Recommendation for action or decision:

The Licensing Sub-Committee is requested to consider this application for a new premises licence within the Cumulative Impact Zone.

1.0 Purpose of Report

1.1 To submit for consideration by the Sub-Committee an application for a premises licence.

2.0 Background

2.1 The application was received on 10 July 2014 from Zarjab Khan for a premises licence in respect of Wolves Spice, 50 Lichfield Street, Wolverhampton WV1 1DG, a copy of the application is attached at Appendix 1

2.2 The premises are in St Peter's ward and a location plan is attached at Appendix 2.

2.3 The application is in respect of late night refreshment, the precise detail of what has been applied for can be found within the operating schedule of the application

2.6 Wolves Spice is situated within the Cumulative Impact Zone. A copy of the policy and area which it covers is attached at Appendix 3.

2.7 The following responsible authorities have been consulted on this application:

- Licensing Authority
- West Midlands Fire Service
- Planning
- Trading Standards
- Social Services
- Local Health Board
- Environmental Health (Commercial)
- West Midlands Police

2.8 The following responsible authorities have made relevant representations and are objecting to the grant of this application citing the Cumulative Impact Policy and the licensing objectives:

- Environmental Health (Commercial)
- Licensing Authority

Copies of their representations are attached at Appendices 4-5

2.10 The applicant, the Licensing Authority and Environmental Health (Commercial) have been invited to attend this hearing.

2.11 Amendments/conditions agreed between the applicant and Responsible Authorities are attached at Appendices 6-7.

3.0 Policy Implications

3.1 On 4 November 2009, based on evidence submitted by West Midlands Police, the Statement of Licensing Policy was revised to give effect to the Cumulative Impact Policy

PUBLIC
NOT PROTECTIVELY MARKED

(CIP). This decision supported the view that the number, type and density of premises selling alcohol for consumption and/or Late Night Refreshment in an area within the ring road in Wolverhampton City Centre was causing problems of nuisance and disorder and therefore causing an adverse impact on the licensing objectives of prevention of crime and disorder.

- 3.2 The Cumulative Impact Policy has been further revised on 28 April 2010 and 7 January 2011 to include the licensing objective, prevention of public nuisance.
- 3.3 The effect of this CIP is to create a **rebuttable** presumption that applications in respect of the sale or supply of alcohol and/or Late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates where the premises are situated in the City Centre Cumulative Impact Zone will be refused.
- 3.4 Essentially this means that applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives. (This policy does not act as an absolute prohibition on granting new licences in the City Centre Cumulative Impact Zone).
- 3.5 The premises are situated at 50 Lichfield Street, Wolverhampton WV1 1DG, which is within the City Centre Cumulative Impact Zone.
- 3.6 To rebut the presumption, explained in 3.3 above, the applicant is expected to demonstrate through their operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced and not therefore have an adverse impact in the Licensing Objectives.

4.0 **Legal implications**

- 4.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely:-
- (a) The prevention of crime and disorder;
 - (b) Public safety;
 - (c) The prevention of public nuisance;
 - (d) The protection of children from harm.
- 4.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.
- 4.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 and Wolverhampton City Council's Licensing Policy statement.

PUBLIC
NOT PROTECTIVELY MARKED

4.4 Within Wolverhampton City Council's Statement of Licensing Policy there is reference to a Cumulative Impact Policy. Section 18 of the Licensing Act 2003 provides the Licensing Authority with the power to grant an application, subject to conditions, where appropriate

4.5 In order for the Cumulative Impact Policy to be relevant to this application the Sub-Committee

I. Should be satisfied it applies due to:

- (a) Premises being located within the Cumulative Impact Zone;
- (b) Licensable activity applied for at the premises is to include sale of alcohol or late night refreshment and is;
- (c) The likelihood that the activity will have an impact on the crime and disorder or prevention of public nuisance licensing objectives.

And where the Cumulative Impact Policy is deemed to apply:

II. Should refuse an application based upon the Cumulative Impact Policy unless sufficient evidence is produced, by the applicant, to rebut the presumption that a licence will not be granted or varied.

4.6 If the Sub-Committee are satisfied sufficient evidence has been produced to show the premises will not add to the Cumulative Impact already being experienced, the application should not be refused based upon Cumulative Impact Policy. [KR/01082014/U].

5.0 Human Rights and Equalities Implications

5.1 This report has human rights implications for both the applicants and the residents from the local neighbourhood. Refusal of a licence may have financial implications for a licensee's business and livelihood whereas granting a licence may have impact upon the day to day lives of residents living in close proximity to the premises.

5.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

5.3 The Public Sector Duty of the Equality Act 2010 also requires the Council to pay due regards (i.e. eliminate discrimination, harassment and victimisation; advance equality of opportunity and foster good relations), in any decisions it undertakes

6.0 Financial Implications

6.1 Councillors agreed fees and charges for this function on 26 February 2014; the fees are based on a cost recovery basis. The fee for this application is £190.00, and is non-refundable. [TK/13022014/Q]

7.0 Environmental Implications

7.1 This report has environmental implications, in that there is a potential for disturbance caused by customers using the premises.

13.2 CUMULATIVE IMPACT POLICY

Following guidance issued under the Act a cumulative impact policy was adopted on 4/11/09. A revision to the policy to include late night refreshment and an additional area was adopted on 28/4/10. Details of the cumulative impact area can be found at Appendix F.

- 13.2.1 The Council recognises that because of the number of, and density of licensed premises selling alcohol and/or Late Night refreshment in a particular area there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. In these cases it may be necessary to seek controls over the issue of new licences through a "Special Cumulative Impact Policy."
- 13.2.2 The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption and/or Late Night refreshment in an area within the Ring Road in Wolverhampton City centre is causing problems of nuisance and disorder. This is having a greater than normal impact on the prevention of crime and disorder licensing objective. The area identified is shown in the attached plan and includes a portion of Wulfruna Street and Princess Square, Broad Street, Market Street, Lichfield Street, Pipers Row and Darlington Street. The Licensing Authority is now also of the view that this is causing cumulative impact and designates this area as the City Centre Cumulative Impact Zone in relation to premises licensed for the sale or supply of alcohol and/or Late Night Refreshment.
- 13.2.3 The effect of this Special Cumulative Impact Policy is to create a **rebuttable** presumption that applications in respect of the sale or supply of alcohol and/or Late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity) where the premises are situated in the City Centre Cumulative Impact Zone will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting new licences in the City Centre Cumulative Impact Zone.
- 13.2.4 The Special Cumulative Impact Policy will not be used to revoke an existing licence or certificate and will not be applicable to the review of existing licences.

Your Ref.
My Ref. PRE 1255

6 August 2014

Dear Mr Edge

Application of a Premises Licence under Licensing Act 2003
Wolves Spice, 50 Lichfield Street, Wolverhampton WV1 1DG

I write on behalf of the Licensing Authority as responsible authority to make formal representations to the above application. Representations are made in support of the crime and disorder and prevention of public nuisance licensing objectives. The premises falls within the Cumulative Impact Zone and there is a rebuttable presumption that the application will be refused unless the applicant can demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives.

The applicant, ZARYAB KHAN has not produced sufficient evidence within his operating schedule to show how the presence of this venue will not contribute to the cumulative impact.

The venue previously had the benefit of a premises licence for the provision of late night refreshment. However, the licence was surrendered on 7 April 2014.

The applicant is currently working with responsible authorities in order to agree proposed amendments/conditions to his operating schedule in order to address the licensing objectives of crime and disorder and public nuisance.

A mediation document on the proposed amendments/conditions will be available for consideration by Councillors at the Licensing Sub-Committee hearing.

The Licensing Authority would be willing to withdraw their representations should the above issues be resolved in dialogue to the satisfaction of the Licensing Authority and/or any other responsible authority.

Continued/...

I shall be in attendance at the hearing should Councillors have any questions or require any further assistance.

Yours sincerely

E Moreton
