

Action Plan

Recommendation	Comments	Outcome
<p>Recommendation 1: That Scrutiny Board receive regular updates from representatives of the West Midlands Violence Reduction Unit (WMVRU) outlining how the work of the WMVRU is contributing to, supporting and enhancing the work already being undertaken in Wolverhampton.</p>		
<p>Recommendation 2: That the Council takes all necessary steps to ensure that the Holiday Squad programme becomes embedded within a youth offer which continues to be refined and informed by the Growing up in Wolverhampton survey.</p>		
<p>Recommendation 3: That the Council continues to support young people in the City through the provision of sustained and co-ordinated youth provision, strategically informed by the Youth Engagement Strategy (#YES).</p>		
<p>Recommendation 4: That the Council collaborates further with voluntary and community sector organisations and communities to design and develop services for preventative approaches to tackling youth violence.</p>		
<p>Recommendation 5: That the Council develops a commissioning approach with the voluntary and community sector to tackle youth violence. This should be based on a strong evidence base with a long-term view and a requirement to enhance service stability.</p>		

<p>Recommendation 6: That the Council considers how it can routinely build into its design and planning processes, considerations relating to the creation of healthy, cohesive and safe communities.</p>		
<p>Recommendation 7: That all frontline Council employees who have direct contact with young people including teachers, health workers, youth and community workers be encouraged to complete the PCC (Police and Crime Commissioner) funded ACES (Adverse Childhood Experiences) training package.</p>		
<p>Recommendation 8: That reports considered by the Children, Young People and Families Scrutiny Panel routinely consider how the recommendations contribute to preventing and reducing youth violence.</p>		
<p>Recommendation 9: That the West Midlands Police and Crime Commissioner (PCC) ensure that Wolverhampton specific initiatives that have been commissioned through the PCC continue to be funded through the WMVRU (e.g. St Giles' based at Accident & Emergency at the Royal Wolverhampton NHS Trust).</p>		
<p>Recommendation 10: That progress and governance relating to the above recommendations resides with the Safer Wolverhampton Partnership Board and that as such, the Chair of the Scrutiny Review into Youth Violent Crime, becomes a member of the Safer Wolverhampton Partnership Board.</p>
