Dear Licensing

I would like to confirm an amendment via this email for our new Premise License submitted this morning (13/08/19) for the following section:

b) the prevention of crime and disorder - CCTV will be recorded for 31 days and accredited door staff will be used for busy periods on the weekends to the public without bookings

Kind Regards

Good Morning,

I have read through your application and there are just a few minor things that I would advise you to amend just to cover all the licensing objectives.

Firstly, under the heading "Prevention of crime and disorder" it says recording will last up to 30 days. Can this please be changed to 31. I know it seems picky but by doing this it's the same for all venues in the city. Can you also please mention that CCTV can be provided to officers on request. This is for the safety of staff and members of the public.

Secondly, there is no mention of any security/door staff at your venue. This is something I would advise so searching can take place for any person entering the premises.

Sorry in advance if the above is included and I have just missed it. please don't hesitate to contact me I am more than happy to help.

With Kind Regards
