WOLVERHAMPTON
COUNCIL

Audit and Risk Committee

16 September 2019

Report Title	Audit Services – Counter Fraud Update	
Accountable Director	Claire Nye	Finance
Accountable employee(s)	Peter Farrow Tel Email	Head of Audit 01902 554460 peter.farrow@wolverhampton.gov.uk
Report to be/has been considered by	Not applicable	

Recommendation for noting:

The Committee is asked to note:

1. The contents of the latest Audit Services Counter Fraud Update.

1.0 Purpose

1.1 The purpose of this report is to provide Members with an update on current counter fraud activities undertaken by Audit Services.

2.0 Background

2.1 The cost of fraud to local government is estimated at £2.1 billion a year. This is money that could be used for local services.

2.2 The Counter Fraud Unit was set up within Audit Services, in response to the increased emphasis being placed upon both fraud prevention and detection by the Ministry of Housing, Communities and Local Government.

3.0 Progress, options, discussion, etc.

3.1 At the last meeting of the Audit and Risk Committee in June 2019, it was agreed that regular updates on the progress the Council was making in tackling fraud would continue to be brought before the Committee.

4.0 Financial implications

4.1 There are no financial implications arising from the recommendation in this report.
[GE/05092019/G]

5.0 Legal implications

5.1 Investigations by the Counter Fraud Unit may have legal implications depending upon what action is taken or decided against in respect of those investigations.
[TS/04092019/H]

6.0 Equalities implications

6.1 There are no equalities implications arising from this report.

7.0 Climate change and environmental implications

7.1 There are no climate change and environmental implications arising from this report.

8.0 Human resources implications

8.1 There are no human resources implications arising from this report.

9.0 Corporate landlord implications

9.1 There are no corporate landlord implications arising from this report.

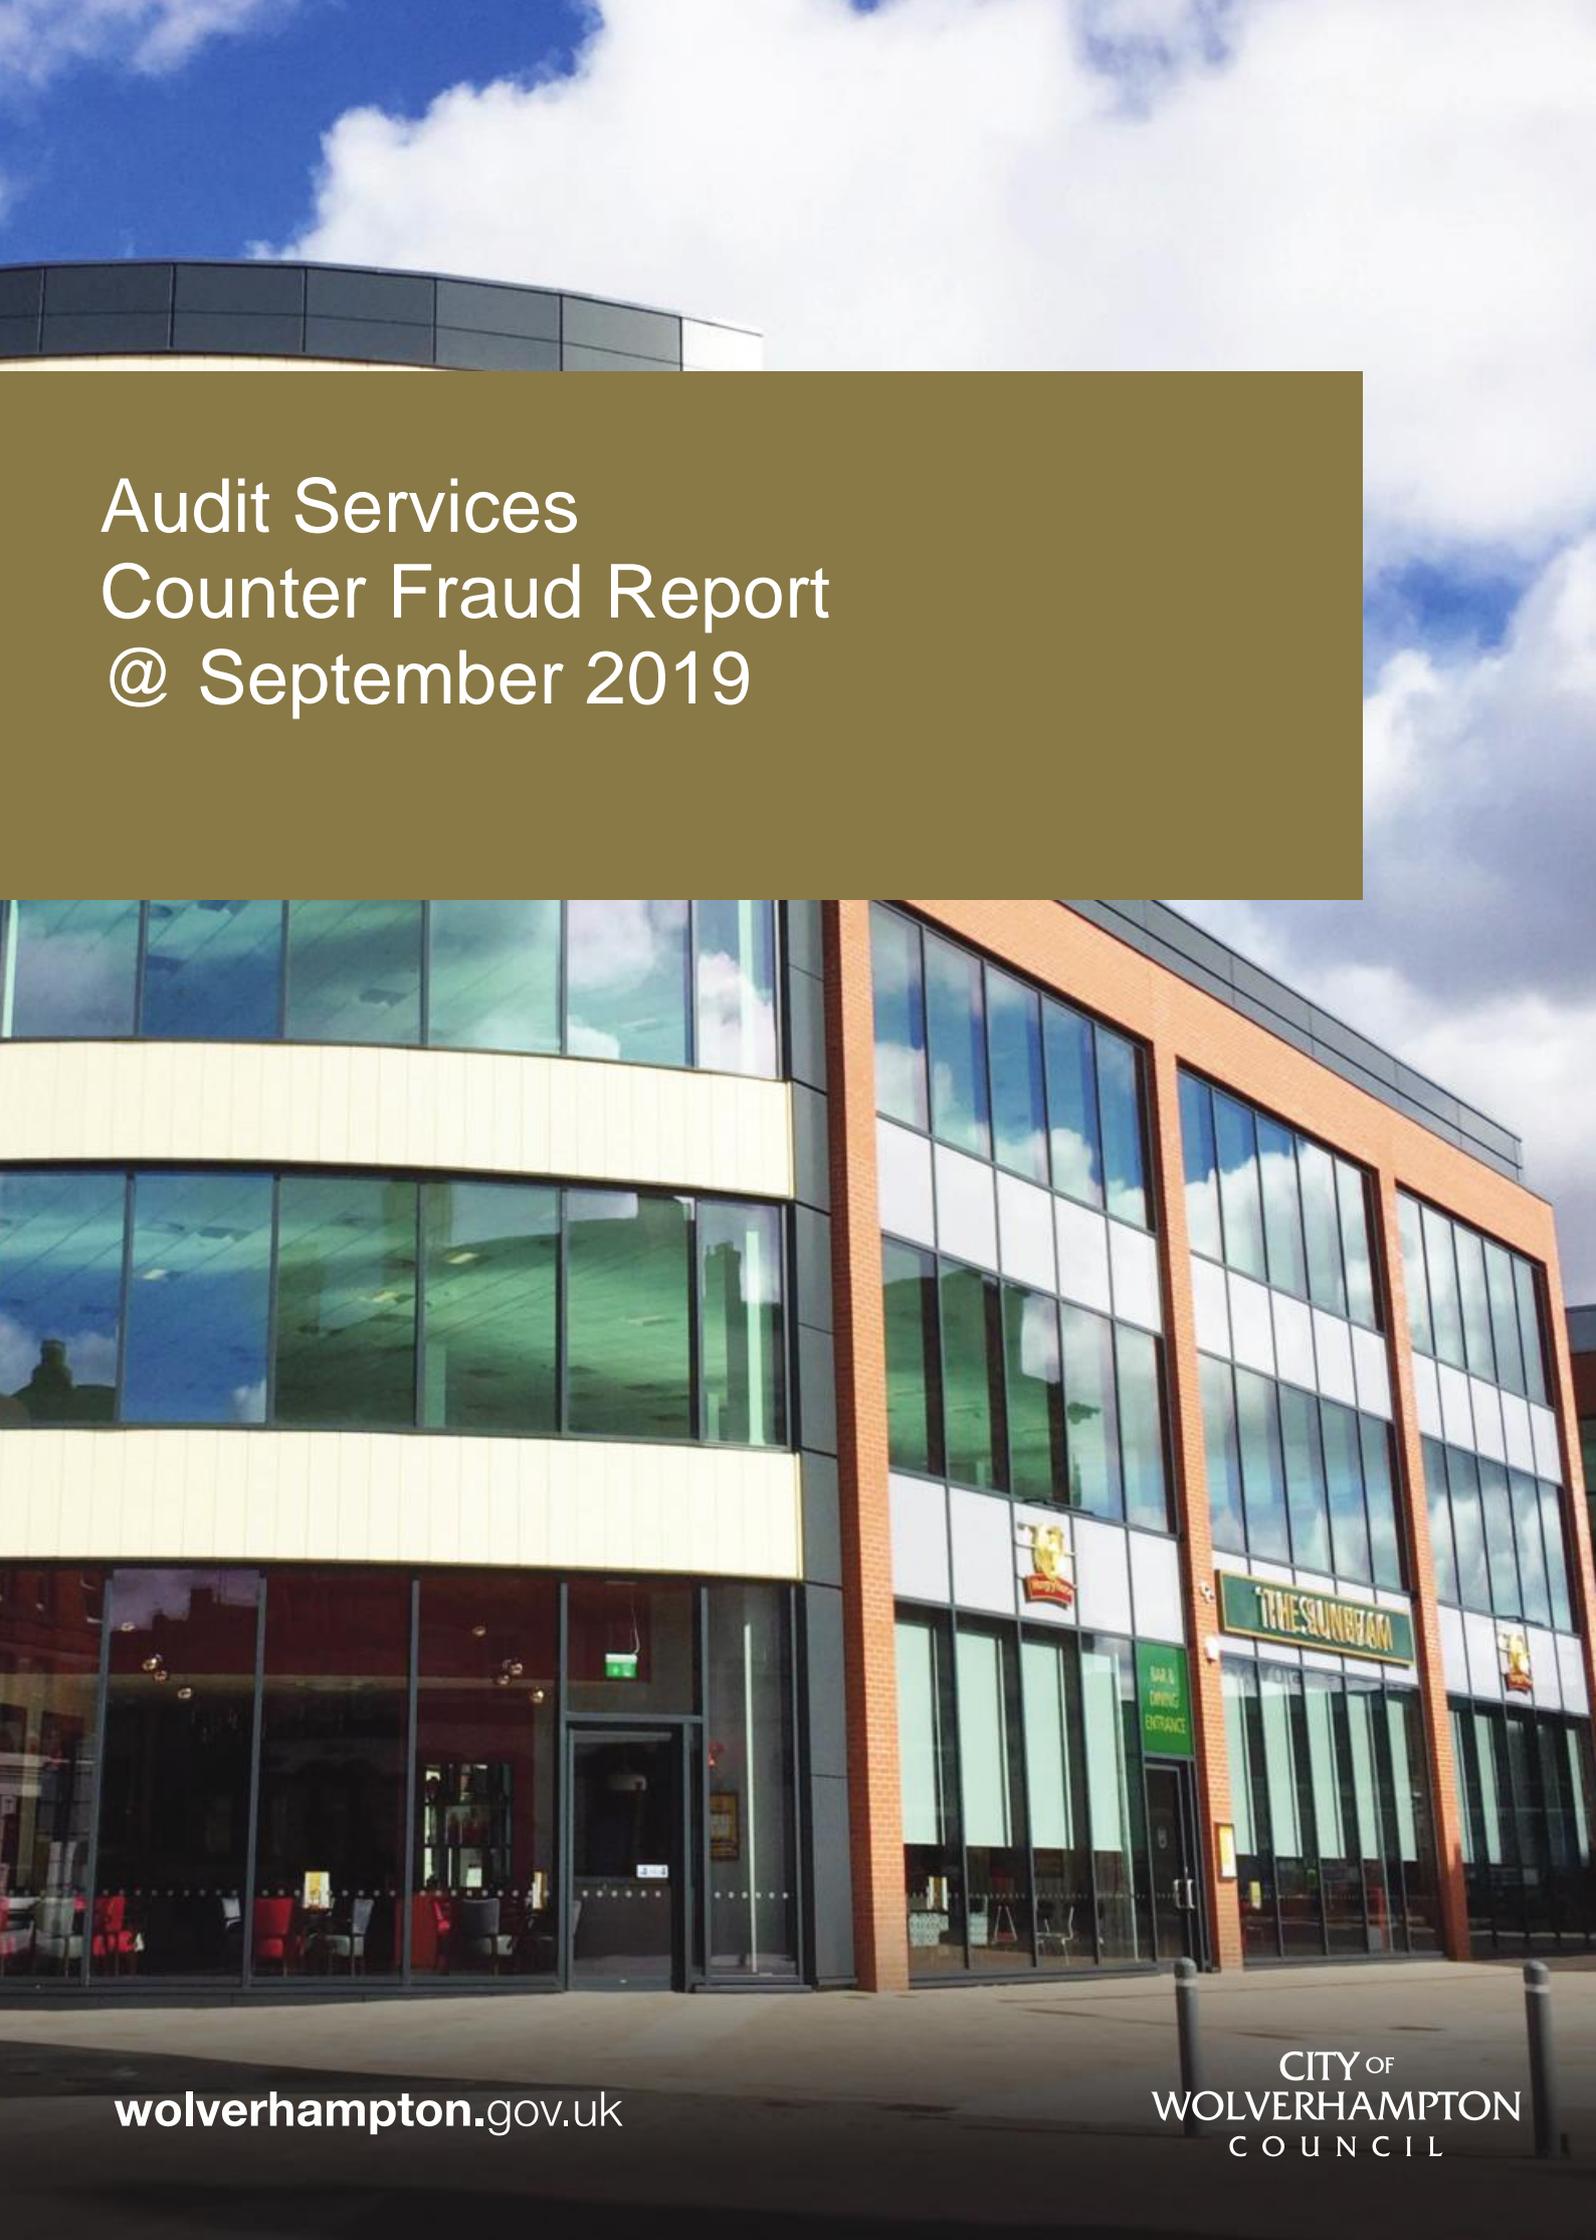

10.0 Health and Wellbeing implications

10.1 There are no health and wellbeing implications arising from this report.

11.0 Schedule of background papers

11.1 None.

This report is PUBLIC
[NOT PROTECTIVELY MARKED]

Audit Services Counter Fraud Report @ September 2019

1 *Introduction*

The counter fraud agenda is one that continues to hold significant prominence from Central Government who are promoting a wide range of counter fraud activities. The purpose of this report is to bring the Audit and Risk Committee up to date on the counter-fraud activities undertaken by the Counter Fraud Unit within Audit Services.

The Council is committed to creating and maintaining an environment where fraud, corruption and bribery will not be tolerated. This message is made clear within the Authority's Anti-Fraud and Corruption Policy, which states: "The Council operates a zero tolerance on fraud, corruption and bribery whereby all instances will be investigated, and the perpetrator(s) will be dealt with in accordance with established policies. Action will be taken to recover all monies stolen from the Council."

2 *The Counter Fraud Team*

The Counter Fraud Team, which sits within Audit Services, is continuing to develop and lead in raising fraud awareness across the Council and in promoting an anti-fraud culture. The team carries out investigations into areas of suspected or reported fraudulent activity and organises a series of Council wide pro-active fraud activities, including the targeted testing of areas open to the potential of fraudulent activity. The team maintains the Council's fraud risk register, conducts raising fraud awareness seminars and holds fraud surgeries. In addition, they lead on the Cabinet Office's National Fraud Initiative (NFI) exercise.

The team also provide a tenancy fraud investigation service to Wolverhampton Homes under a service level agreement.

Commencing September 2019, a new structure has been implemented for the Counter Fraud Team. New roles have been created which reflect the scope of work completed by the Counter Fraud Team and provide for the continued development of the team's role.

3 *Counter Fraud Update*

Counter Fraud Plan

The latest status of progress against the counter fraud plan is shown at Appendix 1

National Anti-Fraud Network Intelligence Notifications

The National Anti-Fraud Network (NAFN) issues regular alerts which provide information on fraud attempts, trends and emerging threats. The information provided in the alerts has been notified to NAFN by other local authorities from across the country. These alerts are checked to the Council's systems to verify whether there have been any instances at Wolverhampton. Alerts which either involve suppliers used by the Council or are applicable to all Councils, are notified to appropriate sections of the Council. The most common alerts relate to Bank Mandate fraud, Council Tax Refund fraud and cyber fraud including ransomware and email interception.

National Fraud Initiative Exercise 2019/20

The Counter Fraud Team co-ordinates the investigation of matches identified by the Cabinet Office's National Fraud Initiative (NFI) data matching exercises. Where matches are identified, the ensuing investigations may detect instances of fraud, over or underpayments, and other errors. A match does not automatically mean there is a fraud. Often there is another explanation for a data match that prompts bodies to update their records and to improve their systems.

The latest NFI exercise commenced in January 2019 and a total of 15,006 matches have now been released by the Cabinet Office. As the Cabinet Office continues to develop and refine the NFI exercise it is anticipated that further matches may be released in the coming months. A total of 1,725 matches have been processed with no issues found indicating systems are working effectively. As more matches are processed details of the progress made will be brought before the Committee as it becomes known.

National Fraud Initiative HMRC Pilot

The Council was selected, by the Cabinet Office, as one of only ten Local Authorities to take part in a pilot NFI exercise where HMRC data has been matched to the Council's data for the first time. This is a significant development for the NFI project. HMRC hold information about household composition, household earnings and property ownership.

A sample of matches were investigated with the majority relating to tenancy issues. The Counter Fraud Team has provided feedback to the Cabinet Office which has been used to help refine the matches and to ensure the maximum impact is achieved from the exercise. The HMRC data has now been incorporated into the national exercises for all Councils.

Counter Fraud Team - Tenancy Fraud Performance

The Counter Fraud Teams Tenancy Fraud results for March 2019 to July 2019 are shown in the following tables:

	April 2019 – July 2019
Type of fraud and/or error	Number
Total Number of Referrals Received	59
Open referrals being investigated	9
Anti-Money Laundering – Right to Buy Checks	48
Residency Duration Checks for Right to Buy Applications	34

Further details of the above figures are included below.

	April 2019 – July 2019	
Type of fraud and/or error	Cases	*Value £
Tenancy sub-letting – Illegal subletting of properties which were recovered	5	465,000
Right to buy – preventing fraudulent RTB applications	1	65,000
Other tenancy fraud – succession, abandonment or non-occupation – legal action required where fraudster fails to hand keys back	1	93,000
Social Housing Application fraud – offers withdrawn and/or applicants excluded from waiting list	2	72,000
Total	9	695,000

*The savings figures for tenancy fraud are based on methodology and calculations produced by the Cabinet Office in support of the National Fraud Initiative. The figures include:

Social housing tenancy fraud - Notional £93,000 (previously £18,000). The increase in the notional savings recognises the future losses prevented from recovering the property. Previously the calculation only considered one year's loss.

Social housing application fraud – Notional £36,000 (previously £8,000). The increase in the notional savings recognises the future losses prevented by not letting the property to an ineligible individual and with the potential of having to place a genuine prospective tenant from the waiting list in expensive temporary accommodation. There is no allowance in this calculation for past value fraud and therefore the notional loss is less than that of social housing tenancy fraud.

Right to Buy fraud – Notional £65,000 (previously the exact figure was used). The notional saving for a Right to Buy (RTB) application that has been withdrawn is calculated by the Cabinet Office based on the region in which the property is based, the increases in the maximum RTB cap and the changes in average house prices. This method allows for benchmarking to be carried out.

Tenancy Fraud Training

During June 2019, the Counter Fraud Team developed and delivered face-to-face Tenancy Fraud training to 66 frontline staff including Tenancy Officers, Income Officers and ASB Officers. The training was well received by staff, and there are initial indications that the quality of fraud referrals has improved.

To complement the face-to-face training the Counter Fraud Team is working to produce a tenancy fraud e-learning course which will benefit all employees

Partnership Working

The partnership arrangement with Sandwell Metropolitan Borough Council, is continuing with the Fraud Team at Sandwell assisting in the implementation of the Council's Counter Fraud Plan, including carrying out investigations. This joint approach will see an increase in shared information, working practices and the introduction of new counter fraud initiatives.

Fraud Risk Register

The Counter Fraud Unit maintains the Council's fraud risk register. The register is used to help identify areas for testing and to inform future audit assurance plans by focusing on the areas with the 'highest' risk of fraud. The latest fraud risk register is included at Appendix 2.

Midland Fraud Group

This group consists of fraud officers from across the Midland's local authorities. The purpose of the group is to identify and discuss the outcome of initiatives being used to tackle fraud. At the last meeting in June 2019 discussions were held on Right to Buy, DWP joint working, Insurance fraud, Business Rates fraud and cases of interest.

Counter Fraud Plan Update

Issue	Action	Timescale
Raising counter fraud awareness across the Council	Develop and deliver Fraud Awareness seminars	Fraud based training provided by NatWest Bank June 2017
	Develop on line fraud training for staff.	To be refreshed Autumn 2019
	Work with Workforce Development to develop and promote fraud training.	Fraud seminars and surgeries promoted through City People On-going use of online training package
