Subject: FW: PRE1271 - Dosa Hut Restaurant, 314 Dudley Road - New Premises Application [NOT PROTECTIVELY MARKED]

Dear Licensing,

Public Health would like to make representations to this application under the public safety licensing objective as the premises is within the designated CIZ area of Dudley Road.

However I am in liaison with the Responsible Authority for Licensing who is in negotiation with the applicant regarding inclusion of a condition to the operating schedule relating to the sale of alcohol off the premises.

The condition is as follows:

- "Only patrons ordering table meals and seated refreshments will be permitted to purchase alcohol for supply off the premises".

Kind regards
