Security Log Book and Incident Reporting

All door and security staff must sign in using the Security Log Book.

All incidents must be reported in the incident book.

Details must include:

- Time of incident
- A brief description
- What action was taken
- What staff were involved
- Were emergency services required and called

All incidents should be logged as soon as possible.

Capacity checks must be completed regularly after 22:00 on Friday & Saturdays and updated in the Door Security Log.

Close down – dispersal policy

20 minutes prior to closing the music volume will lower and then stop.

When the venue has finished trade, a member of management will give the direction to start asking the customers to leave. No customer is to be approached until this has been directed.

All security should assist with dispersing the crowd in a polite and friendly manner.

All empty glasses and bottles should be cleared.
