I would like to express my concern on behalf of my parents who live in the residential block above these shops. Recent months have seen the shop staying open a considerable time above what is the agreed closing times. Customers attend and use the shop until the early hours of the morning. There has been a regular pattern of closing at 12am. 12.30am and 1am.

The noise that comes from this is extremely disturbing and is detrimental to my parents health. Customers will pull up outside, leaving radios and engines running, slamming car doors and speeding off down the road which wakes them repeatedly each night.

It is already unbearable for them as they are not in great health.

I am greatly concerned that what is already an unbearable situation has the potential to get worse if these hours are extended.

Bedrooms are situated at the front of the shops, Currently they should close at 11pm, as I have already said, they are closing at 12, 12:30 and 1am. The noise disturbance of the shutters closing at the front adds to the disturbance in the early hours of the morning. Should hours be extended to 1am it is likely that this would be further extended to 2am which would simulate the current situation.

I would ask that this is reconsidered to avoid further nuisance and out of respect for what is a residential area.
