3.0 Legal implications

3.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely:-

(a) The prevention of crime and disorder;

- (b) Public safety;
- (c) The prevention of public nuisance;
- (d) The protection of children from harm.

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the Act it must grant the licence, subject to any relevant conditions.

However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

1. to grant the licence subject to conditions
 2. to exclude from the scope of the licence any of the licensable activities to which the application relates
 3. to refuse to specify a person as a premises supervisor
 4. to reject the application
- 3.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.
- 3.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 and Wolverhampton City Council's Licensing Policy statement. [SH/12062015/K].
- 4.0 **Human Rights and Equalities Implications**
- 4.1 This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.
- 4.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.
- 5.0 **Financial Implications**

PUBLIC
NOT PROTECTIVELY MARKED

5.1 The Licensing Committee agreed fees and charges for this function on 26 February 2014. The fees are based on a cost recovery basis. The fee for the application of a new licence is £100.00 and is non-refundable. [TK/13022014/Q]

6.0 **Environmental Implications**

6.1 This report has environmental implications in that there is a potential for disturbance caused by patrons using the premises and nuisance caused by litter and waste originating from the premises.

To Whom it may concern,

I am writing to object to the licence for the off-licence in Barn Green. It is a very small road with limited space. We have existing shops which already cause lots of traffic. We feel as though the noise will affect our family life, especially during the evening time. It is also next to a private road housing the elderly. We already have too much traffic and congestion. We already have enough 'off-licences' and convenience stores within the area.

Dear Sir / Madam,

I read an application has been made to open a convenience and off licence store on the corner of Firtree Gardens and Barn Green.

I feel this is totally inappropriate due to both parking problems and problems with youths hanging about in the evenings & nights.

In the past we have had more than enough problems with youth causing problems.

There are also another few off licences within walking distance of this address, including Jettrock Road, Trysall Road, Tesco and Pennfields Terminus.

Trusting you will consider these problems before allowing yet another off licence

Yours Sincerely

Dear Sir/Madam,

Re proposed opening of
Convenience Store/Off Licence at
No 12 Burn Green, Bradmore.
I have objections to the above
opening thus:-

- (a) Burn Green is already a very
congested road due to the
fact it is narrower than normal.
In fact to reach other premises
cars are parked on the footpath and
further vehicles would only worsen
this matter.

- (b) cars ~~do~~ occasionally park in
the access road to Firstal Gardens
and on occasions residents have not
been able to move their vehicles on
to the main road.
- (c) cars are often parked in Firstal
Gardens late at night, loud music
from car radios from 11pm onwards.
In the morning we have the debris
from fast food containers, bottles and
cans to clear up. dropped from cars.
- (d) There is at least 6 convenience stores/
off licence establishments within
walking distance of Firstal Gardens.
- (e) Firstal Gardens is for elderly retired
persons in a quiet area which
will be spoilt by this intrusion!

Dear Sir or Madam,

I am writing to object to an application for an off licence in Barn Green. There are more than enough in the local area. There are at least 3 within walking distance.

Parking is also a problem and local youths hanging about in the area. It is not on a main road but a side road. I feel there are enough drinking establishments in the area.

To whom it may concern,

We wish to raise our objections to the proposal for a retail licensing business in a premises on the Barn Green estate. It is located in a residential area without much parking, and little appeal to the older generation that are located in the vicinity, we would not wish to encourage teenagers etc to make it a local meeting point.

Dear Sir / Madam,

This is our letter of petition against the opening of a convenience store and off-licence at the premises of No 12 barn green, bradmore Wolverhampton. We live opposite these premises and we agree with our neighbours and people who live close too and around this estate we DO NOT need this shop. There are 6 similar shops within walking distance that sell food and alcohol so why do we need another one. This is a quiet, small, peaceful Road and we already have to tolerate noise, traffic and unconsiderate parking from several businesses, to think what trouble it will bring to the area if this shop goes ahead, Anti social behaviour, car doors slamming, litter, people drinking outside the shop, swearing etc. The notice on the shop door says they plan to open from 7.30 am - 10.30 pm, this is 15 hours a day, 7 days a week so could you explain why this should be allowed in a housing estate that

has families with young children and elderly, venerable people. My wife and I both work for the council and go to bed around 8.30pm so can you imagine the dilemma and noise. We are also aware that should we wish to sell our home in the near future these problems would have a dramatic effect on the price. So please think again and take this matter very seriously. This is a letter of petition and we do hope you consider all the problems this is going to bring. We will also be contacting our local M.P. about this issue.

Yours Faithfully,

Please note:

If there is no satisfactory outcome to this situation then we will be obliged to contact the Express and Star.

16th May 15.

I am writing this letter regarding the application for a alcohol licence for 12 Barn Green Bradmore.

I am a resident at 14 Barn Green and Im fully outraged they want to trade as an off licence.

There are 6 off licenses already in the Bradmore area within 5 minutes walking distance between each shop.

There will be no access to park to use the shop. We will have a nightmare with the cars parking outside our drive to use the shop. We have a lot of trouble with the parking now with the music shop and the hairdresser we cannot get on our own driveway most days as it is.

The road along 12 Barn Green is a private road (cul de sac) with elderly people living in the bungalows. The shop will attract loitering and raise the rubbish levels, it will cause a public nuisance. We have had cameras installed round the house to prevent late night drinkers at the side of the house as Im always picking up empty beer cans and bottles so an off licence being there will make it 100 times worse. We will have no peace at all with

the shop trading seven days a week
fifteen and half hours a day
I have spoken to over 50 residents
in the surrounding roads and they
feel as strongly as us saying they
are against the shop opening up
as an off license

Ref: 12 Barn Green Application to supply alcohol OFF THE PREMISES Monday-Sunday 07:00 – 22:30

Dear Sirs

I am writing to register my objection to the application for a premises licence by Tajinder Singh Sokhi and Rajinder Sokhi for 12 Barn Green Bradmore Wolverhampton WV3 7AY.

The basis for this objection is that granting a license for these premises will not promote the licencing objectives, particularly the prevention of crime disorder and antisocial behaviour.

12 Barn Green lies at the top of an housing estate with a predominantly young population down through the estate and retired residents to the rear of the property, at the moment we experience a limited amount of antisocial behaviour but I fear this will change with the granting of a licence.

Granting a licence will provide a further source of alcohol in an area already heavily populated with licenced premises just off the estate and feel we do not need one so close to residents property which in turn will cause more parking problems for residents as there is no off or on road parking along the shop fronts and we already experience problems with the shops that are already present although at the moment this is restricted mainly throughout the day but worse at the weekends this I fear will increase to seven days a week with the premises open 07:00 to 22:30. With an increase in traffic flow there is an increase in the probability of an accident involving one of our many younger residents that play around the estate.

I also fear it will be a gathering point for our younger population leading in turn to antisocial behaviour which could escalate to disorder and even crime.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,

To Whom it may concern

17/05/2015

We are writing to you regarding the proposed granting of an alcohol licence on the premises of number 12 Barn Green in Birches Barn, Bradmore.

After numerous discussions with friends and neighbours regarding the proposed opening of this shop with a 15 hour a day alcohol licence we have decided to officially object.
The reasons for this are as follows ;

There are already 9 commercial premises within ½ a mile where alcohol can be purchased from 7am up until 10pm and in some cases 1.30am. **WE DO NOT NEED ANOTHER ONE!**
I have followed the news recently and it has been full of reports regarding how excessive drinking and binge drinking is now a Country-wide problem. Also it is fact that our Country is the worst in Europe regarding this issue.
My wife works nights in and around our local area and sees the behaviour and problems caused in and around these shops selling alcohol in the evenings and into the early hours.

The present premises within half a mile are ;

- 1.Sanga's supermarket, Birches Bard Rd
- 2.BP petrol station, Penn fields
- 3.Off licence, corner of Jeffcock Rd and Lea Rd
- 4.Hits convenience store, Jeffcock Rd
- 5.Newsagents on Jeffcock Rd
- 6.Post Office, Broad Lane
- 7.Nisa store/ bradmore wines, Tresull Rd
- 8.Bradmore Arms public house
- 9.Tesco, Birches Barn Rd.

Walk just a few yards more and you have The Gunmakers Arms public house and another licensed convenience shop on Church Road.

We are also very concerned about the late night noise and inevitable anti-social behaviour a premises with such a licence no doubt will attract, as well as the usual littering problem.

We already have to contend with high volumes of traffic using our lovely quiet road as a cut through, and the parking problems already present from the 4 or 5 shops that exist on the street.

We have (as well as a few of our neighbours) contacted our MP Mr Rob Marris regarding this issue and will be meeting with him in his surgery to express our concerns, we are prepared to take it further should this ridiculous application be considered further or indeed be granted, against the wishes of ALL of the local community.

Due to Tesco building yet another 'express shop' close by, our long-established local shops have taken yet another hit to their livelihoods- add another similar business and this will no doubt do further damage to the families that have served this estate and local community very well for many years. WE DO NOT NEED OR WANT IT.

In anticipation and with regards

Mr S & Mrs S Stapleford

Dear Sirs

Letter of Objection - Liquor licence

Midland Heart's purpose is to support people to live independently and achieve their aims in life, and create an environment where they can transform their lives and maximise their independence.

Our elderly residents at Fistral Gardens, Bradmore, Wolverhampton (an over 55s Scheme), have informed me that a property on Barn Green, Bradmore, Wolverhampton is to be let as an off licence shop by Wolverhampton Council.

The residents living at Fistral Gardens object to the store.

They are concerned that the sale of liquor will cause unacceptable behaviour. They are also concerned youths will congregate at corner of their development and behave disorderly, using offensive and threatening language and causing a litter nuisance.

There is also an issue of public safety. A liquor shop will invite people to park on Fistral Gardens (a private road) causing a hazard and obstruction.

I have managed Fistral Gardens for six years. In my opinion if a liquor license is granted it will affect the quality of life for our elderly residents at Fistral Gardens.

Yours faithfully
For and on behalf of Midland Heart Ltd.

Dear Donna Cope,

Re: Alcohol Licence Application - 12 Barn Green, Bradmore, Wolverhampton.

The residents of the over 50s bungalows in Fistral Gardens, Bradmore, Wolverhampton, write to you to convey their concerns regarding the 'sale of alcohol' application made in respect of 12 Barn Green.

Whilst the necessity for the Council to let its commercial properties and thus encourage the growth of the small business is appreciated, the concept of a convenience store selling cheap alcohol on the doorstep of Old Age Pensioners homes, most of whom suffer from medical problems and some of whom are house-bound, is causing grave concern.

The residents of Fistral Gardens are concerned that the cul-de-sac would be subjected to (from 7am to 11pm) cars driving up and down the cul-de-sac, turning on residents drives, and blocking residents access by parking across drives or across the narrow entrance road. The residents are also very concerned about the level of noise from car engines, doors slamming, music blaring and customers coming and going from the shop at all hours, 7 days a week, 365 days a year.

It is also feared that the relative seclusion of the cul-de-sac would encourage drinkers to hang-out around the shop socialising with other drinkers, finding the cul-de-sac the perfect place to sit and drink their cheap alcohol.

The over 50's Bungalows in Fistral Gardens were designed and built on a private road with quiet seclusion in mind to accommodate the needs of old age pensioners with failing health. Up to this point-in-time the cul-de-sac has provided its residents with relative security, continued independence and the opportunity of quality of life during their twilight years.

The residents of Fistral Gardens therefore implore you to seriously consider the impact your approval of a alcohol licence for 12 Barn Green would have not only upon their lives but all residents who reside around this shop.

We Thank you for taking the time to consider our concerns:

27TH May 2015

Dear Sir/Madam,

With ref to the application for an off licence at 12 Barn Green, Birches Barn Wolverhampton.

I am writing to object to the application for a licence for the above premises.

My main objection to the licence is the lack of parking around this shop. We already have problems with the shops in this row, there is no parking at all except for the wide path. We have a hairdressers and a music shop whose customers already park on both sides of the road and park in front of our houses blocking access to our drives. There are 2 bends in this small road and they have to park on them as there is nowhere else, thus making it impossible to see around them. Some days you have to wait for a long time to get to your own house, this problem is not new we have lived here for over 25 years. Also drivers use our estate as shortcut from Merridale road and Jeffcock road to miss the lights at the Bradmore Arms crossroads. We have a lot of children on this estate and there will be an accident at some point no doubt.

Also we have 8 shops that sell alcohol surrounding us as it is we really think that is sufficient.

We have 9 houses in a small cul-de-sac at the side of this shop with all vulnerable pensioners, who are afraid of antisocial behaviour now without adding more problems.

Everyone in the houses surrounding this shop is in agreement that we do not want this shop, so with that I hope the Licensing Authority will come and see for its self what we have to deal with now before granting this licence and making matters worse.

(a) The prevention of crime and disorder;

- (b) Public safety;
- (c) The prevention of public nuisance;
- (d) The protection of children from harm.

Section 18 of the Licensing Act 2003 provides that where a relevant licensing authority receives an application for a premises licence properly made in accordance with section 17 of the Act it must grant the licence, subject to any relevant conditions.

However, where relevant representations are made the authority must hold a hearing (unless all parties agree this is unnecessary) and having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives.

The steps are:

 4. to reject the application
- 3.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.

Any of the steps outlined in Section 4 of this report may have financial implications for a licensee's business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.
- 4.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

5.0 Financial Implications

5.1 The Licensing Committee agreed fees and charges for this function on 21st January 2015. The fees are based on a cost recovery basis. The fee for the application of a new licence is £100.00 and is non-refundable. [TK/09012015/H]

6.0 Environmental Implications

6.1 This report has environmental implications in that there is a potential for disturbance caused by patrons using the premises and nuisance caused by litter and waste originating from the premises.

M - Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 9)

The premises licence holder shall ensure there will be no encouragement of excessive drinking or irresponsible sale of cheap promotional drinks, and the number of Personal Licence holders on the premises when operational shall be at least two or such other number as is agreed from time to time with West Midlands Police.

The premises licence holder shall ensure that the operator will call a Safety Advisory Group meeting and there is a power of veto of any event the SAG is not able to set conditions or operation which satisfy the licensing objectives. Any conditions set during the SAG meeting shall become licensing conditions for that event and they must be kept in writing on the premises during the event and made available for inspection by all statutory bodies and that both the DPS and/or a senior manager and the promoter if any, will be in attendance at the SAG meeting.

The premises licence holder shall ensure that if any adult entertainment is introduced to the premises, then it will only be done after giving at least 14 days' notice to the Police Authority. The Security levels at any event will be dependent on the risk assessment and such number as is agreed shall become a condition of the Premises Licence for that particular event through SAG process.

Licensable activities shall not take place at the premises on more than 10 occasions per calendar year.

The actual area to be licensed shall be the whole of the building as shown by the continuous red line around the extremity but the actual area for licensable activities shall be the hatched area only and other areas shall not be used for licensable activities without a formal application for a Minor Variation.

b) The prevention of crime and disorder

The Premises Licence Holder shall ensure a full month of events is supplied in writing to Licensing Department at Bilston Street Police Station, month in advance. If the premises use any new promoter for any event, then for the first event the Designated Premises Supervisor for the premises will arrange to meet Bilston Street Police Station Licensing Department at least 28 days before the first event, with risk assessments for the event. The premises will not hold any new events without the agreement of Bilston Street Licensing Department. West Midlands Police to have a power of veto over any such event. Recommendations made to the Designated Premises Supervisor that satisfy the four licensing objectives will become conditions for that event on the premises licence.

If the Premises Licence holder wishes to operate past 04:00 hrs, the premises must inform the Licensing Department at Bilston Street Police Station, in writing, a minimum of 28 days in advance. West Midlands Police have a power of veto, if it's believed that any of the four Licensing objectives may be breached.

If the Premises Licence holder wishes to conduct any Licensable activity on the premises before 14:00 hrs, the premises must inform Licensing Department at Bilston Street Police Station 28 days in advance and West Midlands Police have a power of veto over any such event.

When the venue operates in conjunction with another premises, licensed or unlicensed, the premises must provide a minimum of 28 days notice and if deemed necessary by West Midlands Police the event must be subject of the SAG process. Conditions arising from the SAG process to become conditions for that event.

The Premises Licence Holder shall ensure that a CCTV system is to be installed at the premises to the specification agreed with the Licensing Department at Bilston Street Police Station. CCTV is to be operational whilst the premises are open and be recording continually. If a hard drive system is used the recordings are to be kept for minimum of 31 days. The CCTV images to be made available to any responsible authority immediately on request. Entrance and queuing area to be covered by CCTV.

The Premises Licence Holder will supply a risk assessment for all events held at the premises, including standard in house events, to include all security provisions. 28 days' notice is required, unless otherwise agreed with West Midlands Police, Licensing Department at Bilston Street Police Station. Included in risk assessment is a search policy which will reflect the event risk and Security deployment plan.

The Premises Licence Holder shall ensure that continuous discussions between West Midlands Police Force, the appointed security/stewarding company and the event organisers will take place prior to and during the period that the Event is taking place to ensure that all means possible are employed to prevent crime and disorder. Operational plans will be drawn up between the Event organisers and the West Midlands Police Force taking into account the experience of previous events in this location.

The Premises Licence Holder will ensure that individuals who are drunk, disorderly or both will not be permitted access to the premises.

The Premises Licence holder is to maintain door staff profiles for all door staff working at the premises, and for any door staff that have worked on the premises in the last three months. The door staff profile will consist of identification for the member of staff:

- A copy of his/her SIA badge,
- Passport or driving Licence. If the proof of identification is anything other than the photo driving Licence, then the member of staff will need proof of address, which must be a copy of a utility bill and be dated within the last six months.

The Premises Licence Holder shall ensure that Door supervisors stationed outside the front of the premises will wear hi-visibility jackets/coats, and will have their SIA badge held in a clear arm sleeve. Door supervisors inside the premises will wear hi-visibility waist coats, again with their SIA badge held in a clear arm sleeve.

The Premises Licence Holder shall ensure to operate an incident book and record all incidents that occur inside and immediately outside premises. Incident book can be inspected at any time by any regulatory body. All training records for all staff, in regard to drunkenness, and for the protection from harm for children to be maintained and to be available upon request from any regulatory body.

The Premises Licence shall ensure that the premises will operate a drugs policy, and lost / found property policy. Copies of both to be supplied to Licensing Department Bilston Street Police Station. Venue to ensure the entrance area together with queuing area is sufficiently lit and controlled by barriers and/or as required..

c) Public safety

The Premises Licence Holder shall ensure that the maximum number of persons on the premises at any one time shall not exceed the number agreed with Wolverhampton Fire Service and West Midlands Police and fixed at any individual SAG meeting for each event and such capacity will not be exceeded.

A professionally prepared fire risk assessment will be produced which will propose maximum numbers which will thereafter be agreed with Wolverhampton Fire Service and West Midlands Police and become the maximum number for the premises and such capacity will not be exceeded, provided always that such number may be varied upwards or downwards by agreement with Wolverhampton Fire Service and West Midlands Police.

d) The prevention of public nuisance

The Premises Licence holder will ensure that external windows and doors (other than for access/egress) shall be kept closed whenever licensed public entertainment is provided at the premises.

The Premises Licence Holder will comply with any reasonable requirements as to noise made during the event by the appropriate Responsible Authority and shall ensure the conduct of patrons leaving premises will be supervised and monitored to minimise potential nuisance. Similarly, conduct of the general public in the vicinity will be monitored and the Police advised of inappropriate behaviour/unlawful activity.

The Licence Holder shall not permit noise emanating from the licensed premises to unreasonably disturb persons in the neighbourhood and in any case, will ensure that the noise levels from licensed public entertainments shall not exceed levels set at neighbouring occupied residential properties that will be agreed with Responsible Authorities. The level of amplified sound shall be controlled by a sound limiting device, set as agreed, if considered appropriate by the Responsible Authorities.

Whenever regulated entertainment takes place within the licensed premises, such entertainment will not be such as to be a statutory nuisance in the nearest noise sensitive or residential premises.

The Premises Licence holder shall ensure noise propagation tests will be undertaken, during which the sound systems will be configured and operated in a similar manner as intended for the relevant Event. The sound sources used for the test shall be similar in character to the music likely to be produced during the relevant Event. Appropriate control limits at each sound mixer position and adjustments to sound amplification equipment will be agreed as a result of the testing to the satisfaction of the appropriate Responsible Authority.

e) The protection of children from harm

The Premises Licence holder shall adopt the Challenge 21 Scheme and appropriate signage will be placed at the entrance to the premises and adjacent to any bar servery. The premises will operate a policy whereby any person attempting to buy alcohol or any person attempting to gain entry to the premises who appears to be under 21 will be asked for photographic ID to prove their age. The only ID that will be accepted is a passport, driving licence with a photograph or an accredited proof of age card bearing the PASS mark hologram.

The Premises Licence holder will ensure that when an event of an adult nature is to be held on the premises that the Licensing Enforcement Officer at the Wolverhampton Safeguarding Children Board be notified of the event at least two weeks prior to the event.

The Premises Licence holder will ensure that no persons under the age of 18 years of age shall be permitted in any circumstances into the premises while they are being used for Licensable activities save with the agreement of West Midlands Police. If the premises wish to conduct an underage event, then the premises, must supply 28 days notice, together with a risk assessment. West Midlands Police to have a power of veto over any such event.

Licence Application

I write on behalf of the Licensing Authority in its capacity as a Responsible Authority to make formal representations to the above application for a new premises licence. The representations are made under all four of the Licensing Objectives; the prevention of crime and disorder, the prevention of public nuisance, protection of children from harm and public safety.

The premises the subject of the application is an empty factory unit to the rear of St John's Retail Park. The applicant has specified the company is intending to hold no more than 10 events per calendar year and has indicated that the premises will become a live music venue for concerts and similar music type events. It is also proposed that the premises could be used for the provision of other regulated entertainment i.e. plays, films, indoor sporting events, boxing or wrestling etc.

Responsible Authorities have already met with the applicant and their legal representative to clarify specific points within the application.

I am currently in the process of meeting with the applicant to discuss and hopefully address my concerns in order to support all of the licensing objectives.

On behalf of Environmental Health (Commercial) I would like to put in representations to the above premises licence application.

The applicant has requested various activities take place at the premises, which could range from a film viewing to a live music event. Each event would need to be considered individually in a timely manner prior to taking place, as the impact the event could have in relation to public nuisance, could vary substantially. The measures detailed in the application require clarity as they may not address the requirement to prevention of public nuisance.

I will be liaising further with the applicant.

Subject: RE: PRE1275 Star Works, Frederick Street, WV2 4DY- New Premises Licence Application

I write with reference to the new application for Star Works in Frederick Street. Wolverhampton WV2 4DY.

The application is made through Wright Hassall Solicitors.

The application is for a new premise licence to operate between 10.00 hours to 07.00 hours, seven days a week.

However, the application suggests that the proposal is to only utilise these extensive requested hours for 10 events a year, (the proposals also cover a wide range of possible events, not yet defined).

In addition the application suggests that the given notice for the yet undefined 10 events would only be a period of 14 days.

Therefore, on behalf of the Wolverhampton Police Licensing department we wish to make formal representations to this application, having regard to the licensing objective of 'Prevention of crime and disorder' and ' the prevention of public safety' as we believe the application form in its current state fails to promote the licensing objectives .

We have started mediation with the applicant after making a site visit to the proposed venue which at this time is an unused empty factory site on the outskirts of the city.

With kind regards,

**Licensing Department.

Subject: FW: PRE1275 Star Works, Frederick Street, WV2 4DY- New Premises Licence Application

Dear Licensing,

Public Health would like to make representations to this application under the public safety licensing objective.

We do not support the request within the operating schedule to supply alcohol on and off the premises from 1000 hours until 0700 hours the following day seven days a week. Public Health would specifically not support the request for off sales in this premise.

This premise is situated in the Blakenhall ward with significantly higher than average rates for alcohol-related mortality which accounts for the biggest gap in life expectancy in the city. Alcohol-related hospital admissions are also rising in this area as well as the city as a whole.

Whilst I cannot evidence issues from this specific premise I believe increasing the supply and availability of alcohol in an area that is already experiencing problems with alcohol misuse is irresponsible and will only further add to the increasing levels of hazardous and harmful drinking the Blakenhall ward is currently experiencing.

I have spoken with the applicants' representative and outlined the main points of my representation.

Kind regards
