Dear All

Police have received the above application and noted the premises it appertains to sits within the C.I.Z. of Wolverhampton City centre.

Police make formal representations in relation to the application as its location within the C.I.Z means there is a presumption that the premise may contribute to, and, further, undermine the licensing objectives of prevention of crime and disorder and public safety.

Since receipt of the application, a site visit has taken place at the proposed premises and mediation with the applicant has taken place.

The attached conditions have been suggested by Police and in principal agreed and signed to by the applicant.

Should Wolverhampton Licensing Sub-Committee be minded to add these conditions to the considered licence upon deliberation, Police would be happy to withdraw their representations.

Kind Regards
