2. Approve the proposed fees and charges for Occasional/Temporary Street Trading Consents as set out in **Appendix 2** of this report with effect from 1 April 2020.

Recommendation for noting:

1. That a review of the Street Trading Policy provision is taking place.

1.0 Purpose

- 1.1 To submit for consideration proposed street trading fees and charges to take effect from 1 April 2020 and to advise the Licensing Committee of arrangements for the control and regulation of street trading activities undertaken in the City.
- 1.2 To inform Licensing Committee of a review of Street Trading.

2.0 Background

- 2.1 In 1986 the Council adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982, designating all streets in the City as “consent” streets, enabling the Council to control street trading activities. In general terms any trading on a “street”, with a few exceptions, requires “consent to trade”.
- 2.2 Licensing Services are responsible for issuing consents (including the collecting of fees) for street trading and the enforcement responsibilities associated with street trading.

3.0 Overview of local controls

- 3.1 The Council’s constitution delegates the Council’s functions relating to the processing, determination and management of street trading, under the Local Government (Miscellaneous Provisions) Act 1982, to the Licensing Committee.
- 3.2 A variety of different consents are issued which set controls such as location and approved times of operation. All consent locations are determined by an officer group from Regeneration, covering the disciplines of planning, highways design, highways enforcement etc.
- 3.3 Consents are agreed and defined based upon location within the City and time of operation. The following represents the location types:
 - Dudley Street
 - Bilston Street/Queen Street
 - Victoria Street/Skinner Street/Cleveland Street
 - Molineux Area (Football Consents)
 - Bilston Town Centre
 - Wednesfield Town Centre
 - Evening Consents
 - Other City Areas Food
 - Other City Areas Flowers
 - B Type Consents
 - Operating on Land Accessible to the Public Without Payment (Private Land)

Notes:

- All consents apply for a 12-month period only. There are no guarantees that successful applications for 2019/2020 will be successful in 2020/2021.
- Evening Consents permit trade at any location within a three-quarter mile radius of the Council's retail markets only between the hours of 21.00 and 05.00 hours and are typically issued for catering units.
- Other City Areas Food and Flower consents relate to the consent for traders on designated pitches in other City areas previously issued as mobile consents.
- 'B' Type Consents allow trading in any street in the City, except within a three-quarter mile radius of any Council market or other prohibited area. B Type Consents are typically issued for ice cream sales or snacks by means of a mobile unit.
- Operating on Land Accessible to the Public Without Payment (Private Land) relates to consents issued for food, non-food and Molineux match days.

4.0 Review of fees and charges 2020-2021

- 4.1 Paragraph 9 of Schedule 4 of the 1982 Act states "that a Council may charge such fees as they consider reasonable for the grant or renewal of a street trading consent".
- 4.2 Each year proposals for the review of fees and charges related to street trading are generated. These proposals are based upon the Council's policy of reviewing fees and charges annually at least in line with the increased cost of providing the service, whilst also having due regard to the Council's social and economic policies.
- 4.3 Having regard to the above it is recommended the fees and charges for street trading consents will remain unchanged for 2020-2021.
- 4.4 Appendix 1 sets out the proposed fees for annual street trading consents for 2020-2021 rounded to the nearest £5.00 for administrative purposes.
- 4.5 Appendix 2 sets out the proposed fees for occasional/temporary street trading consents for 2020-2021.

5.0 Street Trading Review

- 5.1 A review of Street trading is currently being undertaken by Licensing Services. The review is to develop a policy and to ensure that the offer is adequate for the City. An updated report will be presented to Licensing Committee containing all findings, proposed changes and revised fees, to request approval.

6.0 Financial implications

- 6.1 It is recommended the fees and charges for street trading consents will, until the the street trading review is agreed by Licensing Committee, remain unchanged for 2020-2021.

6.2 Should the Licensing Committee agree with the recommendations in this report it is anticipated that overall income from the proposed fees and charges in Appendices 1 and 2 will cover the estimated cost of providing the service. [NC/06012020/W]

7.0 Climate change and environmental implications

7.1 This report does not generate any direct climate and environmental implications. However, the presence of street traders clearly impacts on the street scene environment.

8.0 Legal implications

8.1 Paragraph 9 of Schedule 4 of the 82 Act authorises Councils to charge fees for Street Trading.

8.2 Paragraph 9(9) requires notice and publication in certain circumstances. [SH/10012020/D]
