NOT PROTECTIVELY MARKED

Dear Anita

I am making this representation on behalf of my colleague Michelle Smith from Public Health as she is on annual leave, under the Prevention of Crime and Disorder and Public Safety Licencing objectives.

We do not support the request within the operating schedule to supply alcohol off the premises from 0600 hours until 0000 hours seven days a week.

I understand there has been concerns raised by a number of public sector agencies in relation to street drinking, alcohol misuse and anti-social behaviour in this particular area.

Michelle will contact the applicant on her return to outline her representation.

Kind Regards

Ravi Seehra
