid actual impropriety. Councillors and employees should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship has been disclosed, those concerned should avoid a situation

Protocol for Councillor/Employee Relations

where conflict could be perceived. Specifically, a Councillor should not sit on a body or participate in any decision which directly affects the employee on a personal basis.

- 6.4 With the exception of political assistants, employees work to the instructions of their senior officers, not individual Councillors. It follows that, whilst such employees will always seek to assist a Councillor, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, Councillors should normally direct their requests and concerns to a senior officer, at least in the first instance.
- 6.5 Employees will do their best to give timely responses to Councillors' enquiries. However, employees should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Councillors should avoid disrupting employees' work by imposing their own priorities. Councillors will endeavour to give timely responses to enquiries from employees.
- 6.6 An employee shall not discuss with a Councillor personal matters concerning him/herself or another individual employee. This does not prevent an employee raising on a personal basis, and in his/her own time, a matter which his/her Ward Councillor.
- 6.7 Councillors and employees should respect each other's free (i.e. non-Council) time.

7. The Council as Employer

- 7.1 Employees are employed by the Council as a whole.
- 7.2 Councillors' roles are set out in the Employee Employment Procedure Rules set out in Part 4. If participating in the appointment of employees, Councillors should:
- a. Remember that the sole criterion is merit (other than in the case of political assistants where political consideration may apply);
 - b. Never canvass support for a particular candidate;
 - c. Never take part where one of the candidates is a close friend or relative;
 - d. Not to be influenced by personal preferences, and
 - e. Not favour a candidate by giving him/her information not available to the other candidates.
- 7.3 A Councillor should not serve on an appeal hearing if the appellant is a friend, a relative, or an employee with whom the Councillor has had a working relationship.

8. Mayor and Employees

- 8.1 The Mayor is the first citizen of the City. His/her role is to be an ambassador for the authority and to chair full Council meetings. Officers must give every support to the Mayor in the execution of these duties. However, the Mayor does not have any executive powers.

9. Cabinet Members and Employees

- 9.1 Cabinet Members will take decisions in accordance with the Constitution and will not otherwise direct employees. Designated Officers will be responsible for instructing employees to implement the decisions of the Cabinet.
- 9.2 Designated Officers (including the Head of Paid Service, the Monitoring Officer and the Section 151 Officer) have the right to submit papers to the Cabinet as a whole or to individual Cabinet Members for consideration.
- 9.3 Designated Officers and Cabinet Members shall agree mutually convenient methods of regular contact. Before taking any formal decision, the Cabinet will seek appropriate professional advice.
- 9.4 Before any formal decisions with a financial implication are taken by the Cabinet, the Section 151 Officer and the Designated Officer(s) for the service(s) concerned must be consulted. This is to ensure that those employees who are budget holders:
- a. Are aware of the proposed decision;
 - b. Have the opportunity to offer advice, and
 - c. Are subsequently able properly to authorise the financial transactions needed to implement decisions.
- 9.5 An individual Cabinet Member who is minded to write or commission a report or to make a decision about a matter within his/her responsibility must ensure that those other Councillors and employees who need to know of the matter are so informed. There is a particular requirement to involve other Cabinet Members on cross-cutting issues.
- 9.6 Cabinet Members when making decisions (whether collectively or individually) must state the reasons for those decisions. The written record of the decisions must include the reasons.
- 9.7 Employees taking decisions under their delegated powers must consider the advisability of informing the relevant Cabinet Member(s) of their intentions in advance when the matter to which the decisions relates is likely to be sensitive or contentious or have wider policy implications.

10.0 Overview and Scrutiny Councillors and Employees

10.1 Chairs and other leading overview and scrutiny Councillors shall maintain regular contact with the employees providing the principal support to the overview and scrutiny function. In consultation with Chairs, it shall be the responsibility of the employee to ensure that those who need to know of matters being considered at meetings or for possible future consideration at meetings are so informed.

10.2 The Scrutiny Board and Scrutiny Panels may require employees to attend before them in accordance with the Overview and Scrutiny Procedure Rules and any protocol.

11. Members of Regulatory or other Committees and Employees

11.1 Designated Officers will offer to arrange regular informal meetings with Chairs, Vice-Chairs and spokespersons of Regulatory or other Committees.

11.2 Designated Officers (including the Head of Paid Service, Monitoring Officer and the Section 151 Officer) have the right to present reports and give advice to Regulatory or other Committees.

11.3 Members of a Regulatory or other Committee shall take decisions within the remit of that Body and will not otherwise instruct employees to act.

12. Party Groups and Employees (Excluding Political Assistants)

12.1 Designated Officers may properly be asked to contribute to deliberations of matters concerning Council business by party groups. An employee who is not a Designated Officer shall not be invited to attend a party group meeting, but a Designated Officer may nominate another employee to attend on his/her behalf.

12.2 Employees have the right to refuse such requests and will normally not attend a meeting of a party group where some of those attending are not Councillors. If some of those present are not Councillors, care must be taken not to divulge confidential information relating to Council business. Persons who are not Councillors are not bound by the Councillors' Code of Conduct. They do not have the same rights to Council information as Councillors. No Councillor will refer in public or at meetings of the Council to advice or information given by employees to a party group meeting.

12.3 Employees support will not extend beyond providing factual information or professional advice in relation to matters of Council business. Employees must not be involved in advising on matters of party business, and therefore should not be expected to be present at meetings or parts of meetings when such matters are to be discussed. The duration of an employee's attendance at a party group meeting will be at the discretion of the group, but an employee may leave at any time if he/she feels it is no longer appropriate to be there.

Protocol for Councillor/Employee Relations

- 12.4 Party group meetings are not empowered to make decisions on behalf of the Council, and conclusions reached at such meetings do not rank as formal decision. The presence of an employee confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so. Where employees provide factual information and advice to a party group in relation to a matter of Council business, this is not a substitute for providing all the necessary information and advice when the matter in question is formally considered by the relevant part of the Council.
- 12.5 It must not be assumed that an employee is supportive of a particular policy or view considered at a party group meeting simply because he/she has attended or provided information to the meeting. An employee should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting.
- 12.6 Employees will respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by the party group, will not relay the content of such discussions to another party group or to any other Councillors. This shall not prevent an employee providing feedback to other senior officers on a need to know basis.
- 12.7 In their dealing with party groups, employees must treat each group in a fair and even-handed manner. An employee accepting an invitation to the meeting of one-party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each.
- 12.8 Councillors must not do anything which compromises or is likely to compromise employees' impartiality.
- 12.9 Any particular cases of difficulty or uncertainty in relation to this part of the protocol should be raised with the Head of Paid Service and the relevant party group leader.

13. Political Assistants

- 13.1 These employees have been appointed by the Council exclusively to provide support to each of the party groups. Their function is to assist the interests and work of the group to which they have been assigned. This is in contrast to all other employees whose duty is to serve the Council as a whole.
- 13.2 Political assistants will be treated in accordance with and expected to observe all codes, policies and practices relating to the Council's employees. This includes the courtesy and consideration which the Council expects its employees to show to one another.
- 13.3 Except for their immediate secretarial and clerical support, the assistants will have no line management responsibility or power of direction over other employees.

- 13.4 Political assistants are not authorised to comment publicly on behalf of the Council as a whole, or to commit the Council to any particular course of action but can comment on behalf of the party group to which they have been assigned.
- 13.5 The level of access to Council documents and information shall be that enjoyed by Councillors.

14. Ward Councillors and Employees

14.1 To enable them to carry out their Ward role effectively, Councillors need to be informed about matters affecting their Ward. Designated Officers must ensure that all relevant employees are aware of the requirement to keep local Councillors informed, allowing Councillors to contribute to the decision-making process and develop their representative role. This requirement is particularly important:

- During the formative stages of policy development, where practicable;
- In relation to significant or sensitive operational matters;
- Whenever any form of public consultation exercise is undertaken and
- During an overview and scrutiny investigation.

14.2 Whenever a public meeting is organised by the Council to consider a local issue, all the Councillors representing the Wards affected should be invited to attend the meeting as a matter of course. If a Ward Councillor intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant employee. Provided the meeting has not been arranged on a party-political basis:

- An employee may attend but is not obliged to do so, and
- The meeting may be held in Council-owned premises.

No such meetings should be arranged or held in the immediate run-up to Council elections.

14.3 Whilst support for Councillors' Ward work is legitimate, care should be taken if employees are used to accompany Councillors to Ward surgeries. In such circumstances:

- The surgeries must be open to the general public, and
- Employees should not be requested to accompany Councillors to surgeries held in the offices or premises of political parties.

Protocol for Councillor/Employee Relations

- 14.4 Employees must never be asked to attend Ward or constituency political party meetings.
- 14.5 It is acknowledged that some Council employees (e.g. those providing dedicated support to Cabinet Members) may receive and handle messages for Councillors on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party-political purposes.
- 14.6 In seeking to deal with constituents' queries or concerns, Councillors should not seek to jump the queue but should respect the Council's procedures. Employees have many pressures on their time. They may not be able to carry out the work required by Councillors in the requested timescale and may need to seek instructions from their managers.

15. Councillors' Access to Documents and Information

- 15.1 This part of the protocol should be read in conjunction with the Access to Information Rules set out in Part 4.
- 15.2 Councillors may request Designated Officers to provide them with such information, explanation and advice as they may reasonably need to assist them to discharge their roles as Councillors. This may range from general information about some aspect of the Council's services to specific information on behalf of a constituent. Where information is requested on behalf of a third party, it will only be provided if:
- It is in the public domains, and
 - It is not barred by the Data Protection Act from being given.
- 15.3 Every Member of the Cabinet, the Scrutiny Board, Scrutiny Panels and Regulatory or other Committees has a right to inspect documents about the business of that body. A Councillor who is not a member of a particular body may have access to any document of that specific part of the Council provided:
- He/she can demonstrate a reasonable need to see the documents in order to carry out his/her roles as a Councillor (the "need to know" principle), and
 - The documents do not contain "confidential" or "exempt" information as defined by the law.
- 15.4 Disputes as to the validity of a Councillor's request to see a document on a need to know basis will be determined by the Monitoring Officer. Employees should seek his/her advice if in any doubt about the reasonableness of a Councillor's request.

Protocol for Councillor/Employee Relations

- 15.5 A Councillor should obtain advice from the Monitoring Officer in circumstances where he/she wishes to have access to documents or information:
- a. Where to do so is likely to be in breach of the Data Protection Act, or
 - b. Where the subject matter is one in which he/she has a personal or prejudicial interest as defined in the Councillors' Code of Conduct.
- 15.6 Information given to a Councillor must only be used for the purpose for which it was requested.
- 15.7 It is an accepted convention that a Councillor of one-party group will not have a need to know and therefore a right to inspect a document which forms part of the internal workings of another party group.
- 15.8 Councillors and employees must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so. When requested to do so, employees will keep confidential from other Councillors advice requested by a Councillor.
- 15.9 Councillors and employees must not prevent another person from gaining access to information to which that person is entitled by law.

16. Media Relations

- 16.1 All formal relations with the media must be conducted in accordance with the Council's agreed procedures and the law on local authority publicity.
- 16.2 Press releases or statements made by employees must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They cannot be used to promote a party group.
- 16.3 Employees will keep relevant Councillors informed of media interest in the Council's activities, especially regarding strategic or contentious matters.
- 16.4 Before responding to enquiries from the media, employees shall ensure they are authorised to do so. Likewise, employees will inform the Council's press office of issues likely to be of media interest, since that unit is often the media's first point of contact.
- 16.5 If a Councillor is contacted by, or contacts, the media on an issue, he/she should:
- a. Indicate in what capacity he/she is speaking (e.g. as Ward Councillor, in a personal capacity, as a Cabinet Member, on behalf of the Council, or on behalf of a party group);
 - b. Be sure of what he/she wants to say or not to say;

Protocol for Councillor/Employee Relations

- c. If necessary, and always when he/she would like a press release to be issued, seek assistance from the Council's press office and/or relevant Designated Officer, except in relation to a statement which is partly political in nature;
- d. Consider the likely consequences for the Council of his/her statement (e.g. commitment to a particular course of action, image, allegations of jumping to conclusions);
- e. Never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter;
- f. Consider whether to consult other relevant Councillors; and
- g. Take particular care in what he/she says in the run-up to local or national elections to avoid giving the impression of electioneering, unless he/she has been contacted as an election candidate or political party activist.

17. Correspondence

- 17.1 Correspondence between an individual Councillor and an employee should not be copied to another Councillor unless the author expressly intends and states that this is the case or consents. Where correspondence is copied, this should always be made explicit, i.e. there should be no "blind" copies.
- 17.2 Official letters written on behalf of the Council should normally be in the name of the relevant employee. It may be appropriate in some circumstances (e.g. representations to a Government Minister) for letters to appear in the name of a Cabinet Member or the Chairs of the Scrutiny Board, Scrutiny Panel or Regulatory or other Committee.
- 17.3 The Mayor may initiate correspondence in his/her own name.
- 17.4 Letters which create legally enforceable obligations, or which give instructions on behalf of the Council should never be sent in the name of a Councillor.
- 17.5 When writing in an individual capacity as a Ward Councillor a Councillor must make clear that fact.

18. Access to Premises

- 18.1 Employees have the right to enter Council land and premises to carry out their work. Some employees have the legal power to enter property in the ownership of others.
- 18.2 Councillors have a right of access to Council land and premises to fulfil their duties.
- 18.3 When making visits as individual Councillors, they should:

Protocol for Councillor/Employee Relations

- a. Whenever practicable, notify and make advance arrangements with the appropriate employee in charge;
- b. Comply with health and safety, security and other workplace rules;
- c. Not interfere with the services or activities being provided at the time of the visit.
- d. If outside his/her own Ward, notify the Ward Councillor(s) beforehand; and
- e. Take special care at schools and establishments serving vulnerable sections of society to avoid giving any impression of improper or inappropriate behaviour.

19. Use of Council Resources

- 19.1 The Council's Codes and protocols set out in Part 5 must be observed.
- 19.2 This part of the protocol should be read in conjunction with the Council's "whistleblowing" policy.
- 19.3 Councillors or employees with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Head of Paid Service or Monitoring Officer.
- 19.4 A Councillor who is dissatisfied about the actions taken by, or conduct of, an employee should:
 - a. if a councillor is dissatisfied they should address this with the employee privately and confidentially and if it is not resolved informally they should refer the issue to their manager.
- 19.5 If direct discussion with the employee is inappropriate (e.g. because of the seriousness of the concern) or fails to resolve the matter, the Councillor should raise the issue with the employee's Manager.
- 19.6 A serious breach of this protocol by an employee may lead to an investigation under the Council's disciplinary procedure.
- 19.7 An employee who believes a Councillor may have acted other than in accordance with this protocol should raise his/her concern with the Monitoring Officer. He/she will consider how the complaint or allegation should be dealt with. At a minor level, this may be no more than informally referring the matter to the Leader of the relevant party group. More serious complaints may involve alleged breaches of the Councillors' Code of Conduct and may be referred to the Standards Committee.

20. Attendance at Seminars and Conferences

- 20.1 There is a presumption that only essential conferences will be attended. The term 'conference' is used to mean any paid for event, including seminars and workshops, attended by a Councillor or employee of City of Wolverhampton Council.
- 20.2 Essential conferences are to be defined as:
- a. Those that meet identified Councillor or employee development needs as defined by individual Councillor or Employee Development Reviews that have been conducted in accordance with established procedures.
 - b. Those for which the costs and benefits to the Council have been evaluated.
- 20.3 Attendance at paid for conferences will require prior approval by the responsible budget holder regardless of cost.
- 20.4 The maximum total number of Councillors and/or employees attending any individual conference shall be three; but the presumption shall be for one.
- 20.5 One employee may accompany a Councillor or Councillors at any individual conference.
- 20.6 The presumption shall be that one employee representing City of Wolverhampton Council may attend a conference.
- 20.7 Following attendance at any conference a written report shall be prepared by the Councillor or employee attending and must include a summary of the key implications for the Council. The report shall be submitted, in the case of Councillors to a relevant Committee or Panel of the Council or, in the case of employees, Management Team.

Code of Corporate Governance

INTRODUCTION

City of Wolverhampton Council is committed to demonstrating the highest standards of Corporate Governance. Good governance leads to good management, good performance, effective use of resources, good public involvement, and ultimately good outcomes.

The Council's Code of Corporate Governance ("the Code") comprises a range of documents, policies, procedures, cultures, and values and is the system through which the business of the Council is directed and controlled. The Code underpins the aim of achieving good governance.

CORPORATE GOVERNANCE FRAMEWORK

The corporate governance framework of City of Wolverhampton Council is consistent with the principles of the CIPFA/SOLACE best practice framework *Delivering Good Governance in Local Government 2016* (the most up-to-date version). The following **seven core governance principles** ensure that we have high standards of good governance.

- A. Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.
- B. Ensuring openness and comprehensive stakeholder engagement.
- C. Defining outcomes in terms of sustainable economic, social, and environmental benefits.
- D. Determining the interventions necessary to optimise the achievement of the intended outcomes.
- E. Developing the entity's capacity, including the capability of its leadership and the individuals within it.
- F. Managing risks and performance through robust internal control and strong public financial management.
- G. Implementing good practices in transparency, reporting, and audit to deliver effective accountability.

The table below shows the relationship between each of the seven Principles in achieving the intended outcomes while acting in the public interest at all times.

<i>Principles A and B permeate implementation of all other principles</i>	
<p style="text-align: center;">A</p> Behaving with integrity , demonstrating strong commitment to ethical values , and respecting the rule of law	<p style="text-align: center;">G</p> Implementing good practice in transparency, reporting, and audit to deliver effective accountability

	<p style="text-align: center;">F</p> Managing risks and performance through robust internal control and strong public financial management
<i>Improving governance requires a continuing, cyclical, process of evaluation and review. When reaching this point, continue from the top at principle G</i>	

MONITORING AND REVIEW

The Council's commitment to good corporate governance includes the application, development, and maintenance of this Code. Each year the Code is reviewed, and an Annual Governance Statement made to accompany the Annual Accounts. The Statement includes an appraisal of the key measures in place to manage the Council's decision making and financial control, and it also provides details of where improvements need to be made. The Statement will be reported to the Governance & Ethics Committee and Audit and Risk Committee (whose respective Terms of Reference can be found [here](#) and [here](#)) who will also monitor progress towards any improvements which need to be made.

The following tables detail how the Council demonstrates its commitment to the seven core principles and indicates where more information can be obtained.

1.0 Introduction

- 1.1 This Policy sets out Councillors' entitlement to maternity, paternity, shared parental and adoption leave and relevant allowances.
- 1.2 The objective of the policy is to ensure that insofar as possible Councillors are able to take appropriate leave at the time of birth or adoption, that both parents are able to take leave, and that reasonable and adequate arrangements are in place to provide cover for portfolio-holders and others in receipt of Special Responsibility Allowances (SRA) during any period of leave taken.

2.0 Leave Periods

- 2.1 Councillors giving birth are entitled to up to 6 months maternity leave from the due date, with the option to extend up to 52 weeks by agreement if required.
- 2.2 In addition, where the birth is premature, the Councillor is entitled to take leave during the period between the date of the birth and the due date in addition to the 6 months' period. In such cases any leave taken to cover prematurity of 28 days or less shall be deducted from any extension beyond the initial 6 months.
- 2.3 In exceptional circumstances, and only in cases of prematurity of 29 days or more, additional leave may be taken by agreement, and such exceptional leave shall not be deducted from the total 52 week entitlement.
- 2.4 Councillors shall be entitled to take a minimum of 2 weeks paternity leave if they are the biological father or nominated carer of their partner/spouse following the birth of their child(ren).
- 2.5 A Councillor who has made Shared Parental Leave arrangements through their employment is requested to advise the Council of these at the earliest possible opportunity. Every effort will be made to replicate such arrangements in terms of leave from Council.
- 2.6 Where both parents are Councillors leave may be shared up to a maximum of 24 weeks for the first six months and 26 weeks for any leave agreed thereafter, up to a maximum of 50 weeks. Special and exceptional arrangements may be made in cases of prematurity.
- 2.7 A Councillor who adopts a child through an approved adoption agency shall be entitled to take up to six months adoption leave from the date of placement, with the option to extend up to 52 weeks by agreement if required.
