- 2.6 This premises is situated within the Cumulative Impact Zone. A copy of the policy and the area which it covers is attached at Appendix 3.
- 2.7 The following responsible authorities have been consulted on this application:
- Licensing Authority
 - West Midlands Fire Service
 - Planning
 - Trading Standards
 - Social Services
 - Local Health Board
 - Environmental Health (Commercial)
 - West Midlands Police
- 2.8 The following have made relevant representations and are objecting to the grant of this application citing the Cumulative Impact Policy and the licensing objectives:
- Licensing Authority
 - West Midlands Police
 - Environmental Health
 - Public Health
 - Ward Councillors [Other Persons]

Copies of their representations are attached at Appendices 4 - 8

- 2.9 The applicant, and all those who have made representations have been invited to attend the hearing.
- 3.0 **Policy Implications**
- 3.1 On 3 April 2015 the Statement of Licensing Policy was revised to give effect to the Cumulative Impact Policy (CIP) in four new areas of the City. This decision supported the view that the number, type and density of premises selling alcohol for consumption and/or Late Night Refreshment in areas within Wolverhampton City was causing problems of nuisance and disorder and therefore causing an adverse impact on the licensing objectives of prevention of crime and disorder and prevention of public nuisance.
- 3.2 The effect of this CIP is to create a **rebuttable** presumption that applications in respect of the sale or supply of alcohol and/or Late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates where the premises are situated in the City Centre Cumulative Impact Zone will be refused.
- 3.3 Essentially this means that applications that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing

objectives. (This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones).

3.4 To rebut the presumption, explained in 3.3 above, the applicant is expected to demonstrate through their operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced and not therefore have an adverse impact in the Licensing Objectives.

4.0 **Legal implications**

4.1 Part 4(1) of the Licensing Act 2003 states that a Licensing Authority must carry out its function under the Act with a view to promoting the Licensing Objectives, namely:-

- (a) The prevention of crime and disorder;
- (b) Public safety;
- (c) The prevention of public nuisance;
- (d) The protection of children from harm.

4.2 The general duties imposed on Licensing Authorities means proper consideration must be given to the Licensing Objectives when determining a premises licence application.

4.3 Regard shall be had to guidance issued by the Secretary of State under Section 182 and Wolverhampton City Council's Licensing Policy Statement which includes a Cumulative Impact Policy.

4.4 Section 18 of the Licensing Act 2003 provides the Licensing Authority with the power to grant an application, subject to conditions, where appropriate

4.5 In order for the Cumulative Impact Policy to be relevant to this application the Sub-Committee

I. Should be satisfied it applies due to:

- (a) Premises being located within the Cumulative Impact Zone;
- (b) Licensable activity applied for at the premises is to include sale of alcohol or late night refreshment and is;
- (c) The likelihood that the activity will have an impact on the crime and disorder or prevention of public nuisance licensing objectives.

And where the Cumulative Impact Policy is deemed to apply:

II. Should refuse an application based upon the Cumulative Impact Policy unless sufficient evidence is produced, by the applicant, to rebut the presumption that a licence will not be granted or varied.

4.6 If the Sub-Committee are satisfied sufficient evidence has been produced to show the premises will not add to the Cumulative Impact already being experienced, the application should not be refused based upon Cumulative Impact Policy.

5.0 Human Rights and Equalities Implications

5.1 This report has human rights implications for both the applicants and the residents from the local neighbourhood. Refusal of a licence may have financial implications for a licensee's business and livelihood whereas granting a licence may have impact upon the day to day lives of residents living in close proximity to the premises.

5.2 Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the Council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

5.3 The Public Sector Duty of the Equality Act 2010 also requires the Council to pay due regards (i.e. eliminate discrimination, harassment and victimisation; advance equality of opportunity and foster good relations), in any decisions it undertakes

6.0 Financial Implications

6.1 Councillors agreed fees and charges for this function on 20 January 2016; the fees are based on a cost recovery basis. The fee for this application is £190.00, and is non-refundable. [TK/03022016/N]

7.0 Environmental Implications

7.1 This report has environmental implications, in that there is a potential for disturbance caused by customers using the premises.

CUMULATIVE IMPACT POLICY

It is not proposed to set quotas for particular types of licences. Applications will be considered on their individual merit thus ensuring that the characteristics of the many different types of licensed activity are fully considered. If crime and disorder or general disturbance/nuisance does prove to be linked to the concentration of customers of licensed premises or activities in these or any other particular areas, then it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

It would first be necessary to establish that, because of the number and density of licensed premises in a particular area, there are exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. Where particular premises are identifiable as being responsible for the problems, action will be taken against them.

Before deciding whether to adopt a Cumulative Impact Policy, the Council must be sure that the imposition of individual conditions to particular premises would not solve the problem. The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder.

In the Guidance issued under the Act there are four steps specified to be followed in considering whether to adopt a Cumulative Impact Policy:

- Identification of serious and chronic concern from a responsible Authority or representatives of residents about nuisance or disorder.
- Assessment of causes.
- Where it can be demonstrated that disorder and nuisance is arising as a result of customers of licensed premises, identifying the area from which problems are arising and the boundaries of that area.
- Adopting a policy about future licence applications from that area.

The Licensing Committee will keep any Cumulative Impact Policy under review and modify or remove it, as considered appropriate.

As detailed above the Council recognises that because of the number of and density of licensed premises selling alcohol and/or Late Night Refreshment in particular areas there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect. In these cases it may be necessary to seek controls over the issue of new licences through a 'Cumulative Impact Policy'.

The Licensing Authority is now of the view that in these areas this is causing cumulative impact and designates these areas as Cumulative Impact Zones. The details of the policy specific to each area are described below.

The effect of the Cumulative Impact Policy is to create a **rebuttable** presumption that applications in respect the licensable activities detailed below for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity) where the premises are situated in one of the Cumulative Impact Zones will be refused.

To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting new licences in the Cumulative Impact Zones.

The Cumulative Impact Policy will not be used to revoke an existing licence or certificate and will not be applicable to the review of existing licences.

New Premises Application

I write on behalf of the Licensing Authority to make formal representations to the above application for a new premises licence due to the fact the premises is situated in the Cumulative Impact Zone. There is a rebuttable presumption that applications will be refused unless the applicant can demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives.

PRE1304 Kefirek Ltd, Unit 12 Avion Centre, Bargate Drive, Whitmore Reans, WV6 0QW

Dear Mr Edge,

I submit a formal objection on behalf of West Midlands Police in respect of the new premise licence application for 'Kefirek Limited', Unit 12 Avion Centre Bargate Drive Wolverhampton, WV6 0AW.

The application is for the sale of alcohol from the premises on an 'off sales' basis from 08.30 to 23.00 hours daily.

Representations are made in support of the, 'Prevention of Crime and Disorder' licensing objective.

The applicant has provided measures to promote the licensing objectives within the operating schedule of the application, however we note the application relates to a premises which sits within a Cumulative Impact Zone recently established for this area.

West Midlands Police are therefore concerned that a further premises providing alcohol to the public may increase the potential for Crime and Disorder at the location. .

In view of this, I wish to make formal representations to this application.

I can confirm that a member of the licensing Department at Wolverhampton Central Police will be in attendance at any subsequent hearing,

Kind Regards
Licensing Department.

Dear Colleague

I would like to make representation on behalf of Public Health in regards to the application referenced PRE1304 Kefirek Ltd under the objectives of 1). Prevention of crime and disorder, 2) The prevention of public nuisance; and 3) Public safety.

We do not support this application in reference to the sale of alcohol off premises.

The Avion Centre has been an area of concern for some time across a range of agencies. The shopping centre itself and periphery area experience high levels of anti-social behaviour and crime; disregarded drug paraphernalia is also an on-going issue. It is felt a new premises offering the supply of alcohol will exacerbate the complex issues already being faced by the neighbourhood and would contradict the efforts of services currently engaged in addressing issues.

I would be grateful to be kept informed of developments. Thank-you.

City of Wolverhampton Council

Dear Rob,

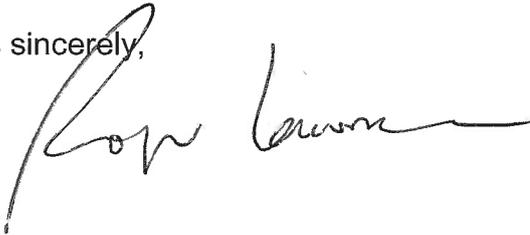

Re: Kefirek Ltd, Unit 12 Avion Centre, Bargate Drive, Wolverhampton, WV6 0QW

I am writing on behalf of the three St Peter's ward Councillors regarding the above licensing application for the sale/supply of alcohol off the premises. The applied opening hours for the premises are:

Monday to Saturday 0830 to 2300 hours
Sunday 0930 to 2000 hours

We wish to strongly oppose this application on the grounds that there is already persistent anti-social behaviour related to drinking in the Avion Centre and surrounding area. The Police can corroborate this. This problem is regularly raised with us at community meetings and local surgeries and is real cause of concern with local residents in the St. Peter's ward. An additional premises selling alcohol from early in the morning to late at night all week will only exacerbate this problem.

Yours sincerely,

Councillor Roger Lawrence

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

The premises will be run responsibly with strong attention to safety and legal principles. Staff will be trained to pay particular attention to issues around alcohol selling and its effects it may cause on customers.

b) The prevention of crime and disorder

A CCTV system with recording equipment shall be installed and maintained at the premises. CCTV should cover entry and exit points of the premises and all areas where alcohol/money is served/taken and all areas where public have access and the immediate vicinity outside the premises.

Images/recording to be downloaded in suitable format and provided to any member of a Responsible Authority upon request and without any undue delay.

Images and recordings must be of evidential quality, must indicate the correct time and date and be kept for at least 31 days.

All staff to be trained to use the CCTV system and at least one member of staff to be on duty who is trained to download the systems images should any member of a Responsible Authority make a request.

An incident log must be maintained at the premises and a written record of any incident that occurs at the premises must be appropriately recorded.
