

Forward Plan of Key Decisions

Date: 23 August 2018

OUT OF DARTMOUTH

The Forward Plan

This document sets out known 'key decisions' that will be taken by the Cabinet or one of the Cabinet Panels (the Executive) over the coming months.

Forthcoming decisions are published online to meet the statutory 28 day rule for each meeting of the Executive. Where it has not been possible to meet the 28 day rule for publication of notice of a key decision or an intention to meet in private, the relevant notices will be published as required by legislation as soon as possible.

What is a key decision?

A key decision is an Executive decision which is likely:

- to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates (in Wolverhampton, this is defined as expenditure or savings **in excess of £250,000**), and/or
- to be significant in terms of its effects on communities living or working in an area comprising **two or more wards** in the area of the local authority.

The report relating to a decision, together with any other documents being considered, will be available five clear days before the decision is to be taken (unless the documentation contains exempt information). Copies are available on the Council's website or can be requested from Democratic Services.

The forward plan also provides notice of when the Cabinet may decide to exclude the press and public during consideration of a particular matter due to the potential for disclosure of confidential or exempt information. The grounds upon which local authorities can exclude the press and public are specified by law, details of the exempt categories are available on request from Democratic Services.

Councillors or members of the public wishing to:

- make a representation about why a matter should be heard in public, or
- submit information to the decision-making body about an item in the forward plan, or
- request details of relevant documents, or
- seek advice about the Council's decision-making arrangements,

should contact the Democratic Services team:
