Dear Kully,

I write on behalf of the Licensing Authority as a Responsible Authority to submit formal representations to above application under the 4 licensing objectives.

This premises is situated within the Avion Centre C.I.Z. and there is a rebuttable presumption that applications within a C.I.Z will be refused unless the applicant can demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives; Prevention of Crime and Disorder, Prevention of Public Nuisance, Protection of Children from Harm and Public Safety.

Throughout this application there is insufficient information within the operating schedule to show how the applicant will address all four licensing objectives and not add to the existing cumulative impact.

Kind regards,

Greg Bickerdike
