Subject: RE: Merridale Supermarket, Clifton House, Merridale Road,
Wolverhampton - New Premises Application [PROTECT]

Dear all,

Police wish to raise formal objections to the issue of a premises licence in relation to this application.

There are ongoing issues regarding Anti Social Behaviour in the immediate vicinity of the proposed location.

Police believe that the applicant will not be able to sufficiently promote the licensing objectives.

Our objections will be cited due to our concerns and responsibilities under the licensing objectives of prevention of crime and disorder and public safety.

Kind Regards,

PC 1080 Mitch Harvey
