DISCUSSION ITEMS

- 5 **Mental Health Strategy - Black Country Partnership NHS FT** (Pages 9 - 12)
[To note the recommendations of the review of the Adult Mental Health Strategy for Wolverhampton, which seek to make improvements to mental health services utilising existing resources. To note that the recommendations from the review do not constitute a substantial variation in service delivery and therefore statutory consultation is not required. To request the presentation of the new 0 to 25 care pathways and the commissioners' approach to funding these in the Autumn of 2014. These pathways present a very different way of providing services and therefore Scrutiny will want to consider the level of consultation. At a later date (Winter 2014 / Spring 2015), consider whether commissioners' plans to reduce pressure on mental health bed occupancy are robust as part of the Better Care Fund Mental Health Re-ablement Project]

John Campbell
Chief Operating Officer
Black Country Partnership NHS FT

- 6 **Hyper Acute Stroke Services - Sandwell & West Birmingham CCG** (Pages 13 - 98)
[To review the update of the Birmingham, Solihull and Black Country Stroke reconfiguration programme]

Kathryn Meredith

7 **Provision of elective services by The Royal Wolverhampton NHS Trust at Cannock Chase Hospital - commencement of the public consultation** (Pages 99 - 106)

[To support the proposals set out in the consultation document and to support the consultation and engagement plan.]

The presentation will be led by Dr Jonathan Odum, supported by Maxine Espley and Noreen Dowd
