Scrutiny – A New Approach – Connected City

1. A new approach to scrutiny was agreed at Scrutiny Board on 14 July 2020. Scrutiny Board agreed a cross cutting theme for all panels. The agreed theme was '**Connected City**'. Connectivity and digital considerations will be considered as part of all items added to the work programme.
2. **Roles and expectations** have been defined for the Chairs of Scrutiny Panels, Strategic Executive Board (SEB) leads and Scrutiny Officers; creating a collective understanding of scrutiny's role within the Council. These can be seen in Appendix A.
3. Effective **work planning and agenda setting** will take place to produce **jointly owned work plans**.
4. The first panel meetings will receive an update on the areas that fall within the scope of the panel. There will then be an introduction to the **connected city theme**. This will enable the Panel to consider items for the workprogramme in line with the '**Connected City**' scrutiny theme.
5. Regular briefings will be arranged with the Scrutiny Panel Chair, Vice Chair, SEB lead and scrutiny officer to enable a shared understanding of priorities and reviews of progress and recommendations.
6. **Improved communication**: 'You said we did' updates and publicity (including social media)
7. Creation of a **strong organisational culture** that supports scrutiny work that **adds real value** and **evidences impact**.
8. Outcomes and recommendations from all panels will then be fed back to Scrutiny Board to unify into one comprehensive report based on the connected city theme.
