2.0 Background

2.1 The latest position on the council's payment transparency activity is as follows:

- Following the introduction of Agresso, the council now publishes its own spend data, instead of using a third party.
- The data is available on the council's internet site under Transparency and Accountability (payments to suppliers) and is updated monthly.
- In addition to the spend to date, the site also includes spend for the financial years from 2011 to 2014.
- Since last reported to the Audit Committee in March 2015, there have been no requests for information from the public (as an 'armchair auditor').
