The Chair welcomed all parties to the hearing and invited all those present to introduce themselves. All parties did so. She outlined the procedure to be followed and all parties confirmed that they understood the procedure.

The Sub-Committee's statutory duty was to consider the application and any representations, and to take such steps as contained in the Licensing Act 2003 as it considered appropriate for the promotion of the Licensing Objectives

The Chair afforded all parties present the opportunity to question the Applicant in relation to her submission. Dianne Slack, Tobacco Control Officer, provided responses to questions asked.

The Chair invited the Premises Licence Holder to make representations. Mr Geoff Dixon, representative for the Premises Licence Holder, did so. He stated the following:

1. His client and her husband, Mr Singh, had held three premises licences over the last 13 years and had never had any issues before.
2. His client was horrified at what had happened and acknowledged the severity of it.
3. The member of staff who made the sale had undergone training but made a mistake and would be retrained.
4. Since the incident his client had done a refresher course and would be returning to work at the store following a period of absence. Her husband, Mr Singh would also undertake the refresher training.

5. His client was unaware that the vapes were illegal and had not tried to conceal them.
6. His client had addressed the other issues raised during the visit from Trading Standards and the licence was now properly displayed.
7. A suspension of the licence to enable robust training would be the appropriate and proportionate action.

The Chair afforded all parties present the opportunity to question the Premises Licence Holder in relation to their submission. Mr Geoff Dixon and Mrs Sonia Kaur responded to questions asked.

The Chair invited West Midlands Police to make representations. Kayley Nixon did so as per Appendix 6 of the report. She stated that West Midlands Police fully supported the application for review and agreed that the licence should be revoked or suspended to allow the delivery of training.

The decision was summarised by the Solicitor and the full Decision Notice would be sent out to all parties within 5 working days.

Resolved:

An application was received on 1 December 2023 from Trading Standards to review the premises licence in respect of Saver Express, 19 Finchfield Road West, Wolverhampton, WV3 8AY. The review was brought in support of the Prevention of Crime and Disorder and the Protection of Children from Harm Licensing Objectives.

Relevant representations were received from the Licensing Authority, Public Health Authority and West Midlands Police.

The Statutory Licensing Sub-Committee considered all written evidence and listened carefully to all representations made. They heard from the Applicant, Premises Licence Holder ('PLH') and their Agent, Licensing Authority, West Midlands Police and Public Health Authorities.

The Statutory Licensing Sub-Committee considered the evidence presented and had regard to the application, representations made, Guidance issued under section 182 of the Licensing Act 2003 and the Council's own licensing policy.

The Statutory Licensing Sub-committee was very concerned with the underage sales as well as other breaches of licensing conditions which have been set out by the applicant.

Considering all the evidence it had heard, and the circumstances outlined by the applicant, a period of suspension of the Premises Licence of 3 months is appropriate to note the gravity of the situation during which time the PLH, DPS and all other staff to undertake the training outlined by their agent.

Further, and in view of the current inappropriate conditions, the Premises Licence conditions be modified, and the proposed conditions which were agreed by the PLH be uploaded onto the licence schedule.

An appeal may be made to Wolverhampton Magistrates' Court against the decision, by the Applicant, the holder of the premises licence, or any other person who made a relevant representation, within 21 days from the date of receipt of the written notice of decision.
